INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
PriMed Management Consulting Services, Inc. 401(k) Plan
San Ramon, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of PriMed Management Consulting Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PriMed Management Consulting Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of PriMed Management Consulting Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PriMed Management Consulting Services, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PriMed Management Consulting Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PriMed Management Consulting Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, ("supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the PriMed Management Consulting Services, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution savings plan intended to qualify under Section 401 and related provisions of the Internal Revenue Code ("IRC"), was established effective January 1, 1991, and most recently restated effective February 18, 2022. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of PriMed Management Consulting Services, Inc. (the "Company," "Plan sponsor," or "Employer") who are 18 years of age or older. It is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") as amended.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of December 31, 2023.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal Trust") is the Plan's discretionary trustee and provides custodial services. Along with Principal Trust, Principal Life Insurance Company and Principal Global Investors Trust Company provide custodial services for the Plan, and Principal Life Insurance Company ("Principal Life") performs recordkeeping services on behalf of the Custodians pursuant to an agency agreement. Collectively, Principal Trust, Principal Life, Principal Global Investors Trust Company are referred to herein as the "Custodians."

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Participants may contribute from 1% to 80% of their eligible annual pre-tax, Roth after-tax, and after-tax earnings, as defined in the Plan subject to certain Internal Revenue Service ("IRS") limitations. Maximum allowed deferral amounts were \$22,500 for calendar year 2023. Participants over the age of 50 may also contribute an additional \$7,500 to the Plan for 2023. Participants are also allowed to roll over contributions from other qualified employer-sponsored retirement plans. All contributions are paid to the discretionary trustee for investment in the appropriate investment fund or portfolio in accordance with the participant's directives and the terms of the Plan. The Company may elect to make contributions to the Plan at a discretionary rate. During 2023, the Company matched 100% of participant deferrals up to 6.5% of their total compensation, as defined.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company contributions, plus earnings thereon, is based on years of continuous service and is measured using the elapsed time method. Company contributions are subject to a 5-year graded vesting schedule.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the value of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the Prime Rate as published in The Wall Street Journal plus 3%. Participants may have one loan outstanding at any given time. The repayment of principal plus interest is generally required by the Plan to be made through payroll deductions over a maximum of five years. As of December 31, 2023, interest rates on outstanding notes receivable from participants ranged from 6.25% - 11.50% and had various maturity dates through October 2033.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. If a participant's account balance is equal to or less than \$1,000, the balance is distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefit plan is requested. Balances between \$1,000 and \$5,000 will be rolled over to an individual retirement account designated by the administrator if the participant has not requested a lump-sum cash payment, or a direct rollover into another qualified benefit plan. If the account balance is \$5,000 or over, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, installment payments, a series of monthly annuity payments or postpone payment to a later date and remain in the Plan as described in the Plan document. Upon attaining the age of 59 ½ the participant may, while still employed by the Company, request a withdrawal from their account balance.

Financial hardship withdrawals are permitted if they satisfy an immediate and heavy financial need which is limited to (i) expenses incurred or necessary for medical care that would be deductible under Code Section 213(a); (ii) the purchase of a primary residence for the Participant; (iii) payment of tuition, related education fees, and room and board expenses, for up to 12 months of post-secondary education for the Participant, their spouse, or dependents; (iv) payments necessary to prevent the eviction of the Participant from, or foreclosure on the mortgage of, the Participant's primary residence; (v) payments for funeral or burial expenses for the Participant's deceased parent, spouse, child, or dependent; (vi) expenses to repair damage to a Participant's principal residence that would qualify for a casualty loss deduction under Code Section 165; or (vii) any other distribution which is deemed by the Commissioner of Internal Revenue to be made on account of immediate and heavy financial need as provided in Treasury regulations.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant withdrawals as well as the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. The Plan is not required to reimburse the Company for expenses paid on its behalf.

Forfeited accounts

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$9,067 and \$89,493, respectively. Forfeitures were used to reduce Employer contributions by \$424,400 and to reduce administrative expenses by \$24,773 during 2023 in accordance with the provisions of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and contributions receivable

Contributions from participants are recorded based on the date that the contributions have been separated from the participant's pay by the Plan Sponsor, which is the pay date. Contributions from the Plan Sponsor are recorded in the year earned to coincide with the year in which the Plan Sponsor records the contributions to its general ledger. The Plan records receivables for contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions from participants are recorded based on the date the rollover contributions have been received by the Custodians.

PriMed Management Consulting Services, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants represent loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS (UNAUDITED)

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodians, determined to be qualified institutions by the Plan administrator, have certified to the completeness and accuracy of:

- Investments as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2023 ("supplemental schedule").

Accordingly, as permitted under such election, the Plan administrator has instructed the Plan's independent auditor not to perform any auditing procedures with respect to the certified information except for comparing such information certified by the Custodians to information included in the Plan's financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards define fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Such standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value within a fair value hierarchy. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are as follows:

- *Level 1* - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- *Level 3* - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no material changes to the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to have readily-determinable fair value and are classified within Level 1 of the fair value hierarchy.

Pooled separate accounts: Valued at NAV based on the market value of the underlying investments. The pooled separate accounts held by the Plan are deemed to have readily-determinable fair values and are classified as Level 1 within the fair value hierarchy.

Common/collective trusts: Valued at the NAV of units of a bank collective trust. The bank collective trust funds held by the Plan are deemed to have readily-determinable fair values and are classified within Level 1 of the fair value hierarchy.

5. TAX STATUS

The Plan adopted a Principal Financial Group Prototype Basic Savings Plan document. The IRS informed Principal Life Insurance Company by a letter dated June 30, 2020, that its prototype plan is designed in accordance with applicable provisions of the IRC. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in these financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the full value of each participant's account would become fully vested and non-forfeitable.

Notes to Financial Statements
December 31, 2023 and 2022

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Principal Trust retains, as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions.

The Plan utilizes a zero-revenue sharing model in which an annual Plan administrative expense of 0.14% is applied to each participant's account balance paid to Principal Life.

The Plan has included in its investment fund options certain funds managed by Principal Life which was advised by Morningstar Investment Management LLC. Both Principal Life and Morningstar Investment Management LLC receive indirect compensation for services provided to the Plan. Principal Life performs recordkeeping functions on behalf of Principal Trust; therefore, these transactions qualify as exempt party-in-interest transactions specifically exempted from the prohibited transaction rules of ERISA.
