Independent Auditors' Report

Retirement Committee and Participants of
KIARA, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of KIARA, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other

additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A | DESCRIPTION OF THE PLAN

The following description of KIARA, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all eligible employees of Prairie Cardiovascular Consultants, Ltd., LaSante, Inc., LaSante Wisconsin, Inc., and KIARA Clinical Integration Network, LLC. (the Companies).

The Plan was restated by the KIARA, Inc. 401(k) Profit Sharing Plan Board of Directors effective January 1, 2014. For employees hired prior to July 1, 2014 (effective date), the Plan covers all full-time employees of the Companies who are age 21 or older with one year of service. One year of service is met upon the completion of 1,000 hours of service prior to the completion of 12 consecutive months. For employees hired on or after the effective date, employees who are age 21 or older are eligible for participation in the Plan. The Plan does not include union, nonresident aliens, leased employees or PRN nurses and midlevel providers. Highly compensated employees hired prior to the effective date are also excluded from employer matching contributions. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). After eligibility requirements are met, participants may enter the Plan. The Plan was restated again effective January 1, 2022 to incorporate changes from mandatory and voluntary amendments.

The plan was restated and amended in December 2022 to freeze contributions into the Plan after December 31, 2022.

2. Contributions

Prior to the plan freezing contributions, participants were able to contribute up to the maximum amount allowed by law of their wages, not to exceed $ 20,500 for 2022. If the participant was age 50 or older by the end of the Plan year, an additional (catch-up) contribution may be deferred up to $ 6,500 in 2022. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. For employees hired prior to the effective date, the Companies contribute 25% of the first 5% of base compensation that a participant contributed to the Plan. To be eligible for the Companies' contribution, the participant hired prior to the effective date were required to be employed on December 31, completed at least 1,000 hours of service during the Plan year, and not been considered a highly compensated employee.

NOTE A | DESCRIPTION OF THE PLAN

2. Contributions

For employees hired on or after the effective date, the Companies contribute 50% of the first 4% of base compensation that a participant contributes to the Plan. To be eligible for the Companies' contribution, the participant hired on or after the effective date must be employed on December 31 and complete at least 1,000 hours of service during the Plan year. Additional amounts may be contributed at the option of the Companies. Contributions are subject to certain limitations.

Effective January 1, 2022, all new hires were subject to an automatic deferral feature of 4% of eligible compensation, with scheduled increases of 1% the first day of each Plan Year, up to a maximum of 8%.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants could revoke their salary deferral election at any time during the Plan Year. Participants were able to make any other modification as of the first day of each calendar quarter. Any modification became effective as soon as administratively feasible after it is received by Administration.

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant hired prior to the effective date is 100% vested after three years of credited service. Participants hired on or after the effective date are immediately vested in the Companies' matching and discretionary contribution portion of their accounts plus actual earnings thereon.

NOTE A | DESCRIPTION OF THE PLAN

5. Notes Receivable from Participants

Loans are not currently available to participants in the Plan. The existing notes receivable are from a merger of plans and have been grandfathered into this Plan.

6. Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary automatically becomes 100% vested and may take a distribution equal to the value of the participant's vested interest in his/her account or annual installments. For termination of service due to other reasons, a participant will receive the value of the vested interest in his/her account as a lump-sum distribution if the vested account balance is equal to or less than $ 5,000. If the vested account balance is greater than $ 5,000, the participant may elect to receive a distribution of the entire amount as required per IRS regulations. Hardship withdrawals are also permitted by the Plan.

7. Forfeited Accounts

Forfeited nonvested accounts totaled $ 22 and $ 11 at December 31, 2023 and 2022, respectively. These accounts are used to reduce employer contributions.

NOTE B | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTE B | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

5. Payment of Benefits

Benefits are recorded when paid.

6. Expenses

Certain expenses of the Plan are paid by the Plan unless otherwise paid by the Companies. Expenses paid by the Companies are excluded from the financial statements. Fees related to the payment of benefits are charged directly to participant accounts.

7. Subsequent Events

The Plan's management has evaluated subsequent events for recognition and disclosure in the financial statements through October 7, 2024, which is the date the financial statements were available to be issued. Through October 7, 2024, no subsequent events required recognition or disclosure in the financial statements.

