(1) Name: **JONES & ROTH PC**

(2) EIN: **93-0819646**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

To the Plan Administrator and Trustees
Scott Edwards Architecture 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of Scott Edwards Architecture 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Scott Edwards Architecture 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Scott Edwards Architecture 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scott Edwards Architecture 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Scott Edwards Architecture 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2022 Financial Statement

Plan management is responsible for the accompanying 2022 financial statement of Scott Edwards Architecture 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2022. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2022 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2022 financial statement.

SCOTT EDWARDS ARCHITECTURE 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of Scott Edwards Architecture 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established January 1, 2017, is a defined contribution plan covering substantially all employees of Scott Edwards Architecture, LLP (the Employer). There are no age and service requirements for eligibility. Certain employees are not eligible to participate which includes union employees, part-time employees with regularly scheduled service of less than 1,000 hours, temporary employees, seasonal employees, and nonresident aliens who do not receive any earned income from the Employer which constitutes United States source income. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Eligible participants enter the Plan on the day in which they meet the requirements. The Plan's most recent restatement was effective January 1, 2022.

Contributions

Participants may elect annually to contribute pre-tax or after-tax (Roth) contributions up to the maximum percentage allowable by law, limited to the amounts provided by the Internal Revenue Code (IRC). Individuals who attain age 50 by the end of the Plan year may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified plans. These contributions are fully vested at all times. Starting August 1, 2022, the Plan automatically enrolls new participants into the Plan with a 5 percent deferral rate.

The Employer makes a Safe Harbor nonelective contribution of 3 percent of eligible compensation each payroll period. The Employer may also make discretionary employer matching or employer nonelective contributions as elected by the Employer allocated to participants based upon each participant's separate classification.

The Employer made a Safe Harbor nonelective contribution of \$300,809 for the year ended December 31, 2023. The Employer made no discretionary employer contributions for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, and earnings or losses on the participant's account balances. Participant accounts are charged with certain administrative expenses that are not covered by the Employer. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

SCOTT EDWARDS ARCHITECTURE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are vested in their elective contributions, rollover contributions, Safe Harbor matching employer contributions, and discretionary employer contributions, plus actual earnings thereon, at all times.

Notes Receivable from Participants

Participants may borrow from their accounts a maximum of \$50,000 reduced by the excess of the participant's highest outstanding participant loan balance during the one-year period ending on the day before the loan is made or 50 percent of the participant's vested interest in their account. Minimum loan amount will be \$1,000. The loans are secured by the balance in the participant's account and will bear interest of 1 percent above prime interest rate. The loan may have a term of no more than five years unless for primary residence purchase. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, disability, death, or termination, participants (or their beneficiaries) may elect to receive part or all of the vested interest in their accounts by lump-sum, or substantially equal installment payments, in accordance with the appropriate provisions of the Internal Revenue Code (IRC) and applicable state laws. In addition, participants may elect to receive withdrawals of part or all of the interest in their accounts related to prior rollover contributions at any time. In-service withdrawals are allowed at age 59½ from all accounts that are fully vested. Hardship distributions are permitted from all accounts in accordance with plan provisions.

Forfeited Accounts

Certain adjustments to participant accounts may result in forfeitures. These accounts are used to reduce the Plan's future employer contributions. During the year ended December 31, 2023, adjustments related to Safe Harbor employer contributions totaling \$1,565 were used to offset employer contributions. The forfeiture account balance was \$-0- at December 31, 2023.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

SCOTT EDWARDS ARCHITECTURE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan investments are reported at fair value, except for fully benefit-responsive insurance contracts, which are reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional information on fair value measurements. Purchases or sales of securities are recorded on a trade-date basis. Investment and dividend income are recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administration Expenses and Fees

Certain administrative expenses are paid directly by the Employer and are therefore excluded from these financial statements. Certain participant transaction fees are paid from participant accounts. Custodial and other administrative fees are paid from participant accounts. Investment related expenses are included in net change in fair value of investments.

Revenue Sharing

The Plan contains a revenue sharing expense offset arrangement where the Plan is credited an amount as a percentage of assets on a monthly basis which is used to pay investment advisory expenses. \$23,567 was credited to the account and used to pay investment advisory expenses for the years ended December 31, 2023. There was no ending balance in the Plan's revenue sharing account as of December 31, 2023.

Recent Accounting Standard Adopted

On January 1, 2023, the Plan adopted Accounting Standards Update (ASU) 2016-13 Financial Instruments - Credit Losses (Topic 326): *Measurement of Credit Losses on Financial Instruments, and all related amendments* ((Accounting Standards Codification (ASC) 326), which replaced the incurred loss methodology for recognizing credit losses with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology.

SCOTT EDWARDS ARCHITECTURE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Recent Accounting Standard Adopted, continued

CECL requires an estimate of lifetime expected credit losses to be recognized for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts, and for the financial assets to be presented at the net amount expected to be collected on the statements of net assets available for benefits. The financial assets held by the Plan that are subject to ASC 326 are the employer contributions receivable and participant contributions receivable.

The Plan adopted ASC 326 effective January 1, 2023. There was no impact to the financial statements as a result of adopting this standard.

3. Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, America United Life Insurance Company, acting as the custodian for the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the year ended December 31, 2023:

Investments held:

Pooled separate accounts, at fair value	\$9,139,498
Insurance contracts, at contract value	53,614

Notes receivable from participants	16,769
------------------------------------	--------

Investment income:

Net change in fair value of investments	1,410,078
Interest income	88

Interest on notes receivable from participants	961
--	-----

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SCOTT EDWARDS ARCHITECTURE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements, continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Pooled separate accounts: Recorded at fair value based on the stated net asset value (NAV) of the separate account, which is used as a practical expedient to estimate fair value. Participant transactions may occur daily at NAV. Pursuant to ASU 2015-07, *Fair Value Measurements*, the pooled separate accounts measured at NAV have not been classified in the fair value hierarchy. All pooled separate account investments held by the Plan within a group annuity contract and have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

SCOTT EDWARDS ARCHITECTURE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

5. Insurance Contracts

The Plan's investments include a benefit-responsive insurance contract with American United Life Insurance Company (AUL). AUL maintains the contributions in a pooled account (Stable Value Account), which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. All assets in the Stable Value Account are credited with interest using a declared quarterly rate determined by AUL and stated in advance of the coming quarter. There is no specific portfolio of assets in which the stable value fund invests. The credited interest rate is backed by the income received from assets held in AUL's general account. The average interest rate being credited to assets in the Stable Value Account as of December 31, 2023 and 2022, was 0.75 percent and 0.50 percent, respectively. It is not considered a guaranteed interest contract, nor a common/collective trust. Certain events, such as the premature termination of the contract by the Plan, or the termination of the Plan would limit the Plan's ability to transact at contract value with AUL. The Plan Administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with the Plan participants is not probable.

6. Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA. Pension Plan Specialists PC, the sponsor of the volume submitter plan, has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, that the adoption agreement and basic Plan document satisfy Internal Revenue Code (IRC) Section 401. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. Party-in-Interest Transactions

American United Life Insurance Company was the Plan investment custodian for the year ended December 31, 2023; therefore, these investment transactions and related fees qualify as party in interest transactions. During the year ended December 31, 2023, \$669, of recordkeeping fees were paid directly to American United Life Insurance Company from the Plan. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

10. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
