Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ROSENBERG RICH BAKER BERMAN**

(2) EIN: **22-3271252**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Trustees of the
Ideal Window Manufacturing Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Ideal Window Manufacturing Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ideal Window Manufacturing Retirement Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROSENBERG RICH BAKER BERMAN, P.A.

Trustees of the Ideal Window Manufacturing
Retirement Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ideal Window Manufacturing Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Ideal Window Manufacturing Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted audited standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

ROSENBERG RICH BAKER BERMAN, P.A.

Trustees of the Ideal Window Manufacturing Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ideal Window Manufacturing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Ideal Window Manufacturing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ROSENBERG RICH BAKER BERMAN, P.A.

Trustees of the Ideal Window Manufacturing
Retirement Plan

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Retirement Plan
Notes to the Financial Statements**

DESCRIPTION OF PLAN

The following description of the Ideal Window Manufacturing Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan was restated as of January 1, 2022. No significant Plan provisions were changed.

Effective March 1, 2023, the Company and NPPG Plan Professionals, as administrator for the Premier 401(k) Pooled Employer Plan (the "Successor Plan"), entered into an Agreement of Merger of the assets of the participants in the Plan into the Successor Plan. Participants were notified on April 17, 2023 that there would be a "blackout" period from May 19, 2023 through June 30, 2023. Plan assets were transferred on May 30, 2023 except for assets invested in the Principal Fixed Income Guaranteed Option, which will remain invested in Principal Life Insurance Company until the surrender charge period has expired.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who have attained age 21 and have completed six months of eligible service as of the bi-annual enrollment date. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The plan provides all participants with the option of voluntarily contributing up to 100% of their pre-tax compensation, as defined, paid by the employer to such participant while a member of the plan, not to exceed statutory dollar limitations. The Plan includes an automatic enrollment provision of 3% of eligible compensation unless the participant elects otherwise. The plan also allows after tax Roth 401(k) contributions, not to exceed statutory dollar limitations. Contributions paid to the Plan by the employer may include matching and discretionary features. For the matching feature, the employer may contribute an amount equal to 100% of the participant's first 3% of pre-tax contributions. The Company may amend or revoke its obligation to contribute to the Plan if it determines that it will not have significant current or accumulated profits to make such contribution. No discretionary contribution was made for the years ended December 31, 2023 or 2022. Beginning with the pay period ended May 24, 2023 contributions were deposited into the successor plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as discretionary contributions and Plan earnings. A participant gradually vests in his employer matching and discretionary accounts based on his years of accredited service. A participant is 100% vested in these accounts after six years. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants non-vested accounts may be used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes Receivable from Participants

Participants have the ability to borrow against their vested account balance, as defined in the Plan. Each loan is secured by a promissory note executed by the participant to the Trustee. Loans are repaid in weekly installments over one to five years, except for a loan used to acquire a participant's principal residence, which may have a repayment period of up to thirty (30) years. The entire unpaid principal balance of the loan, plus any accrued interest, is due upon a participant's termination.

**Ideal Window Manufacturing
Retirement Plan
Notes to the Financial Statements**

DESCRIPTION OF PLAN (continued)

Investment Options

The Plan offered participants thirty-one investment options of varying risk with Principal Financial Group through the blackout period mentioned in the first note.

Forfeitures

The non-vested accounts of participants shall be forfeited upon the earlier of the date of the participant's death, if prior to such date he ceased to be an employee, or his forfeiture date. All or a part of a participant's non-vested account will be forfeited, if, after he ceases to be an employee, he receives a distribution of his entire vested account. The forfeiture will occur as of the date he receives the distribution or on the date such provision became effective, if later. Forfeitures are transferred to the Plan's unallocated cash reserve fund until applied toward Company contributions or to offset plan expenses. Forfeited nonvested accounts totaled \$0 at December 31, 2023 and 2022. No forfeitures were applied to administrative expenses in 2023 or 2022.

Payment of Benefits

On termination of service, a participant may elect to receive a lump sum amount equal to the value of his or her account or all or any portion of the account may be used to purchase an annuity to provide a lifetime income or installments over a specified guaranteed period.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because the contract value is the amount the participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines valuation policies utilizing information provided by the investment advisors, custodians, and other professionals. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

**Ideal Window Manufacturing
Retirement Plan
Notes to the Financial Statements**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Expenses incurred in connection with the administration of the Plan are paid by the Plan to the extent not paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Plan evaluated the events and transactions subsequent to the date of its Statement of Net Assets Available for Benefits through October 7, 2024, which is the date the financial statements were available to be issued.

PARTICIPANT LOANS

Participant loans consist of notes receivables due from plan participants as described under the Description of Plan. The individual loan balances, measured at their unpaid principal balances plus any accrued but unpaid interest, are collateralized by the respective participant's vested account balance. Interest income is recorded on the accrual basis. All loan balances were transferred to the Successor Plan on May 30, 2023.

PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants will become 100% vested in their accounts. The Plan has entered into an Agreement of Merger of the assets of the participants in the Plan into the Successor Plan effective March 1, 2023. As soon as administratively feasible this Plan will be terminated.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

QUALIFIED TAX STATUS

The Plan has adopted a pre-approved plan restated as of January 1, 2022. The sponsor of the pre-approved plan received an opinion letter dated June 30, 2020 from the Internal Revenue Service stating the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Accordingly, no provision for federal income taxes has been made in the accompanying financial statements. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2021.

RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Principal Financial Group, the Plan custodian, thus party-in-interest, holds the Plan's investments. No related party transactions or party-in-interest transactions have occurred that are prohibited by ERISA regulations. Northeast Professional Planning Group, also party-in-interest, provides third-party administrative services.

PROHIBITED TRANSACTIONS

During 2023 the Plan Sponsor failed to withhold certain participant contributions from payroll as required by the plan document. A full correction, including lost earnings, was made resulting in a Qualified Non Elective Contribution of \$1,509.

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Common collective trust funds: Valued at the net asset value (NAV) of units of a collective trust. Consists of pools of investments used by institutional investors to obtain equity and fixed income market exposures by investing in funds which are intended to mirror indices, or a custom benchmark index. They are valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of each of the respective common collective trusts.

Pooled Separate Accounts: Valued at market value less operating expenses accrued but not deducted, if any. The account's investments are valued at the net asset value ("NAV") per unit, as determined by the custodian and is valued daily. The NAV is based on the value of the underlying investments.

FAIR VALUE MEASUREMENTS (continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Transfers Between Levels - The availability of observable market data is monitored to access the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2023 and 2022, there were no transfers in or out of levels 1, 2, or 3.

NET APPRECIATION

Plan investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in market value as of December 31, 2023, as follows:

Net appreciation in fair value of investments \$ 182,203

FIXED INCOME ACCOUNT

The Plan is party to a benefit responsive investment with Principal Life Insurance Company called the Principal Fixed Income Guaranteed Account. The account is a group annuity contract with a guarantee backed by the assets in the general account of Principal Life. The general account consists of corporate bonds, asset-backed securities, commercial real estate mortgages, government bonds and short-term cash equivalents. The account is designed to provide stability of principal and a declared interest rate. This investment has been reported at contract value in the statement of net assets available for benefits. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, may cause an employer-level surrender charge to apply. The Plan administrator believes the occurrence of such an event is not probable.

The average yield earned by the fund was 1.75% for the years ended December 31, 2023 and 2022, respectively, and the crediting interest rate was 1.75% at December 31, 2023 and 2022, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed periodically for resetting.

CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Life Insurance Company and Principal Trust Company (the custodian of the Plan).

RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 551,315	\$ 4,068,412
Excess contributions payable	<u>-</u>	<u>6,436</u>
Net assets available for benefits per the Form 5500	<u>\$ 551,315</u>	<u>\$ 4,074,848</u>

The following is a reconciliation of change in net assets per the financial statements for the year ended December 31, 2023 to Form 5500:

Net increase per the financial statements	\$ 13,943
Change in excess contributions payable	<u>(6,436)</u>
Net decrease per the Form 5500	<u>\$ 7,507</u>

SUBSEQUENT EVENT

On April 15, 2024, the remaining balance held in Principal Life Insurance Company of \$553,777 was transferred to the successor plan.
