I have performed audits of the accompanying financial statements of **Miles Sand & Gravel Company Profit Sharing Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the nine months ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Miles Sand & Gravel Company Profit Sharing Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023 and for the nine months ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

**Opinion**

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and

certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of **Miles Sand & Gravel Company Profit Sharing Retirement Plan** and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Miles Sand & Gravel Profit Sharing Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements,

whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Miles Sand & Gravel Company Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Miles Sand & Gravel Company Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

#### **Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held for investment purposes, for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

MILES SAND & GRAVEL COMPANY  
PROFIT SHARING RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

7.

NOTE 1 - DESCRIPTION OF PLAN:

The following description of the Miles Sand & Gravel Company Profit Sharing Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more completed description of the Plan's provisions.

A. General:

The Plan is a defined contribution plan covering all employees of Miles Sand & Gravel Company and Port Orchard Sand & Gravel Company (except employees covered by a collective bargaining agreement, non resident aliens, leased and reclassified employees) and are age 18 or older. To participate in 401(K) elective deferral contributions an employee must have 60 days of entry service. To receive a discretionary contribution an employee must have 1,000 hours of service. It is subject to provisions of the Employee Retirement Income Security Act of 1974.

Effective January 1, 2023 the Plan was amended and restated to Principals prototype 401(K) plan. Also effective January 1, 2023 the participant accounts became participant directed. Effective December 1, 2022 the Plan changed its custodial and record keeping functions from Principal Custody Solutions to Principal Trust Company. Principal Trust Company currently serves as the Plan trustee. The Plan was amended April 1, 2022 to change the Plan year to January 1 through December 31.

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, finding ways for them to accumulate more assets, and then ensuring they get connected with those assets when retirement comes.

Many of the provisions of the SECURE 2.0 are effective on January 1, 2023, and beyond and will require significant changes to plan administration and recordkeeping.

B. Contributions:

Each year participants may contribute up to 100% of their annual compensation as pre-tax elective contributions or Roth elective contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 100% of the first 3% of compensation that a participant contributes and 50% of a participants contributions that are over 3% up to 5% of compensation. Each year the Company can make a discretionary contribution. Contributions are subject to certain IRS limitations.

C. Participants Accounts:

All Plan investments are participant directed. Plan participants have the option of having their contributions invested in a variety of mutual funds, pooled separate accounts and a guaranteed investment contract. Each participant's account is credited with the participants contributions and allocations of (a) the Company's contributions, (b) Plan earnings or losses and (c) charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

D. Vesting:

Participants are immediately vested in their contributions and in the matching contributions by the employer. For the discretionary contribution made by the employer vesting is based on years of continuous service, a participant is 100% percent vested after six or more years of credited service.

PROFIT SHARING RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

8.

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

E. Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 9.25% to 9.5%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

F. Payment of Benefits:

On termination of service due to death or retirement a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. Participants electing to receive benefits after the normal retirement age of 65 may choose either a lump-sum amount or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan permits in-service and hardship withdrawals under certain conditions.

G. Forfeited Accounts:

Forfeited nonvested accounts of terminated participants can be used to pay plan expenses, offset employer contributions or reallocate the amounts to participant accounts. As of December 31, 2023 and 2022 forfeited nonvested accounts totaled \$76,036 and \$158,476 respectively. For the Employer discretionary contribution for 2023 the contribution was reduced by \$88,903 from forfeited nonvested accounts.

H. Investment Elections:

The participant contributions and Company contributions are allocated to the various investment options offered by the Plan as directed by participants.

I. Tax Status:

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020 in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The plan administrator timely adopted the restated prototype plan. The plan administrator believes that the plan is currently being operated in accordance with the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investments Valuation and Income Recognition:

Investments are recorded at fair value, except for fully benefit - responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 7 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES: (CONTINUED)

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The change in net unrealized appreciation/depreciation of investments held from the beginning of the plan year to the end of the plan year is included with realized gains/losses as net appreciation (depreciation) reported in the accompanying statements of changes in net assets available for benefits.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Expenses:

Certain expenses of maintaining the Plan are paid by the Companies and are therefore excluded from these financial statements. Included in administrative expenses are fees paid by the Plan for investment advisory and investment record keeping services including administration of notes receivable from participants. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100 percent vested in their accounts.

NOTE 4 - PARTY IN INTEREST TRANSACTIONS:

The Plan was invested in pooled separate accounts and a guaranteed investment contract sponsored by Principal Life Insurance Company. These transactions qualify as party-in-interest transactions in addition to the participant loans. They are denoted as such on the supplemental schedule of assets (held at end of year). Principal Trust Company, trustee of the Plan is the custodian, record keeper and manages the assets. These transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 - RISK AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2     Inputs to the valuation methodology include:
  - \*Quoted prices for similar assets or liabilities in active markets;
  - \*Quoted prices for identical or similar assets or liabilities in inactive markets;
  - \*Inputs other than quoted prices that are observable for the asset or liability;

NOTE 7 - FAIR VALUE MEASUREMENTS: (Continued)

\*Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued at the daily net asset value (NAV) of the fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The funds investments are invested directly in marketable securities that are valued at current market prices daily.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and December 31, 2022:

| <u>Assets at Fair Value As of December 31, 2023</u> |                      |                |                |                   |

**NOTE 8 - CERTIFIED INVESTMENTS:**

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the trustee of the plan has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023; the related investment activity reflected in the statements of changes in net assets available for benefits for the year ended December 31, 2023 and for the nine months ended December 31, 2022.

**NOTE 9 - GROUP ANNUITY CONTRACT WITH PRINCIPAL INSURANCE COMPANY:**

In December 2022 the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company totaling \$11,907,308 at December 31, 2023 and \$9,674,539 at December 31, 2022. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and is 4.35% effective annual rate until November 30, 2023. The rate will be reset December 31, 2023 and semi annually thereafter. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability to the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.
