Plan Administrator
Corsair Memory 401(k) Plan

We have audited the financial statements of the Corsair Memory 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2023, and we will issue our report thereon dated October 11, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Delaware Charter Guarantee and Trust Company dba Principal Trust Company (Principal Trust), the trustee of the Plan, which is a trust company regulated, supervised and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (US GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP. Professional standards require that we provide you information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 13, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

QUALITATIVE ASPECTS OF ACCOUNTING PRACTICES

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 1 to the financial statements. During the year ended December 31, 2023, the Plan adopted ASC 326, *Financial Instruments—Credit Losses*, and all of the related amendments, which replace the incurred loss accounting methodology with the current expected credit losses approach for financial instruments measured at amortized cost. The adoption of this standard did not have a material impact on the Plan's financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were the fair values of investments held by Principal Trust and the unrealized gains or losses. Management relied on the certification of Principal Trust as to the fair value of investments in the Plan and the income earned by the investments. Those estimates have been used in the Plan's financial statements.

The financial statement disclosures are neutral, consistent and clear.

FORM 5500 PROCEDURES

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing and completing our audit.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We proposed no audit adjustments.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in the management representation letter dated October 11, 2024.

LETTER COMMUNICATING SIGNIFICANT DEFICIENCIES

We have separately communicated the significant deficiencies we identified during our audit of the financial statements in the letter entitled Report on Internal Control Related Matters dated October 11, 2024.

MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Trustee Committee, Plan Administrator, and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

INDEPENDENT AUDITOR'S REPORT

Trustee Committee
Corsair Memory 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Corsair Memory 401(k) Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Corsair Memory 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Corsair Memory 401(k) Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Delaware Charter Guarantee and Trust Company dba Principal Trust Company (Principal Trust), the trustee of Corsair Memory 401(k) Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information as described in Note 9 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Principal Trust agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Corsair Memory 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Corsair Memory 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Corsair Memory 401(k) Plan; and determining whether Corsair Memory 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with Corsair Memory 401(k) Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Corsair Memory 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Corsair Memory 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of assets and supplemental schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by Principal Trust agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Corsair Memory 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the amended and restated plan agreement for a more complete description of the Plan's provisions.

General: The Plan was established with an effective date of January 1, 1996. The Plan is a defined contribution plan covering substantially all full-time employees of Corsair Memory, Inc. (the Plan Sponsor) except union or leased employees, certain non-resident aliens and employees who are employed by an affiliated employer that does not adopt the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2021, the Plan was amended to merge the Scuf Gaming 401(k) Retirement Plan into the Plan and the adoption of former Scuf Gaming and Origin PC employees acquired by the Plan Sponsor into the Plan.

Effective April 10, 2021, the Plan was amended to comply with certain provisions of the Bipartisan Budget Act of 2018, thereby allowing participants to withdraw any part of their vested account, in the event of immediate and heavy financial need, resulting from qualified matching contributions, qualified nonelective contributions, QACA matching contributions, and QACA nonelective contributions. Immediate and heavy financial need may include expenses and losses incurred on account of a disaster declared by the federal Emergency Management Agency under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 100-707.

Effective November 1, 2023, the Plan was amended for the adoption of former Massdrop Inc. employees acquired by the Plan Sponsor into the Plan.

Plan Administration: The Plan Sponsor is also the Plan Administrator. The Plan Administrator controls and manages the operation and administration of the Plan. Principal Trust Company (Principal Trust) is the Plan's trustee and recordkeeper.

Contributions: Each year, participants may contribute up to 100% of their pretax annual compensation as defined in the plan agreement and limited by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. Participants may direct the investment of their contributions into various investment options offered by the Plan. Since 2012, the Plan Sponsor matches 100% of up to 6% of the participant's compensation. The Plan Sponsor may make a discretionary contribution to the Plan each year, which shall be allocated to the regular accounts of the participants in the same proportion that each participant's compensation bears to the total compensation of all participants for the plan year. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching contribution, allocations of the Plan Sponsor's discretionary contributions, if any, and the Plan's earnings or losses. Allocations are based on the participant's eligible compensation, investment elections and/or account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Vesting: Participants are immediately 100% vested in their contributions and the Plan Sponsor's safe harbor matching contributions, plus actual earnings (losses) thereon. Discretionary non-safe harbor matching contributions become 33% vested after one year of service. Vesting increases 33% for each year of service thereafter, with full vesting occurring after three years of service. If a participant reaches normal retirement age (65), dies or becomes totally disabled, the participant becomes fully vested in the Plan, irrespective of years of service. Forfeited balances of terminated participants are used to first reduce administrative expenses. Remaining forfeitures, if any, may then be used to reduce employer contributions.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits: Upon termination of service due to death, disability or retirement, the vested portion of the participant's individual account balance, upon election, will be distributed to the participant or their beneficiary as a lump-sum cash payment. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution or may elect to leave the funds with the Plan.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Forfeited Accounts: As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$15,275 and \$0 for each year. Administrative expenses were reduced by \$7 from the suspense forfeiture account in 2023.

