The Plan Administrator
AMC Networks 401(k) Savings Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of AMC Networks 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the 2023 Financial Statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2023 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying 2023 Financial Statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2023 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2023 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2023 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the 2023 Financial Statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 Financial Statements or to the 2023 Financial Statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the 2022 Financial Statements

The financial statements of the Plan as of December 31, 2022 (2022 Financial Statements) were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 5, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 1. Description of Plan

The following description of the AMC Networks 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a 401(k) defined contribution plan for the benefit of employees of AMC Networks Inc. ("AMC Networks," the "Company" or "Employer"). The Plan was adopted effective June 28, 2013. The Plan Sponsor is Rainbow Media Holdings LLC, a direct wholly-owned subsidiary of AMC Networks. The Plan covers several affiliated companies of the Plan Sponsor and is intended to constitute a multiple employer plan. The Plan generally covers full-time employees, however, certain groups of part-time employees can participate after attaining the age of 21 and completing 1,000 hours of service in a twelve month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Investment assets of the Plan are maintained under a trust agreement with Fidelity Management Trust Company (the "Trustee") and the Plan's recordkeeping administrative services are provided by Fidelity Investments, (collectively, "Fidelity"). All investment and participant loan transactions are executed by Fidelity at the direction of and for the exclusive benefit of participants under the Plan.

(b) Participant Accounts

Each participant's share of the Plan's assets is recorded in an account established for that participant. Each participant's account is credited with the participant's contributions, if any, and the participant's share of the Company's contributions, adjusted to reflect income, gains and losses realized and net appreciation or depreciation in the value of the Plan's assets. All contributions are invested based on participant direction, or in the absence of participant direction, in accordance with the Plan's designated qualified default investment alternative ("QDIA"). The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to divide their contributions or initiate a transfer among the investment fund options in whole increments of 1%, subject to certain restrictions. An eligible participant may elect to suspend or resume his or her contributions, subject to the Plan's notice requirements. Changes requested by participants are implemented as soon as administratively practicable, in accordance with the Plan document.

(c) Contributions

Each year, employees may contribute up to 50% of their eligible compensation (25% for employees with eligible compensation in excess of \$150,000 for the plan year ended December 31, 2023), as defined in the Plan, on a combined pre-tax and Roth after-tax basis up to the Internal Revenue Service ("IRS") limit, which was \$22,500 for the plan year ended December 31, 2023. Employees may also contribute up to 10% of their eligible compensation in regular after-tax contributions and amounts representing eligible rollover distributions from other qualified plans. Participants may direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 100% of the first 3% and 50% of the next 2% of eligible base compensation that a participant contributes to the Plan on a pre-tax or Roth after-tax basis. Beginning in the plan year in which an employee turns age 50, they may elect to make additional catch-up contributions subject to the annual limit of \$7,500 for the plan year ended December 31, 2023. Total annual contributions (employee and employer) allocated to the participant's account cannot exceed the lesser of (a) 100% of participant's compensation for the plan year or (b) \$66,000 for the plan year ended December 31, 2023 (\$73,500 including catch-up contributions). Contributions are subject to certain other limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. A newly hired or rehired full-time employee is automatically enrolled in the Plan at a default pretax contribution rate of 5%, beginning with the first pay period 45 days after the employees first day of employment (or rehire), with all contributions invested in the Plan's QDIA until changed by the participant. Employees may elect to participate at a different rate or opt out of the Plan and their future contribution rates will be adjusted as soon as practicable although contributions already made to the Plan will not be refunded.

In addition to the matching contribution, the Company may make a discretionary non-elective contribution. The Company did not make any discretionary contributions for the plan years ended December 31, 2023 or 2022. Contributions are subject to certain IRS limitations.

**AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

(d) *Rollovers and Transfers*

The Plan permits participants to have their interests in other qualified plans rolled over to the Plan or to make rollover contributions into the Plan from a conduit individual retirement account, which holds amounts attributable solely to a rollover from another qualified plan. In addition, the Plan permits for direct transfers of participant accounts for employees in businesses that were acquired by the Company. Such transfers or rollovers to the Plan may only be made with the approval of the Plan administrator and do not affect any other contributions made by or on behalf of a participant. Rollovers into the Plan amounted to \$482,594 for the year ended December 31, 2023.

