INDEPENDENT AUDITORS' REPORT

The Trustees
Candlelight Cabinetry 401(k)
Employee Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Candlelight Cabinetry 401(k) Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and

other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of the Candlelight Cabinetry 401(k) Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is sponsored by Candlelight Cabinetry, Inc. (the Company) and was established on January 1, 2003. The Plan was amended and restated on January 1, 2010 to comply with the Economic Growth and Tax Relief Reconciliation Act of 2001. The Plan assets are maintained in an investment trust which are held by John Hancock Life Insurance Company (John Hancock).

(b) Contributions

Participants with three months of service and who are 18 years of age may make a pre-tax contribution of 1% to 100% of compensation up to the maximum allowed by Section 402(g) of the IRC. Participants who attain the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also accepts contributions representing eligible rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer contributions are made by the Company in accordance with the Plan agreement and may be made at different levels for employees in different business divisions or with different job classifications as determined in a non-discriminatory manner. Effective April 1, 2022, the Company matches contributions at a rate of 66% of salary deferrals up to 6%.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) charged with an allocation of investment and administrative expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(k) EMPLOYEE SAVINGS PLAN

(1) Description of Plan, Continued

(d) Vesting

Participants' contributions, plus any investment earnings thereon, are immediately 100% vested and cannot be forfeited for any reason. Participants are 100% vested in the Company's discretionary contributions after three years of service. Vesting in the Company's matching contributions, plus earnings thereon, is based on years of service and is determined as follows:

<u>Years of service</u>	<u>Vested percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

(e) Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may only have one loan outstanding at any time. Loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan administrator at the time of the loan application. Principal and interest is paid ratably through payroll deductions.

(f) Payment of Benefits

Participants (or their beneficiaries) are eligible to receive vested benefits upon retirement, death, disability, or when they cease to be an employee of the Company. In addition, a participant can withdraw all or any portion of his or her vested account balance in the event of financial hardship subject to certain penalties.

(g) Forfeitures

For the years ended December 31, 2023 and 2022, forfeited non-vested contributions amounted to \$21,111 and \$8,167, respectively. Amounts available to be used to reduce future employer contributions or, in the absence of such contributions, offset account administration fees, totaled \$10,727 and \$25,025 at December 31, 2023 and 2022, respectively.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

CANDLELIGHT CABINETRY
401(k) EMPLOYEE SAVINGS PLAN
Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(d) Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(e) Contributions

Contributions from Plan participants and the Company contributions are recorded in the year in which the participants compensation is earned.

(f) Payment of Benefits

Benefits are recorded when paid.

(g) Operating Expenses

Certain operating expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and fees for recordkeeping and other services are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

(h) Subsequent Events

The Plan has evaluated subsequent events through the date of the report which is the date the financial statements were available to be issued.

401(k) EMPLOYEE SAVINGS PLAN

(3) Fair Value Measurements

A framework has been established for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. John Hancock publishes the rates at which they pay interest for the Stable Value Fund. Although there is no secondary market for this fund to compare these rates, John Hancock applies these rates to both new deposits and the calculation of fair value to constitute an active market.

401(k) EMPLOYEE SAVINGS PLAN

(3) Fair Value Measurements, Continued

- Collective investment trusts (CIT) - Valued based on the total return, commonly understood as the combination of income and capital appreciation (depreciation), including interest, capital gains, dividends, and distributions realized over a given period of time. Each portfolio is designed for retirement plan participants who reached retirement age at or near the target date or who have a risk tolerance consistent with the Portfolio's multi-asset strategies. CIT's seek to achieve their objective by investing in other passively and actively managed collective funds. The funds will invest in units of the underlying collective investment funds.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Assets at Fair Value as of December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 822,246	-	-	822,246
Cash	<u>10,727</u>	<u>-</u>	<u>-</u>	<u>10,727</u>
Total assets at fair value	\$ <u>832,973</u>	<u>-</u>	<u>-</u>	832,973
Investment measured at net asset value (a)				<u>6,683,576</u>
				<u>7,516,549</u>

<u>Assets at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,699,604	-	-	6,699,604
Cash	<u>25,025</u>	<u>-</u>	<u>-</u>	<u>25,025</u>
Total assets at fair value	\$ <u>6,724,629</u>	<u>-</u>	<u>-</u>	<u>6,724,629</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments measured at the NAV as a practical expedient are summarized as follows:

	Fair value December 31, <u>2023</u>	Fair value December 31, <u>2022</u>	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Target date funds ^(a)	\$ <u>6,683,576</u>	<u>-</u>	<u>-</u>	Daily	None

- (a) The investment objectives for the target date funds are to invest in a single portfolio with an asset mix that becomes more conservative as the target date nears.

(4) Financial Certification

The financial information relating to the Plan's assets at December 31, 2023 and 2022, as well as investment income (loss) and investment transactions for the years then ended, have been derived from information provided by John Hancock, the Plan custodian, and have been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certifications and has not been audited by independent auditors.

	<u>2023</u>	<u>2022</u>
Investments, at fair value:		
Cash	\$ 10,727	25,025
Mutual funds	822,246	6,699,604
Collective investment trusts	<u>6,683,576</u>	<u>-</u>
	\$ <u>7,516,549</u>	<u>6,724,629</u>
Investment income (loss)	\$ <u>893,751</u>	<u>(1,337,541)</u>

(5) Party-In-Interest Transactions

The Plan's investments are managed by John Hancock, who is the custodian, as defined by the Plan. Therefore, transactions with John Hancock qualify as party-in-interest transactions. Administrative fees paid to John Hancock for the years ended December 31, 2023 and 2022 amounted to \$46,345 and \$43,679, respectively, and are included in net appreciation in fair value of investments.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100% vested in all contributions in their accounts and related income and appreciation, regardless of source.

(7) Tax Status

The Plan is a non-standardized preapproved profit sharing plan and obtained its latest determination letter on June 7, 2021, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

CANDLELIGHT CABINETRY
401(k) EMPLOYEE SAVINGS PLAN
Notes to Financial Statements, Continued

(7) Tax Status, Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions and the Department of Labor; however, there are currently no audits for any tax periods in progress.

(8) Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
