MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		36247
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒

To the Plan Administrator
TimelyCare 401(k) Plan (f/k/a TimelyMD - 401(k) Plan)
Fort Worth, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of TimelyCare 401(k) Plan (f/k/a TimelyMD - 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statement comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of TimelyCare 401(k) Plan's (f/k/a TimelyMD-401(k) Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of TimelyCare 401(k) Plan (f/k/a TimelyMD - 401(k) Plan) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TimelyCare 401(k) Plan's (f/k/a TimelyMD-401(k) Plan) ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TimelyCare 401(k) Plan's (f/k/a TimelyMD-401(k) Plan) internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TimelyCare 401(k) Plan's (f/k/a TimelyMD-401(k) Plan) ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule delinquent contributions for the year ended December 31, 2023, and of assets (held at end of year) as of December 31, 2023, (collectively the "supplemental schedules") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on the 2022 Financial Statements

Plan management is responsible for the accompanying 2022 financial statement of TimelyCare 401(k) Plan (f/k/a TimelyMD - 401(k) Plan), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2022 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion nor provide any form of assurance on these financial statements as of December 31, 2022.

Notes to Financial Statements
December 31, 2023 (Audited) and December 31, 2022 (Compiled)

1. DESCRIPTION OF THE PLAN

The following description of the TimelyCare 401(k) Plan (f/k/a TimelyMD-401(k) Plan) (the "Plan") provides only general information. Participants should refer to the Plan documents for a more comprehensive description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by Timely Telehealth, LLC (the "Company", "Plan Sponsor", or "Employer"), was established effective January 1, 2020. The Plan was most recently restated effective March 1, 2023, and is designed to comply with Section 401(a) and related provisions of the Internal Revenue Code (IRC). As part of the restatement, the name of the Plan was changed from TimelyMD-401(k) to TimelyCare 401(k) Plan. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination of employment, or financial hardship. The Plan covers substantially all employees of the Company and its affiliate Telehealth Physicians Network, PLLC, who meet certain eligibility requirements and is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent amendments.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first Plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Trustee services are provided by Charles Schwab Trust Bank (the "Trustee"), while recordkeeping services are performed by Newport Retirement Services (the "Recordkeeper"). The Trustee is responsible for the custody and management of the Plan's assets while the Recordkeeper manages participants' accounts and related transactions.

Notes to Financial Statements
December 31, 2023 (Audited) and December 31, 2022 (Compiled)

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

All employees of the Company are eligible to participate in the Plan immediately after 30 days of employment and attainment of age 21, except for any part-time, temporary, or seasonal employees, or employees with fewer than 1,000 hours of service; union employees, nonresident aliens, and leased employees. Eligible employees may enter the Plan on the first day of the month coincident with or next following the date the requirements are met. Prior to January 1, 2023, the service requirement for eligibility to participate in the Plan was six months of service and entry dates were the first day of the month coincident with or next following the date the requirements were met.

Contributions

Participants may elect to contribute through payroll deductions amounts up to 100% of their annual eligible compensation, as defined by the Plan, on a pre-tax or after-tax (as Roth contributions) basis, up to a maximum amount allowed by the IRC, which was \$22,500 for 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the IRC limit, which was \$7,500 for 2023. Unless otherwise elected by the participant, all eligible employees are automatically enrolled in the Plan at a pre-tax deferral rate of 2% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified employer-sponsored retirement plans or individual retirement accounts (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary Employer matching contributions and discretionary nonelective Employer contributions. The Company made discretionary Employer matching contributions equal to 100% of the participant's elective deferrals up to 3% and 50% of the participant's elective deferrals exceeding 3% up to 5%, not to exceed 4% of their eligible compensation, totaling \$746,249 for the year ended December 31, 2023. The Company did not make any discretionary nonelective Employer contributions for the year ended December 31, 2023.