(e) *Forfeited Accounts*

Upon a participant's separation from service, any unvested amounts are subject to forfeiture in accordance with Plan rules. Forfeitures are used primarily to reduce employer contributions, although the Plan does permit payment of Plan administrative expenses with available forfeited amounts. Forfeited amounts will be restored to a participant's account only if the participant is rehired prior to achieving a five-year break in service and repays any portion of the distribution not attributable to employee contributions or rollover contributions. For the year ended December 31, 2023, employer contributions were reduced by forfeitures in the amount of \$197,817. At December 31, 2023 and 2022, forfeitures totaled \$4,256 and \$17,868, respectively. The forfeiture balance at December 31, 2023 will be used to reduce future employer contributions or to pay administrative expenses.

(f) *Vesting*

Participants immediately vest in their contributions, the Company's matching contributions, and any qualified non-elective contributions (as defined in the Plan), plus actual earnings thereon. Participants vest in employer non-elective contributions (not designated as qualified), as defined in the Plan, upon the completion of three years of service.

(g) *Payment of Benefits*

Upon attaining the age of 59 1/2, death, or separating from service, a participant's vested interest in the Plan becomes payable to the participant (or his or her assigned beneficiary in the case of death). A participant may elect to receive benefit payments in annual installments of up to 15 years, a lump-sum amount or as a direct rollover contribution to an Individual Retirement Account ("IRA") or an eligible retirement plan of all or part of the payment. Withdrawals prior to attaining normal retirement age are not permitted for current employees except in the event of disability, as a hardship distribution, or certain instances of military service. Upon proof, to the satisfaction of the Plan administrator, and in compliance with the Internal Revenue Code ("IRC"), of an immediate and heavy financial need, amounts contributed may be withdrawn for eligible hardship reasons. Certain income tax penalties may apply to withdrawals or distributions prior to retirement age.

(h) *Notes Receivable from Participants*

Subject to approval by the Plan administrator, participants can have two loans outstanding at one time, a general purpose loan and a home purchase loan, or two general purpose loans. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 (reduced by the participant's highest outstanding loan balance during the preceding 12-month period), or (b) 50% of the vested portion in the participant's account. Such borrowed amounts generally must be repaid (through payroll deductions) within five years (or ten years when it is for the purchase of a principal residence). The loans are secured by the balances in the participant's account and all loans bear interest at a rate fixed by the Plan administrator based on prevailing interest rates charged by persons in the business of lending money for loans or loans which would be made under similar circumstances when the application for the loan is approved. Notes receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Note 2. Summary of Accounting Policies

(a) *Basis of Presentation*

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America ("GAAP"), under the accrual method of accounting.

**AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

(b) *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Shares of mutual funds and common stock are traded on national securities exchanges and are valued at the last reported sales price on the last trading day of the Plan period. Collective trusts are valued at net asset value ("NAV") per share. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year. The Plan's investment assets are not guaranteed as to principal or interest and their values vary depending upon the performance of the underlying investments.

(c) *Payment of Benefits*

Benefits are recorded when paid.

(d) *Use of Estimates*

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan may invest indirectly in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by sub-prime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate values, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan exposure to a concentration of credit risk is limited by the diversification of investments across all participant fund elections. Additionally, the investments within each participant-directed fund elections are further diversified into various financial instruments with the exception of investments in AMC Networks common stock, Madison Square Garden Sports Corp. ("MSG Sports") common stock, Madison Square Garden Entertainment Corp. ("MSG Entertainment") common stock and Sphere Entertainment Co. ("Sphere") common stock that are each invested in the securities of a single issuer.

Note 3. Investments

(a) *Summary of Information Certified by the Trustee (unaudited)*

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information certified by the Trustee as of December 31, 2023 and 2022 and for the year ended December 31, 2023, except for comparing such information to information included in the Plan's financial statements. The Trustee, a qualified institution, has certified to the completeness and accuracy of all investments including notes receivables from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the schedule of assets (held at end of year) as of December 31, 2023 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

**AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

(b) *Registered Investment Company Mutual Funds*

The Plan's investments in registered investment company mutual funds represent the Plan's participation in certain mutual funds whose values are determined by the performance of the underlying investments held by the fund. The Plan's investments in these funds are not guaranteed as to principal or interest and their values vary with the performance of the funds. The registered investment company mutual funds are valued at the quoted market prices, published daily.

