Independent Auditor's Report

To the Plan Administrator
The Isabella Stewart Gardner Museum 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Isabella Stewart Gardner Museum 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE ISABELLA STEWART GARDNER MUSEUM 403(b) PLAN

Notes to Financial Statements

Note A - Description of Plan

The following description of The Isabella Stewart Gardner Museum 403(b) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of The Isabella Stewart Gardner Museum (“Employer” or “Plan Administrator”). The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment options and monitors investment performance. Employees are eligible to participate upon commencement of employment. The Plan was originally adopted by the Employer on July 1, 2006, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

SECURE ACT 2.0

In December 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan documents accordingly. Certain provisions will become effective in 2024, and thereafter. Accordingly, there was no material impact to the Plan’s 2023 financial statements.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Service (“IRS”) limitations. Participants may make Roth 401(k) contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make additional “catch-up” contributions not to exceed \$7,500. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans into the Plan. For each Plan year, the Employer may contribute a discretionary non-elective and/or matching employer contribution on behalf of eligible participants. Employees must complete one year of service to be eligible for Employer contributions.

For the year ended December 31, 2023, the Employer made discretionary matching contributions equal to 50% of the participant’s contribution not exceeding 6% of compensation. The Employer did not make a discretionary employer contribution for the year ended December 31, 2023.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Employer’s contribution, and earnings (losses) from investments. Each participant’s account is charged Plan administrative expenses on a pro-rata basis as well as a direct charge for certain transactions. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant’s account.

THE ISABELLA STEWART GARDNER MUSEUM 403(b) PLAN

Notes to Financial Statements

Note A - Description of Plan (continued)

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in the portion of their accounts arising from Employer contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after two years of credited service.

A participant who attains normal retirement age or who becomes disabled or dies will be considered 100% vested, regardless of the vesting schedule.

Payment of Benefits

Upon retirement or other termination of service, participants who request a distribution will be paid generally in a single lump sum either in cash or through a rollover to another qualified plan. The Plan will automatically make distributions to an individual retirement plan designated by the Plan Administrator to terminated participants, without their consent, if the value of their vested account balance is greater than \$1,000 but less than or equal to \$5,000. The Plan will automatically make distributions in a lump sum to terminated participants, without their consent, if the value of their vested account balance is equal to or less than \$1,000. Upon death, the full value of the participant's account is payable to the beneficiary.

Active participants may take a distribution if they are at least age 59½ or through a hardship distribution from the elective deferral or rollover contribution portion of their account.

Forfeitures

Forfeited assets are suspended in an account which also includes uncashed distribution checks. The forfeitures of unvested account balances may be used to reduce future Employer contributions to the Plan or used to pay administrative expenses. As of December 31, 2023 and 2022, the balance of forfeited non-vested accounts totaled \$1,787 and \$73,393, respectively. During the year ended December 31, 2023, forfeitures in the amount of \$11,115 were used to pay administrative expenses.

Notes Receivable from Participants

Participants who are active employees may borrow a minimum of \$1,000 from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account and the participant is charged interest at either the prime rate plus 1% or a reasonable rate of interest per year established at the time the loan is made. The loan term cannot exceed five years, unless loan proceeds are used to acquire a principal residence, in which case, the term of the loan may be up to ten years. Only one loan outstanding per participant is permitted at any time. Principal and interest are paid ratably through bi-weekly after-tax payroll deductions. Interest rates are fixed for the duration of the loan.

THE ISABELLA STEWART GARDNER MUSEUM 403(b) PLAN

Notes to Financial Statements

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of mutual funds are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, then the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Recordkeeping fees are charged to participants' accounts on a pro-rata basis. Certain expenses are separately charged directly to participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

Evaluation of Subsequent Events

Management has evaluated subsequent events through September 26, 2024, the date which these financial statements became available to be issued.

THE ISABELLA STEWART GARDNER MUSEUM 403(b) PLAN

Notes to Financial Statements

Note C - Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. *Level 1* inputs, in general, consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access, *Level 2* inputs, in general, consist of quoted prices for similar assets in active markets, and *Level 3* inputs are unobservable and significant to the fair value measurement priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of each year-end.

December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,702,323	\$ -	\$ -	\$ 8,702,323
December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,030,973	\$ -	\$ -	\$ 7,030,973

There were no transfers between levels for the years ended December 31, 2023 and 2022.

Note D - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to Financial Statements

Note E - Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (“Code”). The Plan Administrator and the Plan’s tax counsel believe that the terms of the Plan have been prepared to conform to the listing of 403(b) plans that have been pre-approved by the Internal Revenue Service. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest expense or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F - Information Certified by Trustee (Unaudited)

For the years ended December 31, 2023 and 2022, Capital Bank and Trust Company (“Trustee”) held the Plan’s investments as trustee and Capital Bank and Trust Company held the Plan’s investments as trustee. The following is a summary of the Plan’s financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Amounts certified by Trustee:

	<u>2023</u>	<u>2022</u>
Statements of Net Assets Available for Benefits:		
Fair value of investments	\$ 8,702,323	\$ 7,030,973
Notes receivable from participants	62,905	74,887
Statement of Changes in Net Assets Available for Benefits:		
Net appreciation in fair value of investments	974,813	
Dividends	246,715	
Interest income on notes receivable from participants	3,544	

Note G - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and those changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements

Note H - Party-in-Interest Transactions

Certain operating expenses of maintaining the Plan are paid by the Employer. Additionally, employees of the Employer perform certain routine administrative services for the Plan without charge.

Certain Plan investments include shares of mutual funds that are managed by affiliates of the Trustee. For the year ended December 31, 2023, the Plan made direct payments to its recordkeeper, third-party administrator, and investment advisor.

Participant notes receivable also qualify as party-in-interest transactions.

Note I - Reconciliation of Financial Statements to Form 5500

The net assets available for benefits and changes in net assets available for benefits per these financial statements agree to Schedule H of the Form 5500. There are no reconciling items.