Participant accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, rollovers, allocations of the Company's contributions, if any, and investment earnings and charged with an allocation of investment losses and administrative expenses not paid directly by the Company. Allocations of investment earnings are based strictly on the participant's selection of investments and timing of purchase. Other allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are vested immediately in their contributions and rollovers, plus actual earnings thereon. As of March 31, 2023, discretionary Employer matching contributions are vested immediately. Prior to March 31, 2023, discretionary Employer matching contributions were subject to same vesting schedule as the discretionary nonelective Employer contributions.

The vesting schedule for the discretionary nonelective Employer contributions is as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Participants become fully vested in discretionary nonelective Employer contributions if the participant incurs severance from employment from the Employer as a result of full and permanent disability or death.

Payment of benefits

Distributions and withdrawals are payable to participants upon retirement, termination of employment, attainment of age 59 ½, financial hardship, disability, or death. Normal retirement age is 65 years. If the participant's vested account balance is equal to or less than \$5,000 upon termination, the balance will be rolled over to individual retirement account designated by the plan administrator immediately if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified benefit plan. Prior to March 1, 2023, if the participant's vested account balance was equal to or less than \$5,000 upon termination, the balance was paid in a lump-sum cash payment immediately if the participant had not requested a direct rollover into another qualified benefit plan. If the account balance is over \$5,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, or postpone payment to a later date and remain in the Plan as described in the plan documents.

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participants may borrow against their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable (or "loans") terms are generally five years or less, but may exceed five years if the purpose of the loan is to purchase a principal residence. Participants may only have one loan outstanding at any time. The notes receivable are secured by the remaining balance in the participant's account and bear interest determined by the Plan administrator based on the prevailing interest rates. Interest rates ranged from 10.00% to 10.50% as of December 31, 2023. Notes receivable from participants mature at various dates through November 2028.

Forfeitures

The Plan provides that forfeited unvested account balances can be used to offset Employer contributions or pay administrative expenses. At December 31, 2023, forfeited nonvested amounts totaled \$122. There were no forfeited nonvested amounts as of December 31, 2022. During the year ended December 31, 2023, no forfeitures were used to reduce Employer contributions or pay administrative expenses.

Administrative expenses

Certain administrative expenses of the Plan, including recordkeeping and audit fees, were paid directly by the Company for the year ended December 31, 2023. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan and impact Plan earnings.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and the disclosure of contingent liabilities. Actual results may differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. Company discretionary matching and nonelective contributions, if any, are recorded in the year they are earned and coincide with year in which the Company records the contributions in its general ledger. The Plan records receivables for contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions are recorded when they are received by the Trustee.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses was recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Delinquent participant loans are recorded as deemed distributions based upon the terms of the Plan documents.

Administrative expenses

Administrative expenses are recorded when incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through October 10, 2024, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Trustee, determined to be a qualified institution by the Plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule of assets (held at end of year). The Trustee has certified that the following data included in the financial statements is complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023.
- Net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2023

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of fair value hierarchy are as follows:

- Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the plan has the ability to access.

Notes to Financial Statements
December 31, 2023 (Audited) and December 31, 2022 (Compiled)

4. FAIR VALUE MEASUREMENTS (continued)

- Level 2 - inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Money market, exchange-traded, and mutual funds - Valued at the daily closing price as reported on an open exchange. Such funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual and money market funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. RELATED PARTY AND PARTY-IN-INTEREST

ERISA defines parties-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management identified related parties to the Plan that were also considered to be parties-in-interest.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Plan Sponsor pays certain fees on behalf of the Plan. The Plan is not required to reimburse the Company for fees on its behalf.

The Trustee retains as compensation, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are owned and managed by the Trustee or their affiliates, therefore, these investment transactions qualify as exempt party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. TAX STATUS

The Plan has adopted the TD Ameritrade Trust Company's Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan. The Internal Revenue Service has issued an opinion letter dated June 30, 2020, stating that the Plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.
