Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of STG Communication Services 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in NOTE D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of STG Communication Services 401(k) Profit Sharing Plan and Trust, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about STG Communication Services 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of STG Communication Services 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about STG Communication Services 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

STG COMMUNICATION SERVICES 401(k) PROFIT SHARING PLAN

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following description of STG Communication Services 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined-contribution plan covering all employees of STG Communication Services, Inc. (the Company) and related companies, including STG Electric Services, LLC. Employees who completed 90 days of service with 250 hours worked are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Under the Plan's provisions, each participant may contribute an amount equal to a dollar amount or percentage of annual pre-tax compensation not to exceed 100% of compensation as defined in the Plan. Participants may also roll over amounts representing distributions from other qualified defined-benefit or contribution plans. The Company may elect to make employer-matching, nonelective or safe harbor contributions. Upon enrollment in the Plan, a participant may direct employee and employer contributions to any of the available investment options. Participants may change their investment options at their discretion. All of the balances of the Plan represent participant-directed investments.

The Company elected to make matching contributions of 50% of the employee deferral up to 6% of eligible wages for the years ended December 31, 2023 and 2022.

Participant accounts - Each participant's account is credited with the participant's contribution, as well as allocations of the Company's employer-matching, nonelective or safe harbor contributions and Plan earnings (losses), as defined. Participant accounts are charged with specific participant transaction fees. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Vesting - Vesting in participants' accounts relating to the employer-matching contributions are based on years of continuous service. A participant is vested in employer-matching contributions based on the following graded schedule: 20% after two years, 40% after three years, 60% after four years, 80% after five years and 100% after six years of credited service. Participants are immediately vested in their deferrals and contributions rolled over from other qualified defined-benefit or contribution plans, plus actual earnings thereon. Each 12-month period for which the employee has at least 1,000 hours of service is treated as a year of service for vesting purposes.

Payment of benefits - Upon termination of service, a participant will be entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Benefits are recorded when paid. Loans are not permitted by the Plan.

Forfeited accounts - For the years ended December 31, 2023 and 2022, forfeited nonvested accounts totaled \$64 and \$18, respectively. Company contributions which are forfeited may be allocated to participants, used to pay administrative expenses, restore amounts previously forfeited by former participants who have resumed participation in the Plan or reduce Company contributions. During the years ended December 31, 2023 and 2022, Company contributions were reduced by \$815 and \$0 respectively. In addition, during each of the years ended December 31, 2023 and 2022, Plan expenses of \$2,427 and \$0 were paid from the forfeiture account, respectively.

STG COMMUNICATION SERVICES 401(k) PROFIT SHARING PLAN

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Reclassifications - The plan has reclassified the presentation of certain prior-year information to conform with the current presentation format.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates and subsequent events - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparing the financial statements, including estimates and disclosures, the Plan Administrator has considered the effects of subsequent events through October 10, 2024—the date the financial statements were available to be issued.

Investment valuation and income recognition - The Plan's investments are stated at fair value as of December 31, 2023 and 2022. The shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants and the measurement date. See NOTE C for a discussion of fair value. Common collective trusts are valued at the net asset value as a practical expedient of the units held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation includes the Plan's realized gains and losses on investments sold, and unrealized losses on investments held during the year. Dividends are recorded on the ex-dividend date and are included in net depreciation in fair value of investments.

NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of significant observable inputs other than quoted prices for identical assets.
- Level 3 inputs consist of significant unobservable inputs that are not corroborated by market data and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used.

STG COMMUNICATION SERVICES 401(k) PROFIT SHARING PLAN

December 31, 2023 and 2022

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Investments Measured at Net Asset Value (NAV) as a Practical Expedient

Common/Collective trust - Reliance Trust Stable Value MetLife Series 25053 Fund

This investment is valued at the net asset value of the units held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value. There were no unfunded commitments at December 31, 2023 and 2022. The redemption of the units is not restricted. Participants may withdraw or redirect from the fund daily, as permitted by the Plan.

The Plan's investments are reported at fair value on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, as follows:

NOTE D - INVESTMENTS

Unaudited information certified by the Plan custodian - The December 31, 2023 and 2022, statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodian, Matrix Trust Company, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes assets of \$1,980,439 and \$1,475,651 at December 31, 2023 and 2022, respectively, and related investment income (loss) of \$277,885 and \$(318,520) for the years ended December 31, 2023 and 2022, respectively.

NOTE E - ADMINISTRATION OF PLAN ASSETS, EXPENSES AND RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

STG Communication Services, Inc. provides to the Plan certain accounting and administrative services for which no fees are charged. Other administrative expenses are paid directly by STG Communication Services, Inc. or are paid directly from Plan assets. Investment-related expenses are included in net depreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits. Participants' distribution fees are paid by the respective participant.

NOTE F - TAX STATUS

The Plan has not applied for a determination letter; however, the Non-Standardized Plan Document has received an acceptable opinion letter dated June 30, 2020, from the Internal Revenue Service. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.
