To the Plan Administrator of the
Smoothie King 401(k) Plan & Trust

Opinion

We have audited the financial statements of Smoothie King 401(K) Plan & Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, information regarding the net assets available for benefits of the Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter – Prior Year Auditor

The financial statements for the Plan for the year ended December 31, 2022 were audited by another auditor who expressed an unmodified opinion on those statements on July 17, 2023.

Other Matter—Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("DOL Rules"). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL Rules.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the DOL Rules.

SMOOTHIE KING 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

A. Description of the Plan

General

The following brief description of the Smoothie King 401(k) Plan & Trust (the “Plan”) is provided for general information purposes only. The Plan was established January 1, 1999 and is sponsored by Smoothie King Franchises, Inc (the “Company” or “Plan Sponsor”). Participants should refer to the plan document for more complete information. The Company’s corporate offices are located in Coppell, Texas.

Employees become eligible for participation at the age of 21 and completed one month of eligible service. Leased employees, nonresident aliens, employees covered by collective bargaining agreement, part-time employees with less than 1,000 hours of service, temporary employees, and other specific employees precluded by the plan document are not eligible to participate in the plan. Employees are notified 30 days prior to their eligible entry date of an automatic enrollment rate of 4% of employee eligible compensation unless otherwise elected. The 401(k) Committee of the Company is responsible for oversight of the Plan, determination of the appropriateness of the Plan’s investments, and for monitoring of investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 90% of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan. Newly eligible employees are automatically enrolled as soon as administratively practicable after meeting the eligibility requirements. Such employees will be deemed to have elected to contribute the automatic enrollment percentage, which is currently 4% of eligible compensation unless otherwise elected.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Plan also provides for the Company to make additional discretionary contributions (matching or profit sharing) in an amount that is determined by the Company on an annual basis. The Company contributed matching contributions in the amount of 100% of participant elective deferrals up to 2% of a participant's eligible compensation contributed to the Plan. There were no additional discretionary matching contributions during the years ended December 31, 2023 and 2022.

A. Description of the Plan – continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution; (b) plan earnings; and, (c) charged with certain administrative expenses offset by forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balances.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, after-tax contributions and any earnings thereon. Vesting in the Company contribution portion of accounts is also immediate. Vesting in discretionary nonelective contributions and earnings thereon is based on years of continuous service. Participants vest 20% per year beginning after two years of service and are 100% vested after six years. In the event of disability, early retirement, or death, the participant will become fully vested.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range up to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate determined reasonable by the Plan Sponsor. As of December 31, 2023 and 2022, interest rates range from 4.25% to 9.5% and 4.25% to 8%, respectively. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; or (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) Funeral Costs – Payments for funeral or burial expenses for employee's deceased parents or dependents; (6) Home repairs – expenses for the repair of damage to the employee's principle residence that would qualify for a casualty loss deductible under code section 165.

SMOOTHIE KING 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Benefit payments – continued

Effective February 23, 2019, the Plan's hardship withdrawal provision was updated to meet requirements passed in the Bipartisan Budget Act. Participants will no longer (1) be required to obtain a loan prior to requesting a hardship withdrawal; (2) participant deferral contributions will no longer be suspended after receipt of a hardship withdrawal; and (3) earnings on elective deferral contributions in a participant's account will be included as part of a hardship withdrawal.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset administrative expenses under the Plan, if directed by the employer, or to offset employer matching contributions for the year. At December 31, 2023 and 2022, forfeited nonvested accounts available for future use totaled \$1,338 and \$7, respectively. Forfeitures of \$0 and \$5,114 were allocated to reduce matching contributions during the years ended December 31, 2023 and 2022, respectively. During 2023 and 2022, forfeitures in the amounts of \$0 and \$438 were used to pay plan administrative expenses during the year, respectively.

Investment Options

Upon enrollment in the Plan, participant contributions are directed into a variety of mutual funds of registered investment companies, a common collective trust and a self-directed brokerage account. Participants should refer to the Plan's website for additional fund information.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with plan provisions, certain administrative expenses are paid by the Company and are not reflected in the accompanying financial statements. The Plan pays certain administrative expenses as reflected in the accompanying financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

SMOOTHIE KING 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies – continued

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's Sponsor, and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurement

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

SMOOTHIE KING 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

C. Fair Value Measurement – continued

- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Self-directed brokerage accounts are valued at the net asset values or quoted market prices of mutual fund or shares of stock held by the brokerage account at year-end and are classified within Level 1 of the valuation hierarchy.
- Mutual funds are measured using the estimated net asset values of the shares held by the Plan at year end and are classified within Level 1 of the valuation hierarchy.
- The common/collective trust fund is valued periodically by Fidelity based upon the current fair value of the underlying assets of the fund based on quoted market prices, thus are classified within Level 2 of the valuation hierarchy.

There have been no changes in the methodologies used at December 31, 2023 and 2022. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2023 and 2022. The Plan has no assets classified within Level 3 of the valuation hierarchy.

	2023			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$ 69,164	\$ -	\$ -	\$ 69,164
Mutual funds	9,007,047	-	-	9,007,047
Common/collective trust fund	-	50,881	-	50,881
Total investments at fair value	\$ 9,076,211	\$ 50,881	\$ -	\$ 9,127,092

SMOOTHIE KING 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

C. Fair Value Measurement – continued

	2022			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$ 59,925	\$ -	\$ -	\$ 54,925
Mutual funds	6,401,961	-	-	6,401,961
Common/collective trust fund	-	67,691	-	67,691
Total investments at fair value	<u>\$ 6,461,886</u>	<u>\$ 67,691</u>	<u>\$ -</u>	<u>\$ 6,524,577</u>

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy. For the years ended December 31, 2023 and 2022, there were no significant transfers between levels.

D. Information Certified by the Trustee

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Sponsor limited auditing procedures with respect to the investment information certified by the Trustee, which included total investments as of December 31, 2023 and 2022, the total investment income (loss) for the years ended December 31, 2023 and 2022, and all information included in the supplemental schedule H, line 4i – schedule of assets (held at end of year).

E. Tax Status

The Company has adopted a prototype plan developed by Fidelity Management & Research Company, which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, stating that the prototype constitutes an acceptable plan under Section 401(a) of the Code and that any employer adopting this prototype plan document will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from federal income taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

SMOOTHIE KING 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

E. Tax Status – continued

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant's accounts will become 100% vested.

G. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds managed by the Trustee for only those investments as defined by the Plan. Transactions in such investments, as well as participant loans, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

H. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits for the years ended December 31, 2023 and 2022, per the accompanying financial statements to the Form 5500:
