Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Bay Medical Management, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BAY MEDICAL MANAGEMENT, LLC
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of Bay Medical Management, LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 1994 to provide benefits for employees of Bay Medical Management, LLC (“Plan Sponsor”) and the employees' beneficiaries. The Plan is administered by a committee appointed by the Plan Sponsor. Charles Schwab Trust Bank is the custodian of the Plan’s assets and Plan trustee.

The Plan is a combined 401(k) and profit sharing plan covering all eligible employees who have attained the age of twenty-one (21) years. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Year

The Plan year begins January 1 and ends December 31.

Contributions

The Plan allows for the following types of contributions:

- *Employee Salary Deferral 401(k) Contributions*
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the Code). Upon eligibility, employees are automatically enrolled into the Plan. The automatic enrollment contribution percentage is 6%, however a participant may voluntarily contribute up to 90% of their regular wages subject to various nondiscrimination tests and limitations prescribed by the Code. Participants may make Roth and after-tax elective salary deferral contributions. Employees contributing between 1% and 14% are automatically increased by 1% each January 1st until such time that their elective deferral percentage (Pre-tax plus Roth elective deferral) reaches 15%. Employees may opt-out of automatic enrollment and the automatic increase.
- *Employer Discretionary Matching Contributions*
The Plan Sponsor may elect to make discretionary matching contributions. Participants must complete 1,000 hours of service during the Plan year and be actively employed on the last day of the Plan year to be eligible to share in the discretionary matching contribution. The Plan Sponsor made matching contributions of 50% of deferrals up to a maximum of 6% of participants’ compensation in 2023 and 2022. The employer made discretionary matching contributions of \$1,203,748 and \$1,119,111 for the Plan years ending December 31, 2023 and 2022, respectively.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

- *Employer Discretionary Contributions*

Each plan year, the Plan Sponsor may contribute to the Plan an amount determined by the Plan Sponsor at its discretion. Participants must complete 1,000 hours of service during the Plan year and be actively employed on the last day of the Plan year to be eligible to share in the discretionary contribution. The Plan Sponsor made discretionary contributions of \$3,995,620 and \$3,687,874 for the Plan years ending December 31, 2023 and 2022, respectively.

- *Rollover Contributions*

Participants may make rollover contributions from another qualified plan and in-plan Roth rollovers.

Participant Accounts and Allocations

Each participant's account is credited with the participant's contributions, Plan Sponsor contributions, rollover contributions, an allocation of Plan earnings, and certain Plan expenses, as defined by the Plan document. The yield (interest, dividends, and net realized and unrealized gains and losses) on investments is allocated to each participant's account based on each participant's pro rata share of the total investments in the particular fund. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their elective salary deferral contributions and investment gains and losses credited thereon. Employer matching and discretionary contributions vest at the rate of 20% after two years of service and 20% per year of service thereafter.

Forfeitures

Forfeited non-vested accounts may be used to pay for plan expenses or reduce employer contributions. At December 31, 2023 and 2022, the Plan held forfeited non-vested amounts of \$57,841 and \$47,826, respectively. Forfeitures of \$90,366 and \$47,826 were used to reduce employer contributions for the Plan years ending December 31, 2023 and 2022, respectively. The forfeitures are used when the employer contributions are funded subsequent to year-end.

Retirement

Normal retirement under the Plan is the later of the date on which the participant attains age 58 or the participants 5th anniversary of joining the Plan.

Payment of Benefits

Payment of retirement benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) death of the participant; 4) upon demonstration of financial hardship; 5) attainment of age 59 ½; or, 6) disability of the participant. A participant may elect to receive either a lump-sum payment or installment payments. Participant's may take a distribution from their elective salary deferral or rollover contributions at any time.

Investment and Trustee Fees

Substantially all of the Trustee and investment fees were paid by the Plan for the years ending December 31, 2023 and 2022. Other administrative fees are paid by the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

The Plan allows active participants to borrow against their accounts. Amounts borrowed cannot exceed the lesser of 50% of the participant's vested balance or \$50,000. Borrowings bear interest and are due within a reasonable period of time not to exceed five years, or fifteen years if used to purchase a principal residence. Loans are secured by the balance in the participant's account.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are stated at fair market value using quoted market prices when available. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Changes in the unit values of investments are reflected in each participant's self-directed account.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits to participants are recorded when paid.

Tax Status

The Plan has adopted a prototype plan which obtained a favorable opinion letter on September 21, 2020, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Tax Status (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2023 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 3: INFORMATION CERTIFIED BY THE TRUSTEE

The following amounts were taken directly from statements provided and certified as complete and accurate by Charles Schwab Trust Bank, the trustee, as of and for the years ended December 31, 2023 and 2022:

	2023	2022
Personal choice retirement accounts	\$ 73,722,486	\$ 60,261,429
Mutual funds	\$ 60,944,717	\$ 47,759,132

Net realized and unrealized gain (loss) on personal choice retirement accounts	\$ 11,467,873	\$ (12,258,219)
Interest and dividend income	\$ 1,507,143	\$ 1,379,096
Net realized gain (loss) on sale of investments	\$ 253,256	\$ (2,439,153)
Net unrealized appreciation (depreciation) in fair market value of investments	\$ 13,697,241	\$ (14,223,476)
Interest income, notes receivable from participants	\$ 31,978	\$ 21,615

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Personal Choice Retirement Accounts: Primarily include cash, interest bearing cash, common and preferred stocks, corporate bonds, mutual funds and unit investment trusts and are valued at the net asset values of shares held by the Plan.

Money Market Fund: Underlying short term investments with quoted prices in active markets to preserve the value of the investment at \$1.00 per share.

Common Collective Trusts: Valued at the NAV of units of the collective trusts. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is published daily by Charles Schwab. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<i>Assets at Fair Value as of December 31, 2023</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall be 100% vested in their accounts.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments include mutual funds, common collective trusts, and a money market fund managed by Charles Schwab. Charles Schwab Trust Bank is the Trustee as defined by the Plan and, therefore, these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management and advisory services are paid to Charles Schwab. Fees for certain administrative expenses are paid to Schwab Retirement Plan Services, Inc., the record keeper and third party administrator of the Plan. Notes receivable from participants are considered party-in-interest transactions. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8: SUBSEQUENT EVENTS

Plan management has evaluated events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Management has evaluated subsequent events through September 16, 2024, the date the financial statements were available to be issued and has determined that no subsequent events have occurred that should be disclosed other than the matter below.

The Plan was amended effective January 1, 2024 to provide that former shareholders of the Plan Sponsor who work as employee physicians and pathology assistants will no longer be permitted to participate in the Plan.