NOTE C | FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 – Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 – Valuation is derived from unobservable inputs that are not corroborated by market data.

The Plan invests in a collective trust which is valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Securities within the self-directed brokerage accounts are valued based on quoted market prices in active markets or on quoted market prices of similar assets in active markets.

Self-directed accounts consist of mutual funds, common stocks, preferred stocks, corporate bonds, certificate of deposit, and cash and cash equivalents. Fair values of self-directed accounts have been determined by the trustee from observable market quotations for both actively and inactively traded markets, when available.

NOTE C | FAIR VALUE MEASUREMENTS

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

2023	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	$ 14,486,473	$ 1,130,208	$ -	$ 15,616,681
Mutual funds	47,222,991	-	-	47,222,991
Total assets in the fair value hierarchy	$ 61,709,464	$ 1,130,208	$ -	62,839,672
Investments measured at net asset value				6,780,399
Investments at fair value				$ 69,620,071

2022	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	$ 17,354,390	$ 1,074,419	$ -	$ 18,428,809
Mutual funds	43,751,282	-	-	43,751,282
Total assets in the fair value hierarchy	$ 61,105,672	$ 1,074,419	$ -	62,180,091
Investments measured at net asset value				7,751,188
Investments at fair value				$ 69,931,279

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D | INVESTMENTS IN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE

As part of the Plan's investment portfolio, there is an investment made in the Wilmington Trust Retirement and Institutional Services Company Collective Investment Trust III for MetLife Group Annuity Contract No. 25554 (collective trust) in which purchases and withdrawals are not made in an open market. Instead, the purchases and withdrawals occur with the collective trust, and in certain circumstances, those transactions are entirely controlled and/or restricted by the collective trust. The fair value of this investment is determined by the management of the collective trust and is reported to the Plan as the Plan's proportionate share of the net asset fair value of the entity. The table below provides information relative to this type of investment. Additional information on the investment, which is a direct filing entity, can be found by viewing its U.S. Department of Labor Form 5500.

2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust	$ 6,780,399	$ -	Daily	1 Day
2022				
Collective trust	$ 7,751,188	$ -	Daily	1 Day

NOTE E | INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following unaudited information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Newport Trust Company, LLC for the years ended December 31:

	2023	2022
Statements of net assets available for benefits		
Assets		
Investments, at fair value	$ 69,620,071	$ 69,931,279
Notes receivable from participants	6,228	8,192
Statements of changes in net assets available for benefits		
Net appreciation (depreciation) in fair value of investments	7,113,091	(15,570,308)
Interest and dividend income	2,057,269	1,942,342
Interest income on notes receivable from participants	310	392
Investment expenses	102,577	105,486

NOTE F | PLAN TERMINATION

The Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants not fully vested will become 100% vested in their accounts. In 2020, the Plan experienced a greater than 20% reduction in active participants due to staffing reductions which were a result of the Coronavirus pandemic. All active participants hired after 2014 are immediately 100% vested in employer contributions and participants hired prior to that date have a 3 year vesting as such. Although a partial plan termination occurred, no changes to vesting of benefits was required. Effective December 31, 2022, the plan was frozen and contributions into the plan are no longer being accepted.

NOTE G | TAX STATUS

The Plan is intended to be qualified under Section 401(a) and tax exempt under Section 501(a) of the Internal Revenue Code (IRC). The Plan adopted a restated non-standardized pre-approve profit sharing plan with an opinion letter dated June 30, 2020. Although the Plan has been amended since receiving the latest determination, the Plan's administrator and the Plan's trustee believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan was delinquent in filing complete Form 5500s and received a notice from the Department of Labor (DOL) dated January 6, 2020, regarding the 2018 filing. The Plan also received oral communication from the DOL regarding the 2018 – 2021 filings that were incomplete. By September 12, 2023, the Plan had completed the filings for the years 2018 – 2021. The Plan also received a notice from the DOL dated July 10, 2023 that an investigation of the Plan has been opened. The Plan received a notice from the DOL stating the investigation concluded February 22, 2024. The investigation pertained to the delinquent filings which were filed after notice of the investigation.

NOTE H | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE I | PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Newport Trust Company. Newport Trust Company is the trustee of the Plan. The Newport Group is the recordkeeper of the Plan. These transactions qualify as party-in-interest transactions.
