INDEPENDENT AUDITORS' REPORT

Plan Trustees and Plan Administrator
Section 403(b) Retirement Plan for
Community Action Resource & Development, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Section 403(b) Retirement Plan for Community Action Resource & Development, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Mutual of America Financial Group ("MOA") and Mid Atlantic Trust Company ("MATC"), as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SECTION 403(b) RETIREMENT PLAN FOR
COMMUNITY ACTION RESOURCE & DEVELOPMENT, INC.**

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) PLAN DESCRIPTION

The following description of the Section 403(b) Retirement Plan for Community Action Resource & Development, Inc. (the "Plan") provides only general information. Community Action Resource & Development, Inc. (the "Employer") is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code (IRC). Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

On October 1, 1996, the Employer adopted a pension plan in the form of a tax-sheltered annuity plan in accordance with Section 403(b) of the IRC. Full-time employees at least 21 years of age and who work at least 20 hours per week are eligible to contribute to the Plan. Participants are eligible for employer matching contributions upon completion of one year of service, defined as 1,000 hours during the first year of employment or any subsequent plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Mutual of America Financial Group ("MOA") and Mid Atlantic Trust Company ("MATC") are the custodians of the Plan. The Plan was restated effective August 1, 2022.

Contributions

Upon eligibility, employees are automatically enrolled into the Plan with a 4% deferral percentage, unless the employee signs a waiver to decline enrollment before eligibility is reached. Participants may make salary deferrals of a minimum 4% up to 100% of a participant's eligible compensation, subject to the maximum permitted under the IRC. Participants who have attained age 50 before the end of the plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Employer matches the participant's contribution up to 10% of compensation.

Participant Investment Options

Upon enrollment in the Plan, a participant may direct contributions to a selection of pooled separate investment accounts with MATC. Participants may change the allocation of their account in the different funds and other investments at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See Independent Auditors' Report.

**SECTION 403(b) RETIREMENT PLAN FOR
COMMUNITY ACTION RESOURCE & DEVELOPMENT, INC.**

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) PLAN DESCRIPTION, CONTINUED

Payment of Benefits

Prior to a participant's separation from service, the participant's account balance shall be available for distribution in the event of hardship, attaining age 59½, or attaining normal retirement age. Upon termination of employment, death, or disability, participants may elect to receive their account balances in the form of a lump sum, installment payments, or annuity payments. At December 31, 2023, the Plan held approximately \$1,571,000 for vested participants who were no longer employed by the Employer.

As of December 31, 2023 and 2022, there were no unpaid vested benefits to participants who had requested withdrawal of his/her account.

Vesting

Effective August 1, 2022, participants are immediately 100% vested in their voluntary and employer matching contributions.

Note Receivable from Participants

Effective August 1, 2022, participants may borrow directly from the Plan a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 100% of their vested account balance. The loans are secured by the balance in the participants' accounts with interest at a fixed rate equal to the Wall Street Journal Prime Rate plus 1% at the date of origination of the loan. Principal and interest are paid ratably through biweekly payroll deductions. Upon termination, retirement, or death, any outstanding loan balance is converted to a distribution.

In the event of default, loan balances are considered a taxable deemed distribution. As of December 31, 2023 and 2022, the Plan had no principal balances of loans in default.

Forfeitures

Effective August 1, 2022, participants are immediately 100% vested in their voluntary and employer matching contributions and therefore are not subject to forfeiture. For employer contributions made prior to August 1, 2022, the participant becomes 20% vested in the employer contributed portion of the account after 2 years of service, as defined, and continues to vest at a rate of 20% for each year of service until 100% vested after 6 years of service. At December 31, 2023 and 2022, unallocated forfeitures amounted to approximately \$76,000 and \$72,000, respectively.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States.

See Independent Auditors' Report.

**SECTION 403(b) RETIREMENT PLAN FOR
COMMUNITY ACTION RESOURCE & DEVELOPMENT, INC.**

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) PLAN DESCRIPTION, CONTINUED

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2023 and 2022, there were no benefits processed and approved for payment but not paid.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Expenses

Certain expenses to maintain the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to benefit payments are charged directly to the participant's account and are included in administrative expenses.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through October 10, 2024, the date which the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

See Independent Auditors' Report.

(3) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair values of its assets and liabilities.

The asset's or the liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Pooled Separate Accounts

Investments represented by a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using net asset value (NAV) per share. The NAV is based upon the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAVs of the underlying investments are quoted in an active market.

See Independent Auditors' Report.

(3) FAIR VALUE MEASUREMENTS, CONTINUED

The following tables set forth the fair value of the Plan's investments by category within the fair value hierarchy, if applicable, as of December 31:

		Fair Value Measurements at Reporting Date Using		
	Assets Measured at <u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets <u>(Level 1)</u>	Significant Other Observable Inputs <u>(Level 2)</u>	Significant Unobservable Inputs <u>(Level 3)</u>

*In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

See Independent Auditors' Report.

(3) FAIR VALUE MEASUREMENTS, CONTINUED

The Plan had no assets measured at fair value on a recurring basis that were transferred into or out of Level 3 for the years ended December 31, 2023 or 2022. The Plan had no purchases, sales, or issues of Level 3 assets for the years ended December 31, 2023 or 2022.

The following table sets forth additional disclosures of the Plan's investments for which the fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. The notice period is not applicable to plan participants.

(4) INFORMATION CERTIFIED BY PLAN CUSTODIANS

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Investments and notes receivable from participants as shown in the statements of net assets available for plan benefits as of December 31, 2023 and 2022.
- Investment activity (net appreciation in fair value of investments, dividends, and interest) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2023.
- Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

See Independent Auditors' Report.

COMMUNITY ACTION RESOURCE & DEVELOPMENT, INC.**

(5) RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2023 and 2022, Plan investments represent shares of pooled separate accounts managed by MATC. MATC is the custodian of the plan investments and therefore these transactions qualify as party-in-interest transactions. Fees paid during the year for administrative services rendered by parties-in-interest were based on customary and reasonable rates for such services. Certain legal, accounting, and administrative expenses relating to the maintenance of the Plan are paid by the Employer.

(6) PLAN TERMINATION

Upon termination of the Plan, each participant is entitled to his or her vested benefits, to be distributed in accordance with the Plan. Upon such termination of the Plan, the interest of each participant in the Plan will be distributed to such participant or the participant's beneficiary at the time prescribed by plan terms and the IRC. Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(7) INCOME TAX STATUS

The Plan's terms have been drafted in reliance on the sample language provided by the Internal Revenue Service (IRS). MOA's specimen 403(b) Plan Document was modified and submitted to the IRS for approval as a prototype plan. MOA received an opinion letter for the modified plan document in 2017.

The Plan is required to operate in conformity with the IRC to maintain the exclusion from tax for Plan participants. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements. The Plan and the Plan's Form 5500 "Annual Return/Report of Employee Benefit Plan" are subject to examination by the IRS, generally for 3 years after they are filed. There are currently no audits or examinations in progress.

(8) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities through the pooled separate accounts. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for plan benefits.

See Independent Auditors' Report.
