INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Coastal Family Health Center Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Coastal Family Health Center Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Coastal Family Health Center Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coastal Family Health Center Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Family Health Center Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coastal Family Health Center Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Family Health Center Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

COASTAL FAMILY HEALTH CENTER RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Coastal Family Health Center Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. General - The Plan is a defined contribution profit sharing plan generally covering all full-time employees of Coastal Family Health Center, Inc. (the Company) who have completed three (3) consecutive months of employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is designed to comply with Section 4975 (e)(7) of the Internal Revenue Code of 1986 (the Code). The Plan is administered by Coastal Family Health Center, Inc. However, various record-keeping, compliance, and financial reporting requirements are performed through an independent, contracted plan administrator (AIG VALIC Retirement Services Company in Houston, Texas). The Plan's investments are held by the Plan's administrator (the Company's Executive Director, its Finance Officer, and one of its Board members), and managed by AIG VALIC. All investments are directed by the employees.
- b. Contributions - Prior to January 1, 2012, Company contributions to the Plan were made at the discretion of the Board of Directors. Effective January 1, 2012, the Company began matching employee deferrals up to 5%. The Company also pays a significant amount of the Plan's administrative expenses which are not disclosed in these statements. Total contributions to the Plan during the years ended December 31, 2023 and 2022 were \$1,082,455 and \$1,069,842, respectively.

Prior to January 1, 2012, the Plan was a non-contributory plan. Therefore, participants could not make elective deferrals to their accounts.

- c. Participant Accounts - Each participant's account is credited with employee elective deferrals plus an allocation of (a) the Company's contribution, if any, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF THE PLAN (continued)

- d. Vesting - Prior to January 1, 2012, vesting in the Company's contribution, the earnings thereon, and allocated forfeitures was based on years of continuous service. A participant was 100 percent vested after four years of credited service. Effective January 1, 2012, employees immediately vest in all account additions.
- e. Participant Loans - Prior to January 1, 2012, participants could not borrow from their accounts. Effective January 1, 2012, loans of employee deferred amount are allowed. Outstanding loans at December 31, 2023 and 2022 bear interest at various rates ranging from 1% to 8.5%.
- f. Payment of Benefits - Benefit payments are generally made in a lump sum payment, in cash, upon the participant's death, disability, or retirement. Normal retirement is at age 65. Early retirement can be elected at age 60 if the participant has at least 10 years of service.
- g. Forfeited Accounts - For the years ended December 31, 2023 and 2022, forfeited non-vested accounts totaled \$-0- and \$-0-, respectively. Such forfeitures reduce employer contributions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

COASTAL FAMILY HEALTH CENTER RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value of the underlying investments in the contract. The contract administrator (VALIC) provides market values. The underlying investments are composed of registered investment companies (mutual funds) and accounts paying fixed rates as established by VALIC.

Distributions are recorded, by VALIC, on the ex-dividend date. Purchases and sales are recorded on the trade date.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: PLAN AMENDMENTS AND TERMINATIONS

The Plan was amended effective May 1, 2001 to provide for participant-directed investments (rather than trustee investment management) and to provide for monthly lifetime annuity benefits (rather than lump-sum distributions).

The Plan was amended effective January 1, 2002 to exclude medical provider on-call and after-hours pay from the definition of "compensation" and to require a minimum of 39 hours of service per bi-weekly pay period in order to participate in the Plan.

The Plan was amended February 2002 and December 2003 to comply with certain technical provisions of enacted laws and regulations.

The Plan was amended in 2005 to comply with provision of the Katrina Emergency Tax Relief Act (KETRA) allowing Hurricane Katrina distributions and additional hardship distributions.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 3: PLAN AMENDMENTS AND TERMINATIONS (continued)

Effective January 1, 2012, the Plan was amended to a safe harbor plan which eliminates the four year vesting schedule (i.e. 100% immediate vesting) and provides for 100% employer matching contributions on discretionary employee deferrals up to 5%. Also, hardship withdrawals and loans of employee deferred amounts are allowed.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 4: TAX STATUS

The Internal Revenue Service has determined that the Plan is qualified and tax-exempt under the appropriate sections of the Code.

Tax returns of the Plan are subject to examination by taxing authorities, generally, for three years after they are filed.

NOTE 5: UNAUDITED INFORMATION

VALIC holds the Plan investment assets and executes transactions therein. Financial information for 2023 and 2022 relating to these assets is included in the accompanying financial statements and is based on information provided by the trustees. This financial information presented on pages 3 and 4 and in Note 7 and 8 with respect to investments, investment income and appreciation (depreciation) of investments and fully benefit responsive investment contracts have not been audited by independent auditors.

NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net assets available for benefits per the Form 5500	<u>\$ 10,219,086</u>	<u>\$ 8,908,136</u>

NOTE 7: FAIR VALUE MEASUREMENTS - UNAUDITED

Fair Value Accounting - Effective January 1, 2008, the Plan adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements. ASC 820 establishes a framework for measuring fair value and expands disclosure about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access.

COASTAL FAMILY HEALTH CENTER RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 7: FAIR VALUE MEASUREMENTS - UNAUDITED (continued)

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - valued using net asset value of shares held by the plan trustee at year end.

Guaranteed Interest Accounts - valued using the unit values provided by the plan trustee at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7: FAIR VALUE MEASUREMENTS - UNAUDITED (Continued)

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 8: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - UNAUDITED

In 2001, the Plan entered into a fully benefit-responsive investment contract with The Variable Annuity Life Insurance Company for a Group Fixed and Variable Deferred Annuity Contract. VALIC maintains the contributions in a fixed account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value approximates fair value. The balance at December 31, 2023 and 2022 was \$3,996,336 and \$3,800,113, respectively.

Contract value, as reported to the Plan by VALIC, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The guaranteed interest rate under the contract is an average annual effective rate. The guaranteed interest rate varies by participant and depends on the date the participant established their account. Participants set up before December 1, 2003 have a minimum guaranteed interest rate of 3%. The minimum guaranteed interest rate for accounts set up on or after December 1, 2003 is 2%. Effective January 1, 2011, contracts issued to new participants have an indexed guaranteed minimum rate.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 8: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - UNAUDITED

Certain events limit the Plan's ability to transact at contract value with VALIC. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

NOTE 9: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2024 the date the financial statements were available to be issued. There were no events which require disclosure at December 31, 2023.
