Independent Auditor's Report

To the Administrative Committee and Management of
the YES& Companies Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of YES& Companies Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of YES& Companies Employee Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of YES& Companies Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about YES& Companies Employee Savings Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of YES& Companies Employee Savings Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about YES& Companies Employee Savings Plan ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at year end) as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

YES& COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the YES& Companies Employee Savings Plan (the “Plan”) provides general information only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

YES& Companies Employee Savings Plan is a defined contribution plan covering the following affiliated companies: Soleil Management, LLC; Soleil Management Hawaii, LLC; Soleil Association Management, LLC; The ASNY Company, LLC; Somerpointe Realty, LLC; ASTS Management, LLC; Integra Servicing, LLC; TVVC Realty, LLC; LLQ Partners, LLC; SP Realty, Inc.; Somerpointe Finance, LLC; ASNY Asset Management, LLC; ASC Operations, LLC; Mahana Spa LLC; TNT Pawn NV, LLC; TNT Pawn AZ, LLC; TNT AZ II, LLC; ASNY Consumer Lending, LLC, Lets Go Gaming, LLC, TNT Pawn Utah, LLC, Rev Solutions, LLC and Las Vegas Tickets and Tours, LLC, K.G.D.O Holding Company LLC, Ogilvie & Matheson LLC, and YES& Companies, LLC (collectively referred to as the “Company”). During the plan year, the Plan’s name changed from Somerpointe Resorts/Soleil Management Employee Savings Plan to YES& Companies Employee Savings Plan. The Plan agreement was written to comply with the requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the provisions of the Tax Reform Act of 1986 and has been amended and restated since inception to comply with various changes in legislation and regulation.

Eligibility

Employees are eligible to participate in the Plan after they have completed six months of service, provided they are at least 21 years of age at that time. Six months of service for purposes of eligibility is a consecutive six-month period during which the employee has 800 or more hours of service.

Contributions

Each year, participants may contribute up to the maximum percentage allowable by law, of pretax annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (“rollover”). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make matching contributions, at a discretionary rate determined by the Company. For the year ended December 31, 2023, the Company elected to match 25% of participant deferred contributions, up to a maximum deferred contribution for each participant of 6% of annual compensation. Matching contributions are submitted to the plan on an annual basis. The Company elected to make matching contributions of \$338,415 for the year ended December 31, 2023.

The Company may also make non-elective discretionary contributions to the Plan. These contributions are discretionary, which, if any, are allocated among participants who are eligible employees of the last day of the Plan Year. For the year ended December 31, 2023, the Company elected to not make such contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Vesting of Benefits

Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. A participant is generally 100% vested after six years of credited service. Each participant's benefits are limited to the balance in the participant's vested account.

Automatic Enrollment

The Plan includes an automatic enrollment feature. This feature includes a provision for all non-participating employees to be automatically enrolled in the Plan when eligible at a deferral rate of 3% of the employee's compensation. Contributions for automatically enrolled participants will be invested in the Plan's default investment fund.

Notes Receivable from Participants

In accordance with the provisions of the Plan, participants can borrow funds at a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 or (b) one-half of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with prevailing market rates. Principal and interest are paid ratably through payroll deductions. Generally, the term of the loan may not exceed five years.

Distribution of Benefits

Upon termination of employment, participants may request either immediate distribution of their vested account balance or a deferral of the account until the normal retirement age is met. Participants may receive benefits in (a) a single lump sum, (b) in substantially equal installments, or (c) the purchase of a non-transferable annuity contract. Under certain circumstances, prior to termination, employees may receive hardship or in-service distributions for part or all their vested account balance.

Forfeited Accounts

For the years ended December 31, 2023 and 2022, forfeited non-vested accounts totaled \$39,863 and \$32,285, respectively. Forfeited funds may be used to reduce future employer contributions and/or offset plan expenses. For the year ended December 31, 2023, \$12,000 were used to pay a portion of administrative fees.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for fully-benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under the terms of the contract. The Plan's Administrative Committee determines the valuation policies utilizing information provided by the investment advisors and the custodian of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Corrective Distributions

Corrective distributions represent amounts payable to participants to satisfy the relevant non-discrimination provisions of the Plan.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded when earned. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. In the event of participant default through non-payment or other means, foreclosure on the promissory note and attached secured assets may not occur until an event occurs that would allow or require a distribution of the participant's vested account balance.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation of the fair value of investments.

NOTE 3 – TAX STATUS

The Plan is qualified under the provisions of the Internal Revenue Code ("IRC") and is not subject to federal and state income taxes.

The Plan is relying on an opinion letter dated November 14, 2022, in which the Internal Revenue Service (IRS) states that the Prototype Non-standardized Profit-Sharing Plan with CODA, as then designed, was in compliance with the applicable requirements of the IRC. The Plan Administrator believe that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC; therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is no longer subject to potential income tax examinations by tax authorities for years before 2020.

NOTE 4 – PRIORITIES UPON TERMINATION

Although the Company has established the Plan with the bona fide intention and expectation that it will be maintained indefinitely, nevertheless, the Company is not under any obligation or liability to continue the Plan for any given length of time. The Company may in its sole discretion discontinue or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for such discontinuance or termination.

In the event the Plan terminates, no further contributions will be made to the Plan and all amounts credited to the participants' accounts will continue to be vested in accordance with the Plan document. The Company will direct the distribution of the participants' accounts in a manner permitted by the Plan as soon as practicable.

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – INFORMATION CERTIFIED BY CUSTODIAN – UNAUDITED

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by Empower Annuity Insurance Company of America and Empower Trust Company, LLC & Annuity Insurance Company (the "Trustee") and furnished to the Plan administrator. The plan administrator has obtained certifications from the Trustee that such information is complete and accurate:

- The value of investments as indicated in the statements of net assets available for benefits and notes to the financial statements, including notes receivable from participants.
- All information indicated in the statement of changes in net assets available for benefits, with the exception of contributions, benefit payments, and administrative fees.
- All information indicated in the supplemental schedules.

NOTE 7 – PARTIES-IN-INTEREST

Certain Plan investments are managed by Empower Trust Company, LLC & Annuity Insurance Company, the trustee and recordkeeper of the Plan; therefore, these transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. For the year ended December 31, 2023, the Plan incurred direct fees of \$72,344 for administrative services provided to the Plan.

YES& COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 8 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board's Accounting Standards Codification 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation method include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2023

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 13,456,928</u>	<u>\$ 13,456,928</u>	<u>\$ -</u>	<u>\$ -</u>

Assets at Fair Value as of December 31, 2022

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

YES& COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2023

NOTE 9 – FULLY-BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan offers investments in a stable value fund, which is a fully benefit-responsive investment contract issued by the Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodian, with the backing of their general account. As it is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets, this type of investment is considered fairly valued at contract value. The methodology for calculating the interest crediting rate is defined in the contract. Empower Annuity Insurance Company of America and Empower Trust Company, LLC guarantees that interest will be credited at the higher of a rate guaranteed in the group annuity contract and the current rate declared by it.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Plan may transact according to the terms defined in the contract at any time.

Certain events might limit the availability of the Plan to transact at contract value with the contract issuer. Examples of such events include the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code (IRC); premature termination of the contract; Plan termination or merger; changes to the Plan's prohibition on competing investment options; or bankruptcy of the Plan sponsor or other Plan sponsor events (for example divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include an uncured violation of the Plan's investment guidelines; a breach of material obligation under the contract; a material misrepresentation; or a material amendment to the agreements without the consent of the issuer.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
