INDEPENDENT AUDITOR'S REPORT

To the Investment Committee of
Simmons Perrine Moyer Bergman PLC
401k Profit Sharing Plan & Trust
Cedar Rapids, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Simmons Perrine Moyer Bergman PLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Simmons Perrine Moyer Bergman PLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Simmons Perrine Moyer Bergman PLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Simmons Perrine Moyer Bergman PLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Simmons Perrine Moyer Bergman PLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

Notes to the Financial Statements

Note 1. Description of Plan

The following description of the Simmons Perrine Moyer Bergman PLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. In August 2023, The Simmons Perrine Moyer Bergman PLC's Board of Directors approved certain changes to the design of the Plan, which resulted in a restatement of the Plan effective October 1, 2023. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA) and is sponsored by Simmons Perrine Moyer Bergman PLC (the "Company").

Contributions

Prior to the Plan's October 1, 2023 restatement, all full-time employees of the Company who completed one year and 1,000 hours of services and were twenty-one years of age or older were eligible to participate in the Plan. Effective October 1, 2023, the restatement of the plan eliminated the one year and 1,000 hours of service requirement and replaced it with a 90 days of service requirement.

Each year, participants may contribute up to the maximum annual amount, as allowed by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan and at the direction of the participant, are invested in a portfolio of investments selected by the plan's ERISA section 3(38) investment manager at its complete discretion and monitored by the Investment Committee. The Plan currently offers various mutual funds as investment options for participants. The Plan also allows a Personal Choice Retirement Account election; in which participants select their own investments.

The Company may make discretionary matching contributions to eligible participants. Prior to the Plan's October 1, 2023 restatement, associates were not eligible to receive a Company matching contribution. Effective October 1, 2023, associates are now eligible to receive a Company matching contribution. Additional profit-sharing amounts may be contributed at the option of the Simmons Perrine Moyer Bergman PLC's Board of Directors to eligible participants that complete 1,000 hours of service during a plan year. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Prior to the Plan's October 1, 2023 restatement, participants were vested immediately in their contributions, Company matching contributions, profit sharing contributions and the related earnings. Effective October 1, 2023, participants are vested immediately in their contributions and related earnings. The Company matching and profit-sharing contributions and the related earnings vest on a three-year cliff vesting schedule.

SIMMONS PERRINE MOYER BERGMAN PLC 401(K) PROFIT SHARING PLAN & TRUST
Notes to the Financial Statements

Note 1. Description of Plan (continued)

Forfeitures

The amounts forfeited by participants who terminate employment prior to becoming fully vested may be used at the discretion of the Company. There were no forfeitures during the years ended December 31, 2023 or 2022.

Notes Receivable from Participants

Participants may borrow, from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their account balance or \$50,000. The loans are secured by the balance in the participants account and bear interest at the rate of prime plus 1%. Principal and interest are paid ratably through bi-monthly payroll deductions or quarterly payments submitted to the Company, which are then remitted to the plan trust account. Interest income on notes receivable from participants is recorded when it is earned.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account, or annual installments over a fixed period. For termination of service for other reasons, a participant may receive the value of the account as a lump-sum distribution.

Transfers to and from Other Plans

The Plan transfers certain net assets to other plans in connection with participants who have terminated employment and began participating in other employer plans. Such transfers are recorded in benefits paid to participants at the fair value of the assets on the date transferred. Similarly, the Plan allows new participants to rollover or transfer-in assets held in other qualified plans. Such transfers are recorded in rollover contributions at fair value.

Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2022, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act includes several relief provisions available to tax-qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to the 2023 plan document amendment requirements. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and chosen to not implement any of the act provisions.

Notes to the Financial Statements

Note 2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Interest earned on notes receivable from the participants is recognized upon receipt of periodic installment payments. Notes from participants are deemed delinquent if no periodic payment has been received by the end of the calendar quarter following the last payment.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Administrative fees were incurred by the Plan as described in note 6. Terminated participants pay a prorated portion of plan expenses. All other expenses related to the plan are paid by the Company.

Total appreciation (depreciation) value in plan investments	<u>\$ 6,968,897</u>	<u>\$ (8,265,157)</u>

Note 5. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits, except for fully benefit-responsive investment contracts, which are reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Investment Committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1: Unadjusted quoted prices for identical assets or liabilities in active markets.

SIMMONS PERRINE MOYER BERGMAN PLC 401(K) PROFIT SHARING PLAN & TRUST
Notes to the Financial Statements

Note 5. Fair Value Measurements (continued)

Level 2: Quoted prices in markets that are not active or inputs observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- ◇ quoted prices for similar assets or liabilities in active markets;
- ◇ quoted prices for identical or similar assets or liabilities in inactive markets;
- ◇ inputs other than quoted prices that are observable;
- ◇ inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Both observable and unobservable inputs may be used to determine the fair value of positions classified in Level 3. The circumstance for using unobservable measurements includes those in which there is little, if any, market activity for the assets. Therefore, the Plan must make assumptions about inputs that a hypothetical market participant would use to value the assets. The Plan had no Level 3 investments during the years ended December 2023 and 2022.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022.

	Assets at Fair Value as of December 31, 2023		
	Level 1	Level 2	Total
Money markets (a)	\$ 368,689	\$ -	\$ 368,689

SIMMONS PERRINE MOYER BERGMAN PLC 401(K) PROFIT SHARING PLAN & TRUST
Notes to the Financial Statements

Note 5. Fair Value Measurements (continued)

- (a) Money markets are valued based on exchange listed price quotations of shares held by the Plan at year-end.
- (b) Mutual funds are valued based on NAV provided by the fund managers, whose NAV's are quoted in an active market and therefore considered Level 1.
- (c) Common collective trusts are valued based on NAV provided by the fund managers. The NAV provided by the fund manager is not quoted in an active market and is therefore considered Level 2. There are no unfunded commitments. There are no redemption restrictions.
- (d) Self-directed investments are valued based on exchange listed price quotations of shares held in self-directed brokerage account. The self-directed investments also include cash and cash equivalents.

Note 6. Related-Party and Party-in-Interest Transactions

ERISA defines a party in interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan.

Certain plan investments were shares of mutual funds managed by Charles Schwab & Co, a subsidiary of The Charles Schwab Corporation. Charles Schwab Bank, a subsidiary of The Charles Schwab Corporation, is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The agreement allows certain plan investments to make revenue sharing payments to the Plan, which are credited to individual participant accounts. Administrative fees incurred for and paid by terminated plan participants were \$6,782 and \$8,007 for the years ended December 31, 2023 and 2022, respectively.

Certain employees and officers of the plan sponsor, who are participants in the Plan, perform administrative services to the Plan at no cost to the Plan. Three investment committee members are currently participants in the Plan.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA.

Note 8. Tax Status

The Internal Revenue Service (IRS) issued an opinion letter dated June 30, 2020 indicating that the pre-approved profit sharing/401(k) plan adopted by the Plan, as then designed, was in compliance with applicable sections of the Internal Revenue Code (IRC). The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

SIMMONS PERRINE MOYER BERGMAN PLC 401(K) PROFIT SHARING PLAN & TRUST
Notes to the Financial Statements

Note 8. Tax Status (continued)

The Plan's management is aware of certain operating or administrative issues that, if not corrected, could affect the tax qualified status of the Plan and its related trust and is in the process of correcting the matters identified. Accordingly, Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC to maintain its tax-exempt status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 9. SECURE Act 2.0

In December 2022, SECURE Act 2.0 ("SECURE 2.0") was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, increasing the required minimum distribution age, reducing required minimum distribution penalties, and removing required minimum distribution barriers for annuities. Many of the provisions in SECURE 2.0 were effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The plan sponsor is currently in the process of evaluating the impact of SECURE 2.0 on the plan sponsor, the Plan and its participants.

Note 10. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11. Subsequent Events

No other subsequent events were identified through October 3, 2024, the date these financial statements were issued.
