The Plan Administrative Committee
Loenbro, LLC 401(k) Plan
Black Eagle, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of Loenbro, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying 2023 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the 2023 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2023 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedules Required by ERISA

The supplemental Schedule H (Form 5500), Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not required parts of the 2023 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2022 Financial Statements

The statement of net assets available for benefits as of December 31, 2022 of Loenbro, LLC 401(k) Plan were audited by predecessor auditors. As permitted under ERISA Section 103(a)(3)(C), the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their audit report, dated September 26, 2023, expressed an unmodified opinion on those financial statements.

Loenbro, LLC 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Loenbro, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description and Plan Document, which are available from the Plan Administrator, for a more complete description of the Plan's provisions.

General

Loenbro, LLC (the Company, Employer, or Plan Sponsor) established the Plan effective September 14, 2006. The Plan is a safe harbor 401(k) defined contribution plan. Employees age 18 and over, who have completed three months of service are eligible to participate in the Plan. The Plan does not allow for participants to borrow from their fund accounts. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Trustee and Administration of the Plan

Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Trustee or Principal) is the Trustee and provides recordkeeping and other administrative services. The Plan Administrator is the Company and oversees governance of the Plan. The Trustee holds all assets of the Plan in accordance with the provisions of the service provider contract with the Company. All assets of the Plan are in investment accounts at Principal.

Contributions

Participants may contribute up to the lesser of their pretax annual compensation or the Internal Revenue Service (IRS) limit. Any participant age 50 and over before the Plan year-end can make additional catch up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Plan Sponsor matches contributions by qualifying Plan participants in cash up to 4% of their annual base compensation. Catch up contributions for employees over age 50 are not matched by the Plan Sponsor. The Plan Sponsor has the right to amend the Plan to reduce or eliminate the Plan Sponsor matching contribution. The Plan Sponsor may also, at its discretion, make a profit sharing contribution. Employees eligible to make employee deferrals, and who are employed on the last day of the Plan year, are eligible to receive profit sharing contributions. For 2023, the Company did not make any profit sharing contributions.

Participant Accounts and Investment Options

Each participant's account is credited with the participant's contributions, employer safe harbor matching contributions, and an allocation of the Plan's net earnings or losses. Participants are charged with certain administrative fees that are paid by the Plan. The investment earnings or losses are allocated to each participant's account in the proportion that the balance of each participant's account bears to the total balance of all participants in each investment option. Participants may direct the investment of their contributions and account balances into various investment options offered by the Plan. The Plan currently offers diversified mutual funds and a stable value common collective trust as investment options for participants. Participants may make investment option changes at any time. Individual participant accounts are charged for any fees related to loan or distribution transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Loenbro, LLC 401(k) Plan

Notes to Financial Statements

Vesting and Forfeitures

Participants are 100% vested in their individual deferral contributions, rollover contributions, employer safe harbor matching contributions, and the allocated earnings thereon. Profit sharing contributions, if any, are subject to a graded vesting schedule over six years.

Participants terminating employment without being 100% vested in the discretionary employer profit sharing contributions forfeit the non-vested portion in the year they receive a distribution of their entire vested account. These forfeitures may be used to pay administrative expenses or to reduce employer contributions. Any remaining forfeitures shall be allocated as soon as administratively feasible to participant accounts. Forfeited non-vested amounts were \$0 as of December 31, 2023 and 2022. For the year ended December 31, 2023, no amounts were used to pay administrative expenses or to reduce employer contributions.

Payment of Benefits

A participant's vested account balance may be distributed as a lump sum, in installments, or in a rollover to another qualified plan or individual retirement account (IRA) when the participant terminates from service, reaches age 59½, retires (normal retirement age is 65), becomes disabled (as defined in the Plan Document), or dies. A distribution from rollover contributions may be taken at any time. Hardship withdrawals are permitted for all or a portion of a participant's elective deferral contributions, with a minimum of \$1,000 withdrawal, if certain criteria are met.

Unless otherwise elected by the participant, distributions for retirement or termination will be paid in a lump-sum payment. The participant can also elect for payments to be made under a continuous right of withdrawal, under which the participant may choose the amounts and times of withdrawals.

