INDEPENDENT AUDITOR'S REPORT

To the Trustee
Great Lakes Physician, P.C. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Great Lakes Physician, P.C. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2023, and (2) Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREAT LAKES PHYSICIAN, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Great Lakes Physician, P.C. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by Great Lakes Physicians, P.C. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustee is responsible for oversight of the Plan. The Trustee determines the appropriateness of the Plan's investment offerings, and monitors investment performance. Lawley Retirement Advisors, LLC serves as the Plan's ERISA 3(21) Investment Advisor.

Eligibility:

Employees of the Company are eligible to participate in the Plan as of January 1st or July 1st after completing one year of service, as defined, and having attained the age of twenty years. Upon a change in employment from an affiliated service group, eligible individuals and their account balances are transferred to the Plan from the Maxim Management Services, LLC 401(k) Profit Sharing Plan.

Contributions:

Participants may make voluntary pre-tax and Roth contributions of their eligible compensation, as defined. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a target date fund until changed by the participant.

The Company makes matching contributions equal to 50% of participant contributions, up to a maximum of 3% of the participant's eligible compensation, as defined by the Plan. The Company may also make a discretionary profit-sharing contribution to the Plan annually to those participants that are employed with the Company on the last day of the Plan year and have 1,000 hours of service during the year. Discretionary contributions to the Plan are allocated to participant accounts based on participant compensation. Discretionary contributions to the Plan amounted to \$1,384,689 and \$1,192,366 for the years ended December 31, 2023 and 2022, respectively.

Contributions are subject to certain limitations of the Internal Revenue Code (the Code). Participants direct the investment of contributions into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Participant accounts:

Each participant's account is credited with the participant's contributions, the Company's matching and discretionary profit-sharing contributions, an allocation of Plan earnings, reduced for benefits paid, and charged directly for loan origination and benefit processing fees, if applicable. Allocations of Plan earnings are based on the investments held by the participant. The benefit to which a participant is entitled is limited to that which can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution and discretionary profit-sharing contribution portion of their accounts is based on years of credited service, as defined. A participant is 25% vested after two years of credited service and an additional 25% for each year, thereafter, so that they are 100% vested after five years of credited service.

Forfeitures:

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$557 and \$-0-, respectively. Forfeitures of nonvested Company contributions are used to pay administrative expenses of the Plan, then if any forfeitures remain, to reduce Company contributions. In 2023 and 2022, forfeitures of terminated nonvested account balances of \$13,742 and \$8,223, respectively, were used to pay Plan expenses or reduce Company contributions.

Payment of benefits:

On termination of employment with the Plan Sponsor, death, disability, or retirement, a participant or a participant's beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments. Distributions are also permitted in the event of financial hardship, as defined by the Plan, and for participants who have attained the age of thirty-three.

Notes receivable from participants:

Participants may borrow from their account a minimum of \$750 up to a maximum loan equal to the lesser of \$50,000 reduced by their highest outstanding loan balance in the preceding year, or 50% of their vested account. A participant may not have more than one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator. Loans must be repaid in at least quarterly installments over a maximum term of five years for personal loans and fifteen years for the purchase of a participant's primary residence. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements have been prepared on the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Trustee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. No liability was required to be recorded at December 31, 2023 and 2022.

Benefits:

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events:

Subsequent events have been evaluated through October 10, 2024, which is the date the financial statements were available to be issued.

Note 3. Information Certified

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Newport Trust Company (Newport), the custodian of the Plan. The Plan Administrator has obtained certifications from Newport that information provided to the Plan Administrator by Newport related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	2023	2022
Investments, at fair value:		
Mutual funds	\$ 38,833,631	\$ 31,628,920
Money market mutual fund	1,861,087	1,570,546
Participant-directed brokerage accounts	767,398	299,840
	<u>\$ 41,462,116</u>	<u>\$ 33,499,306</u>
Participant notes receivable	<u>\$ 115,256</u>	<u>\$ 165,945</u>

Newport also certified to the completeness and accuracy of net appreciation (depreciation) in fair value of investments of \$5,089,257 and (\$7,131,890), dividends of \$1,205,422 and \$999,924 and interest on notes receivable from participants of \$5,564 and \$6,131 for the years ended December 31, 2023 and 2022, respectively.

Certain reclassifications were made to the 2022 statement of changes in net assets available for benefits resulting in differences between the above certified financial information and the corresponding information presented on the 2022 statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Mutual funds: Mutual funds, except for money market mutual fund, are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The funds held by the Plan are deemed to be actively traded.

Money market mutual fund: Valued at the daily closing price as reported by the fund. The money market mutual fund held by the Plan is an open-end mutual fund that is registered with the SEC that generally transact at a stable \$1.00 NAV representing its estimated fair value. On a daily basis the fund's NAV is determined by the fund based on the amortized cost of the fund's underlying investments.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Participant-Directed Brokerage Accounts: Participants have the option of allocating their contributions into a self-directed brokerage account. Through this self-directed brokerage account, the participant has the ability to purchase any publicly traded security including mutual funds, common stocks, corporate bonds and governmental securities. The self-directed brokerage account consists of common stock that is valued at the closing price reported on the active market on which the individual securities are traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 38,833,631	\$ -	\$ -	\$ 38,833,631
Money market mutual fund	-	1,861,087	-	1,861,087
Participant-directed brokerage accounts	767,398	-	-	767,398
	<u>\$ 39,601,029</u>	<u>\$ 1,861,087</u>	<u>\$ -</u>	<u>\$ 41,462,116</u>
	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,628,920	\$ -	\$ -	\$ 31,628,920
Money market mutual fund	-	1,570,546	-	1,570,546
Participant-directed brokerage accounts	299,840	-	-	299,840
	<u>\$ 31,928,760</u>	<u>\$ 1,570,546</u>	<u>\$ -</u>	<u>\$ 33,499,306</u>

Note 5. Plan Termination

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

Note 6. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Angell Pension Group, Inc. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) as to the prototype plan's qualified status dated June 30, 2020. The prototype plan's opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and, other than certain operational errors that the Plan Administrator is in the process of correcting in accordance with the Code, is currently being operated in compliance with the applicable provisions of the Code.

During 2023, 2022, and 2021, the Company inadvertently failed to deposit certain participant deferrals and loan repayments totaling \$66,350 within the required timeframe as stated by the Department of Labor's (DOL) regulations. The Company intends to reimburse the Plan for lost interest and to file Form 5330 and pay the applicable excise tax in 2024.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 7. Party-In-Interest Transactions

A party-in-interest is defined under the DOL's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualifies as party-in-interest transactions.

The Angell Pension Group, Inc. (Angell) is a consultant to the Plan, Newport Group, Inc. (Newport) is the recordkeeper, Newport Trust Company (Newport Trust) is the custodian of the Plan and Lawley Retirement Advisors, LLC (Lawley) provides investment advisory services to the Plan, therefore, transactions with Angell, Newport, Newport Trust and Lawley also qualify as party-in-interest transactions and are reported as administrative expenses.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
