(2) EIN: 48-0882363

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒

The Board of Trustees
The Capper Foundation Retirement Plan

Scope and Nature of the ERISA 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Capper Foundation Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Capper Foundation Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Capper Foundation Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Capper Foundation Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Capper Foundation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Capper Foundation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Independent Auditor's Report

Supplemental Schedule Required by ERISA

The supplemental schedule (modified cash basis) of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE CAPPER FOUNDATION RETIREMENT PLAN

Notes to the Financial Statements December 31, 2023 and 2022

1. Description of the Plan

The following description of The Capper Foundation Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of The Capper Foundation (the Organization) who have completed four consecutive months of employment and are age 18 or older. Effective April 15, 2023, the Plan was amended to cover all employees of the Organization who have completed three consecutive months of employment and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Organization's board of trustees is responsible for oversight of the Plan. The board fiscal committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the board of trustees.

Contributions

Each year participants may contribute a portion of their annual compensation as pretax 401(k) deferrals and/or Roth 401(k) deferrals, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contribution into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Effective April 15, 2023, the Plan added an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in designated target funds until changed by the participant.

The Plan allows for discretionary profit sharing and employer match contributions each year. The board of trustees approved an employer match contribution of 100% of the participant's deferral up to 4.0% of compensation in 2023 and 2022, totaling \$122,940 and \$83,918 for the years ended December 31, 2023 and 2022, respectively. Employer contributions are paid into the Plan in the year following approval. To be eligible for the employer's contribution, a participant must have completed three consecutive months of employment. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer match contributions, allocation of the Organization's discretionary contribution and plan earnings (losses) and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant becomes fully vested, regardless of the years of service, upon attainment of retirement age or due to total and permanent disability or death.

THE CAPPER FOUNDATION RETIREMENT PLAN

Notes to the Financial Statements December 31, 2023 and 2022

1. Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is lower. The loan is secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

The Plan provides for payment of benefits upon death, disability, retirement, or termination of employment. A separated participant with a vested balance exceeding \$5,000 may elect to receive a lump-sum distribution, to receive a partial withdrawal, or to receive their balance in installments. If a separated participant has a vested balance that does not exceed \$5,000, they will receive a lump-sum distribution rather than receiving installments.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$326 and \$0, respectively. Forfeited balances are used to reduce future employer contributions. Employer contributions were reduced by \$0 from forfeited nonvested accounts in 2023 and 2022.

Plan Amendments

Effective April 15, 2023, the Plan was amended as follows:

- Employees of the Organization are eligible for pre-tax and/or Roth 401(k) deferrals, discretionary profit sharing, and employer match contributions after completing three months of service.
- The Plan entry date for all contribution types was modified to be the date an employee satisfies the eligibility requirement.
- An automatic salary deferral feature was added to the Plan. Upon completion of eligibility requirements, a pre-tax 401(k) employee deferral of 2% will go be automatically withheld each payroll period, unless an employee makes an affirmative election otherwise. The automatic deferral provisions apply to all participants, except those who have a salary deferral agreement in effect as of April 15, 2023.

SECURE Act 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE Act 2.0." These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, finding ways for them to accumulate more assets, and then ensuring they get connected with those assets when retirement comes. Plan management is monitoring the SECURE Act 2.0 provisions, which begin to go into effect during the Plan year 2024 and beyond.

THE CAPPER FOUNDATION RETIREMENT PLAN

Notes to the Financial Statements December 31, 2023 and 2022

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting. The modified cash basis is used for the Plan's financial reporting under ERISA. The modified cash basis of accounting adopted by the Plan differs from the accrual basis in that revenues, except for unrealized gains and losses on investments, are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. Gains and losses on investments are recognized as revenue or expense whenever fluctuations in the market value occur.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Organization's board fiscal committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

3. Information Prepared and Certified by the Plan's Custodian

Certain information related to the investments disclosed in the accompanying financial statements was obtained or derived from information supplied by the Plan administrator and certified as complete and accurate by Matrix Trust Company, LLC, the custodian.

The following table presents the values of the Plan's noninterest bearing cash and investments at December 31, as certified by the custodian:

	<u>2023</u>	<u>2022</u>
Noninterest bearing cash	\$ -	\$ 8,433
Investments:		
Money market account	14,560	14,240
Mutual funds	<u>2,445,548</u>	<u>2,574,658</u>
Total investments	<u>2,460,108</u>	<u>2,588,898</u>
Total noninterest bearing cash and investments	<u>\$ 2,460,108</u>	<u>\$ 2,597,331</u>

The custodian also certified the completeness and accuracy of the following investment activity for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Net appreciation (depreciation) in fair value of investments	\$ 344,275	\$ (649,251)
Dividends and interest	<u>60,537</u>	<u>139,769</u>
Total investment income (loss)	<u>\$ 404,812</u>	<u>\$ (509,482)</u>

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

THE CAPPER FOUNDATION RETIREMENT PLAN

Notes to the Financial Statements December 31, 2023 and 2022

4. **Fair Value Measurements** (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

- *Money market account* – Money market fund whose stated objective is to maintain a \$1 net asset value.
- *Mutual funds* – Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Money market account	\$ 14,560	\$ -	\$ -	\$ 14,560
Mutual funds	<u>2,445,548</u>	<u>-</u>	<u>-</u>	<u>2,445,548</u>
Total investments at fair value	<u>\$ 2,460,108</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,460,108</u>
	2022			
	Level 1	Level 2	Level 3	Total
Money market account	\$ 14,240	\$ -	\$ -	\$ 14,240
Mutual funds	<u>2,574,658</u>	<u>-</u>	<u>-</u>	<u>2,574,658</u>
Total investments at fair value	<u>\$ 2,588,898</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,588,898</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2023 and 2022, there were no significant transfers in or out of Levels 1, 2 or 3.

Notes to the Financial Statements December 31, 2023 and 2022

5. Party-in-Interest Transactions

Plan loans are managed by CUNA Mutual Retirement Solutions (CUNA). Fees paid to CUNA are included in administrative expenses. CUNA is the recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Additionally, notes receivable from participants are managed by CUNA and are considered party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

7. Tax Status

The Company adopted a Volume Submitter Profit Sharing Plan with CODA (cash or deferred arrangement) which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has since been amended. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

9. Subsequent Events

The Plan has assessed subsequent events through October 7, 2024, the date that the financial statements were available to be issued,
