INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Concurrent HRO 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Concurrent HRO 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Concurrent HRO 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described

in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Concurrent HRO 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Concurrent HRO 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Concurrent HRO 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Concurrent HRO 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONCURRENT HRO 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Concurrent HRO 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The purpose of the Plan is to provide future retirement benefits for all eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan offers a 401(k) option to multiple employers. All participating employers of this multiple employer plan have signed co-adoption agreements that enable them to accept or modify the elections of a master plan document to meet their needs. Each company's adopted plan agreement should be referenced by the participants for additional information regarding plan specifications.

Administrator

Concurrent HRO, LLC is the Plan Sponsor. Charles Schwab Trust Bank invests all employee and employer contributions, as well as earnings thereon, pursuant to the terms of the Plan.

Contributions

The Plan allows participants to elect to defer a portion of their compensation up to the maximum amount currently allowed by law, plus any make up contributions as allowed for by the Internal Revenue Service and the plan document. The participating employer may contribute a discretionary percentage of the amount deferred by the employees. The employer may also contribute a discretionary amount determined each year by the participating employer. Contributions are accumulated and invested, as directed by participants, in a trust fund held by the trustee.

Participant Accounts

Each participant's account is credited with an allocation of (a) the participating employer's contribution; (b) the employees' voluntary contributions, transfer contributions, and rollover contributions; (c) forfeitures of terminated participants' non-vested accounts (for those reported in the participating employers' specific co-adoption agreements); and (d) Plan earnings. The accounts are charged for any withdrawals, distributions, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested immediately with respect to employee contributions, rollovers and earnings thereon. Each plan provides vesting of participating employer contributions, see specific plan agreements for service criteria, vesting percentages, and the policies regarding vesting upon termination.

Forfeitures

Participants who terminate their employment and are less than 100% vested in their employer account will forfeit the non-vested portion. Forfeitures are retained in the Plan and may be used to offset future expenses and participating employer contributions. As of December 31, 2023 the balance in the forfeiture account totaled \$30,186. During the year ended December 31, 2023, there was \$76,215 in forfeitures used to pay plan expenses.

CONCURRENT HRO 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Investments

Participants direct the investment of their contributions under options offered by the Plan.

Payment of Vested Benefits

Participants, or their beneficiaries are entitled to receive the entire amount of their interest in the Plan upon retirement, death, total or permanent disability, employment termination reaching the normal retirement age as defined in the Plan. There were no requested distributions that had not been paid as of the plan year end date.

Participant Loans

Participant loans are a Plan option that must be elected by the Co-Adopting employer. The rules are covered in a separate loan application form and promissory note form and loans must be applied for through the plan administrator. The minimum loan amount is \$1,000 and all loans are limited to 50 percent of the Participant's vested account balance, provided such loan does not exceed \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.5%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator.

Plan Termination

Although it has not expressed any intent to do so, the participating employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Administrative Expenses

The Plan pays administrative expenses to the extent that the Plan Sponsor does not pay them. Personnel and facilities of the Plan Sponsor have been used by the Plan for its accounting and other activities at no charge to the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of certain accounting policies followed in the preparation of these financial statements.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments represent the Plan's interest in the fair value of the net assets of mutual funds as determined by the trustee of the Plan, at December 31, 2023. Investment transactions are valued at quoted market prices. Gains and losses on investment transactions are based

CONCURRENT HRO 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

on trade-date basis. Dividend income is recorded on the ex-dividend date. Investment income represents the Plan's pro rata share of the aggregate income of the investments. Investment income also includes net appreciation (depreciation) in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation (depreciation) of those investments.

Mutual Funds

Mutual funds are valued at the market price on the date of the balance sheet. These funds are held and administered by professionally accredited brokerage firms.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Charles Schwab Trust Bank, the trustee of the Plan as of December 31, 2023 and 2022, respectively, have certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2023 to December 31, 2023.

	2023	2022
Statements of Net Assets Available for Benefits:		
Interest in Charles Schwab Trust Bank Mutual Funds	\$31,232,526	\$19,173,762
Interest in Charles Schwab Collective Investment Trust	10,257,405	4,284,106
Interest in Charles Schwab Self-Directed Brokerage Account	204,009	258,312

NOTE 4 - TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the master prototype plan which the Plan adopted has received favorable determination from the IRS. Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. The Plan Administrator is not aware of any action or event that has occurred that might affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan Sponsor would be liable for interest and penalties, if any, related to unrecognized tax benefits. The Plan's Form 5500 filings are subject to examination by the respective taxing authorities, generally for three years after they were filed.

CONCURRENT HRO 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 5 - FAIR VALUE MEASUREMENTS

Generally Accepted Accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Generally Accepted Accounting Principles are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include</p> <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability;• inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of this asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lower level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end. The unit values of the mutual funds are based on significant observable inputs that are based upon quoted market prices for identical assets in an active market and are therefore considered Level 1 investments within the fair value hierarchy.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, common stocks, money market funds, ETFs, corporate bonds, and cash that are valued on the basis of readily determinable market prices.

Collective investment trusts: The MetLife Annuity is a collective investment trust in which units are valued based on the value of assets held in the trust. Since the value is based on observable inputs other than quoted prices, this is considered a Level 2 investment within the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a summary, by major nature and risks class within each level of the fair value hierarchy, of the Plan's investment assets that are measured at fair value on a recurring basis as of December 31, 2023 and 2022:

December 31, 2023	Level 1	Level 2	Level 3	Totals
Mutual funds	\$31,232,526	\$ -0-	\$ -0-	\$ 31,232,526

Total Investments at Fair Value	<u>\$ 19,271,351</u>	<u>\$4,444,829</u>	<u>\$ -0-</u>	<u>\$ 23,716,180</u>

NOTE 6 - CONCENTRATION OF CREDIT RISK

As of December 31, 2023, the Plan had approximately 25% net assets available for Plan benefits in one investment, MetLife 25554 Class Annuity.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable and possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE 8 - FIDELITY BOND

As of December 31, 2023, the Plan was covered by a fidelity bond in the amount of \$500,000.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

For the years ended December 31, 2023 and 2022, parties-in-interest as defined in Section 3(14) of ERISA were paid direct fees for services provided to the plan as follows:

- Charles Schwab Trust Bank: Contract administration, investment brokerage, and custodial services in the amount \$12,905 and \$8,556 respectively.