Investment Options: Participants may direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 36 investment funds, including a self-directed brokerage account. Participants may change their investment options and transfer between funds daily.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Plan are reflected below.

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements: The Accounting Standards Codification (ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three-tier fair value hierarchy includes the following categories:

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- Level 2 asset and liability fair values are based on observable inputs that include quoted market prices for similar assets or liabilities, quoted market prices that are not in an active market, or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual Funds* – Valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. Mutual funds are classified as Level 1 measurements.
- *Common/Collective Trust Funds (CCTFs)* – Valued at the NAV provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient should not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. While CCTFs are not reported on exchanges or other public means, these investments are similar to mutual funds and NAV is the basis for current transactions being published because it is available via investor online reporting. CCTFs are classified as Level 1 measurements.

The Plan's financial instruments and other accounts that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Notes Receivable from Participants: Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: Trustee fees are paid by the Plan, and administrative expenses are paid by the Plan Sponsor, except loan processing fees, which are paid by the participants.

New Accounting Pronouncement Adopted: On January 1, 2023, the Plan adopted ASC 326, *Financial Instruments—Credit Losses*, and all of the related amendments, which replace the incurred loss accounting methodology with the current expected credit losses approach for financial instruments measured at amortized cost, including accounts receivable. The adoption of this standard did not have a material impact on the Plan's financial statements.

Subsequent Events: The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, by level within the fair value hierarchy, are as follows:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2023	Fair Value			
Mutual funds	\$ 12,637,388	\$ 12,637,388	\$ -	\$ -
Common/collective trust funds	34,645,189	34,645,189	-	-
	<u>\$ 47,282,577</u>	<u>\$ 47,282,577</u>	<u>\$ -</u>	<u>\$ -</u>
2022				
Mutual funds	\$ 10,807,424	\$ 10,807,424	\$ -	\$ -
Common/collective trust funds	25,219,865	25,219,865	-	-
	<u>\$ 36,027,289</u>	<u>\$ 36,027,289</u>	<u>\$ -</u>	<u>\$ -</u>

Gains and losses (realized and unrealized) included in changes in net assets available for plan benefits for the year ended December 31, 2023 are reported under net depreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a Reliance Trust Stable Value Fund Collective Investment Trust, which is primarily composed of investment contracts, including guaranteed investment contracts (GICs), separate account GICs, and securities-backed investment contracts. These contracts meet the fully benefit-responsive investment contract criteria and are therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive contracts is dependent upon the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The common/collective trust fund amounts of \$1,946,279 and \$1,936,214 as of December 31, 2023 and 2022, respectively, were disclosed at contract value. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in the Plan Sponsor's contributions.

NOTE 6 – TAX STATUS

The Plan Sponsor has adopted the Principal Life Insurance Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020. A favorable determination letter indicates that the form of the Plan is qualified under the applicable requirements of the IRC and is exempt from taxation. Although the Plan has been amended since the adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax exempt.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2023 and 2022, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of investments and notes receivable from participants.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employees and certain others. Certain investments of the Plan are held by Principal Trust. Principal Trust is the current trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Principal Trust also processes and maintains participant loan accounts.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These services constitute exempt party-in-interest transactions under ERISA.

NOTE 9 – TRUSTEE CERTIFICATION

The investment balances, notes receivable from participants and related investment information included in the financial statements, accompanying notes and supplemental schedules, summarized below, were derived from statements certified by Principal Trust as of December 31, 2023 and 2022 as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

The certified plan assets are as follows:
