Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements Ingomar Packing Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ingomar Packing Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ingomar Packing Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ingomar Packing Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ingomar Packing Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ingomar Packing Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**INGOMAR PACKING COMPANY
401(K) PROFIT SHARING PLAN**

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1 - Description of Plan:

The following brief description of Ingomar Packing Company 401(k) Profit Sharing Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Ingomar Packing Company 401(k) Profit Sharing Plan covers substantially all employees of Ingomar Packing Company (the Company), the plan sponsor. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Vesting

A participant's vested right in the safe harbor contribution account is 100%. Employees are also 100% vested in employee contributions.

Participant loans

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The maximum duration of loans is five years for general purpose loans, and fifteen years for residential loans. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% - 9.5%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan is reduced, and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits

Upon the attainment of normal retirement age, or in the event of termination of an employee's participation by reason of his death or disability, the full value of his Company contribution account shall become vested and nonforfeitable.

The unvested portion of a participant's Company contribution account shall be forfeited and used to reduce future employer contributions.

Upon retirement or permanent disability, the participant shall receive their portion of the Company contribution account by payment in a lump sum.

Forfeited accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$-0-. These accounts are used to reduce future employer contributions.

Plan expenses

Third party expenses of the Plan are paid by Ingomar Packing Company, LLC.

(continued)

Termination of Plan

The Company shall have the right to amend the Plan by resolution of the Board of Trustees and to amend or cancel any amendments, provided that no amendment shall attempt to cause any of the assets of the Plan to be used for or diverted to purposes other than for the exclusive benefit of participants or their beneficiaries.

In the event the Company elects to terminate the Plan or discontinues operation of its business, the entire interest of the participants shall vest 100% immediately and be nonforfeitable.

Employer contributions

For each year an employee of Ingomar Packing Company participates in the 401(K) Profit Sharing Plan, the Company may, from its net profits or accumulated net profits, make a contribution of such amount as determined in accordance with a resolution of the Board of Directors. The amount of the contribution may not obligate the Company to contribute, for any year, any sums which are estimated to be in excess of the amount which the Company would be permitted to deduct on its Federal income tax return for such year. In no event shall the annual addition to the account of each participant with respect to any given plan year exceed the lesser of the limitation provided by Section 415 of the Internal Revenue Code (\$66,000 and \$61,000) for December 31, 2023 and 2022, respectively), or 25% of each participant's compensation during such year. Additionally, the Company made a nonelective contribution equal to 3% of the employee's compensation for December 31, 2023 and 2022. For the years ended December 31, 2023 and 2022, the Company made net contributions in the amount of \$441,144 and \$424,727, respectively.

Employee contributions

Employees eligible to participate in the plan can contribute up to the maximum amount allowable under Internal Revenue Service codes. Additionally, each employee directs the ratio or fixed amount to be allocated to one of several investment options offered by the Company. All contributions by participants in the 401(k) plan are self-directed and can be invested in various funds offered through Charles Schwab.

Subsequent events

Management has evaluated subsequent events through October 4, 2024, the date on which the financial statements were available to be issued.

NOTE 2 - Summary of significant accounting policies:

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for plan benefits and changes in those assets at current values. The difference between the current value and the cost of the investments is reflected in the statement of changes in net assets available for benefits as appreciation (depreciation) of investments.

Management estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management and the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Federal income taxes

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no significant uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The plan administrator believes it is no longer subject to income tax examinations for the years prior to December 31, 2020.

(continued)

Information certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's Trustee has certified that the following data included in the accompanying financial statements is complete and accurate: (a) investments as shown in the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and (b) investment income as shown in the statements of changes in net assets available for plan benefits for the years ended December 31, 2023 and 2022. The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Concentrations of risk

The Financial Accounting Standards Board requires disclosure in the financial statements relating to concentrations of risk and financial instruments with off-balance-sheet risk. Financial instruments that potentially subject the Plan to concentrations of risk consist of investments.

The Plan has significant amounts of investments which are uninsured and subject to market value fluctuations. The Plan had \$13,018,462 and \$11,044,346 invested for December 31, 2023 and 2022, respectively, subject to this type of risk.

Related party transactions

Certain Plan investments are shares of mutual funds managed by Charles Schwab Bank. Charles Schwab Bank is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Fair value of financial instruments

Unless otherwise indicated, the fair value of all reported assets and liabilities which represent financial instruments (none of which are held for trading purposes) approximates the carrying values of such amounts.

Fair value measurements

The Financial Accounting Standards Board (FASB) has provided a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - Investments:

The Plan's investments are reported at their fair value at the measurement date. The fair value of the investment in mutual funds, common stock and unit investment trusts are based on using quoted market prices in active markets. The Plan Administrator has obtained certification from the Plan Trustee, Charles Schwab Bank in 2023 and 2022, that the information summarized below is complete and accurate. The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022, respectively:

2023	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,790,267	\$ -	\$ -	\$ 11,790,267
Common stock	62,347	-	-	62,347
Unit investment trusts	113,420	-	-	113,420
	<u>\$ 11,966,034</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,966,034</u>

2022	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,540,573	\$ -	\$ -	\$ 9,540,573
Common stock	66,210	-	-	66,210
Unit investment trusts	488,768	-	-	488,768
	<u>\$ 10,095,551</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,095,551</u>

NOTE 4 – Allocation of assets:

Net assets available in the amount of \$3,094,975 and \$3,349,167 at December 31, 2023 and 2022, respectively, have been allocated to the accounts of employees who have withdrawn from the Plan.

NOTE 5 - Plan status:

Each year, plan documents, eligibility tests (ACP and ADP tests) 5500's, etc., are all prepared by a third-party administrator as required by the Internal Revenue Service (IRS). The Plan has applied for a determination letter from the IRS and received an acceptance letter stating that their Plan is qualified under the Internal Revenue Code.

The Plan obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes the Plan is qualified and the related trust is tax-exempt as of December 31, 2023 and 2022.

NOTE 6 – Investment contract with insurance company:

The Plan uses Standard Insurance as its third party administrators and invests plan assets with them. With respect to the Standard Stable Option Fund, the Plan has entered into a fully benefit-responsive contract with Standard Insurance Company (Standard). Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Standard Stable Option Fund investment choices are not considered a guaranteed interest contract and there are no stated minimum or maximum interest rates. Contract charges may reduce this return.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is included on the statement of net assets available for benefits at contract value.

Contract value as reported by the Plan by Standard Insurance Company, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment at December 31, 2023 and 2022, was \$1,052,428 and \$948,795, respectively. The average yield and crediting interest rates was approximately 2.78% and 2.23% for 2023 and 2022, respectively. The crediting interest rate is based on a formula taking into consideration a number of factors.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.
