INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
the 401(k) Profit-Sharing Plan for Employees
of Community Action Program Committee, Inc.
Pensacola, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 401(k) Profit-Sharing Plan for Employees of Community Action Program Committee, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Board of Directors
401(k) Profit-Sharing Plan for Employees
of Community Action Program Committee, Inc

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the 401(k) Profit-Sharing Plan for Employees of Community Action Program Committee, Inc. (the “Company”) (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of the Company who are eligible to make elective deferrals upon employment and have attained age 18. Substantially all employees who have attained age 18 and completed 12 months with 1,000 hours of service are eligible for employer nonelective contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions:

The Plan provides for the automatic enrollment of eligible participants at a deferral rate of 1% of pre-tax compensation, unless the participants affirmatively elect otherwise. Participants who have attained age 50 by year-end are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefits or defined contribution plans. The Company makes nonelective contributions to the Plan (“employer contribution”) at the rate of 5% of each participant’s compensation. Participants direct the investment of all contributions into various investment options offered by the Plan.

As of November 1, 2021, new and current participants, unless otherwise elected, shall be deemed to have directed the employer to make salary reduction contributions of the first pay period beginning on or after the latest of November 1, 2021, or the entry date that participation in the plan begins, or the date the eligibility requirements are satisfied. The amount contributed on behalf of such participants shall be the nonqualified graduated percentage of 1% of annual compensation increasing by 1% until the third and each subsequent plan year will have a 3% automatic enrollment contribution. No contributions made pursuant to this provision will be treated as Roth Contributions.

Participant Accounts:

Each participant’s account is credited with the participant’s contribution, the employer’s contribution, and an allocation of Plan earnings, and charged with withdrawals and allocations of administrative expenses and Plan losses. Allocations are based on the participant’s account balances and contributions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting:

Participants are immediately 100% vested in their voluntary contributions plus actual earnings thereon. Participants become vested in employer contributions plus actual earnings based on a six year graded vesting schedule. However, participants become 100% vested in employer contributions when they attain the Plan's retirement age or upon disability or death.

Investment Options:

The Plan's investments are held in a group annuity contract administered by the Mutual of America Life Insurance Company ("Mutual of America"). Participants may choose from the general account or a pooled separate account, the Mutual of America Separate Account No. 1, which includes investment options consisting of mutual funds.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount of 50% of the employee deferral account balance. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with prevailing rates. Principal and interest is paid ratably through payroll deductions.

Forfeitures:

Forfeitures of terminated participants' non-vested accounts are used to reduce future employer contributions. During the year ended December 31, 2023, no forfeited non-vested balances were used to offset employer contributions. At December 31, 2023, forfeited non-vested accounts totaled \$5,071. At December 31, 2022, forfeited non-vested accounts totaled \$5,329.

Payment of Benefits:

Distributions to the participants or beneficiaries take place upon the employee's separation of service, retirement, disability, or death. Distributions equal to the value of the participant's vested interest in his or her account will be made in a lump sum amount, in installments, or rolled over into a participant elected individual retirement account or qualified plan. A participant may also request a distribution from his or her elective deferral account in case of hardship as detailed in the Plan provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan. Interest income on notes receivable from participants is recorded when it is earned.

Valuation of Investments and Income Recognition:

The pooled separate account is stated at fair value. The general account is valued at contract value, which represents contributions made under the contract, plus interest at the credited rate, less funds used to purchase annuities and pay administrative expenses charged. See Note 4 for discussion of fair value measurements.

Interest income is recorded as earned. Purchases and sales of investments are accounted for on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Administrative expenses are paid by the Plan or the Company as provided in the Plan document.

Subsequent Events:

Management has evaluated subsequent events through October 11, 2024, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED INFORMATION)

Mutual of America, the custodian of the Plan, holds the Plan's investment assets and executes transactions therein. Financial information relating to the Plan's assets held by the custodian as of December 31, 2023 and 2022, and for the year ended December 31, 2023, is included in the accompanying financial statements and is based on information provided by the custodian. This information, which has not been audited by independent auditors, is summarized below:

	2023	2022
Net Assets:		
Pooled separate account	\$ 3,126,947	\$ 2,686,357
General account	100,221	306,153
Notes receivable from participants	86,895	106,056
	<u>\$ 3,314,063</u>	<u>\$ 3,098,566</u>
Changes in Net Assets:

Interest on funds invested in the general account	1,449	
Interest income on notes receivable from participants	4,700	
	<u>\$ 456,948</u>	

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

**401(k) PROFIT-SHARING PLAN FOR EMPLOYEES OF
COMMUNITY ACTION PROGRAM COMMITTEE, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for financial instruments measured at fair value:

Pooled separate account: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year-end. The NAV is used as a practical expedient to estimate fair value. Participant transactions may occur daily at the reported NAV, with no advance notice requirements.

The following table presents the financial instruments measured at fair value:

	Level 1	Level 2	Level 3	Total
December 31, 2023				
Pooled separate account	\$ 3,126,947	\$ -	\$ -	\$ 3,126,947
December 31, 2022				
Pooled separate account	\$ 2,686,357	\$ -	\$ -	\$ 2,686,357

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - GENERAL ACCOUNT WITH INSURANCE COMPANY

The Plan's group annuity contract includes the General Account of Mutual of America, the insurance carrier for the Plan in addition to the pooled separate account. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Mutual of America. The Plan administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include the General Account of Mutual of America and the Mutual of America Separate Account No. 1, which are managed by Mutual of America. Mutual of America is the custodian for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 7 - INCOME TAX STATUS

Effective January 1, 2022, the Plan was restated through the adoption of a pre-approved plan document (formerly known as a prototype plan) provided by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company received an opinion letter from the Internal Revenue Service ("IRS"), dated November 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. The pre-approved plan document has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer nonelective contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS

During 2023 and 2022, the Company experienced unintentional delays in submitting participant contributions to the Plan totaling \$87,382. During 2023, there was a delay in the automatic enrollment of newly eligible participants, resulting in late contributions amounting to \$6,865. These delinquent contributions constitute prohibited transactions and the Company will contribute to the affected participants' accounts to compensate those participants for potential lost income due to the delays.