(c) *Common Stock*

The Plan maintains investments in AMC Networks Class A common stock, MSG Sports Class A common stock, MSG Entertainment Class A common stock and Sphere Class A common stock whose values are based on a quoted market price. Plan participants may transfer all or any portion of their balance out of these common stock investments and into the various funds offered by the Plan, but they may not direct any contributions or transfer any portion of their balance in the other funds offered by the Plan into these common stock investments.

In April 2023, MSG Entertainment spun off its traditional live entertainment business (the "Spin-Off"), with the existing parent company being renamed Sphere Entertainment Co. and the newly formed live entertainment company taking on the name Madison Square Garden Entertainment Corp. As a result of the Spin-Off, the Plan now holds shares of the Class A common stock of both Madison Square Garden Entertainment Corp. and Sphere Entertainment Co.

(d) *Collective trusts*

At December 31, 2023 and 2022, the GW&K Small Cap Core Fund was available for contribution allocations. Effective August 1, 2023, the Massachusetts Financial Services ("MFS") Institutional Equity Fund changed share class and transitioned from a mutual fund to a collective trust. Both collective trusts are valued at their respective NAV as reported by the underlying funds' financial statements. These are direct filing entities. Refer to Note 4 for further details.

Note 4. Fair Value Measurements

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect a reporting entity's pricing based upon their own market assumptions. The fair value hierarchy consists of the following three levels:

- Level I - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level II - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

All mutual funds and common stocks are actively traded on stock exchanges and are classified as Level I within the fair value hierarchy as of December 31, 2023 and 2022. As noted above, the MFS Institutional Equity Fund changed share class and transitioned from a mutual fund to a collective trust in 2023. Collective trusts are valued at the respective NAV as reported by the underlying funds' financial statements based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value and therefore have not been classified in the fair value hierarchy as of December 31, 2023 and 2022. For

AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

investments measured at NAV, there are no unfunded commitments and investments may be redeemed daily. The redemption notice periods for the MFS Institutional Equity Fund and the GW&K Small Cap Core Fund are ten business days and five business days, respectively. There were no other transfers, reclassifications or changes in valuation methodologies of investments as of and for the year ended December 31, 2023, however, the Dodge & Cox Stock Fund changed share class effective August 1, 2023 and is now traded as a mutual fund under a different ticker symbol.

Note 5. Party-in-Interest Transactions and Plan Administration and Investment Fees

Certain Plan investments are shares of common stock issued by AMC Networks, the Plan Sponsor's parent. As the Plan Sponsor is a subsidiary of the Company, transactions involving purchases and sales of AMC Networks common stock represent party-in-interest transactions.

Certain Plan investments are shares of mutual funds managed by Fidelity. As Fidelity is the trustee and recordkeeper of the Plan, transactions involving purchases and sales of Fidelity managed mutual funds represent party-in-interest transactions.

Certain Plan administration and all investment fees are paid from the assets of the Plan. For active participants, the Company pays a portion of the recordkeeping fees and all fees associated with professional account management services provided by Edelman Financial Engines ("EFE"). Terminated participants are charged for all costs related to recordkeeping and for EFE professional account management services if they choose to remain enrolled in those services following their separation from service with the Company. These costs are deducted automatically from participants' accounts. Participants are also charged for certain transactions, such as the processing of a loan. Other administrative costs, such as investment advisory services, may be paid by the Company or paid from Plan assets. Total fees paid from Plan assets amounted to \$220,602 for the year ended December 31, 2023. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

Investment fees, which include expenses paid to an affiliate of the trustee, are generally paid from the investment funds and reflected in the net appreciation of these investments.

Note 6. Tax Status

The Plan is based on a prototype 401(k) plan, sponsored by Fidelity Management & Research Company LLC ("FMR LLC"). FMR LLC received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants become fully vested in their accounts and the assets of the Plan will be distributed to the participants in accordance with the provisions of the Plan and ERISA.

Note 8. Subsequent Events

The Plan has evaluated events subsequent to December 31, 2023 and through October 11, 2024, the date on which the Plan's financial statements were available to be issued, noting only the following events requiring disclosure.

Effective July 1, 2024, State Street Global Advisors Target Date Collective Investment Funds were added to the Plan as new investment options and as the new QDIA for new hires. Additionally, the Champlain Mid Cap Collective Fund Class M replaced the Hartford Mid Cap HLS Fund Class IA as an investment option in the Plan as of July 1, 2024.