After termination of employment with the Sponsor, if the vested balance of a participant's account does not exceed \$1,000, the account balance can be distributed in a lump-sum without consent. For terminated participants with account balances greater than \$1,000, but less than \$5,000, their account balance will be subject to the automatic rollover requirements to an IRA in the participant's name, if a request for distribution is not made by the participant.

If a participant dies before distribution of their account has begun, distribution of the entire account must be completed by December 31 of the calendar containing the fifth anniversary of the participant's death unless an election is made for the account to be distributed over the life expectancy of the beneficiary. If a participant dies after distribution of their account has begun, the remaining portion of their account will continue to be distributed under the method of distribution being used prior to the participant's death.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

Participants in the Plan select how the balance of their account is invested in the available choices of mutual funds and a common collective trust as investment instruments. Investment securities are exposed to various risks, such as interest rate and credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as further described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales of mutual funds are recorded on the trade date. Net appreciation or depreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year and capital gains. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions

Participant contributions and related safe harbor employer matching contributions are recognized in the period during which the Company makes payroll deductions from the participant's earnings.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses for participant-initiated transactions are charged directly to participant accounts. Participants are also charged a fee, calculated as a percentage of their account balance, to pay for recordkeeping and other administrative fees.

Loenbro, LLC 401(k) Plan

Notes to Financial Statements

3. Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, a qualified institution, has certified that the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) is complete and accurate:

- Investments as reported in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments and interest and dividend income as reported in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investment amounts included in the notes to financial statements.
- All investment information included in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

4. Fair Value Measurements

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820-10, *Fair Value Measurements and Disclosure*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the topic are described below:

Level 1 - This level consists of quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 - This level consists of significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 - This level consists of significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Loenbro, LLC 401(k) Plan

Notes to Financial Statements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in valuation methodologies at December 31, 2023 compared to December 31, 2022.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds - These are public investment vehicles using net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified with in Level 1 of the valuation hierarchy.

Common Collective Trust (CCT) - This investment is a public investment vehicle using NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, divided by the number of shares outstanding. There are no quoted prices available in active markets for identical instruments for the CCT. The fair value of the CCT is not classified within the fair value hierarchy pursuant to ASC 820-10. As published prices are not available for the CCT, the CCT is eligible to use NAV as a practical expedient. This CCT is a direct filing entity.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Total Assets , at fair value				\$ 9,442,823

* In accordance with ASC Topic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Putnam Stable Value Fund	\$ 118,682	None	Daily	12 months

December 31, 2022

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Putnam Stable Value Fund	\$ 144,016	None	Daily	12 months

5. Tax Status

The Plan adopted a Principal Non-Standardized Pre-Approved Profit Sharing Plan Document effective July 1, 2022. The Non-Standardized Pre-Approved Profit Sharing Plan received an opinion letter from the IRS dated June 30, 2020, indicating that the form of the Non-Standardized Pre-Approved Profit Sharing Plan is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan, as amended and restated, is designed and currently being operated in compliance with the applicable provisions of the IRC, and the Plan and related trust continue to be tax-exempt; therefore, no provision for income taxes has been included in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

6. Related Party and Party-in-Interest Transactions

The Plan paid indirect compensation for record keeping service to the Trustee, and affiliates of the Trustee, and Lockton Investment Advisors. These transactions qualify as exempt party-in-interest transactions. The fees paid during the year ended December 31, 2023 were \$71,482.

7. Delinquent Participant Contributions

During 2023, the Company failed to timely remit certain employee deferral contributions to the Plan. The Company is in the process of determining the lost earnings on the 2023 late contributions and will remit those amounts as soon as administratively possible. See accompanying Schedule of Delinquent Participant Contributions for the year ended December 31, 2023.

8. Subsequent Events

Plan management has evaluated subsequent events through October 9, 2024, which is the date the financial statements were available to be issued. There were no events or transactions discovered during the evaluation that require recognition or disclosure in the financial statements, except as noted below.

The parent company of the Plan Sponsor was sold to Braemont Holdings on February 1, 2024. There was no change to the Plan as a result of this change in ownership.
