## Independent Auditor's Report

Plan Participants and Board of Directors  
Tnemec Company, Inc. 401(k) Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tnemec Company, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule H, part IV, line 4i—schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Note 1. Plan Description

The following description of Tnemec Company, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all employees of Tnemec Company, Inc. and its wholly owned subsidiaries Tex-Cote, LLC and Epoxytec, LLC (the Plan Sponsor), with the exception of nonresident aliens, employees covered under a collective bargaining agreement, independent contractors, and leased employees. A participant is eligible to participate in the 401(k) portion of the Plan and receive discretionary employer matching contributions upon hire. The Board of Directors is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Participating employees may elect to contribute to the Plan up to 100% of their annual earnings, subject to certain limitation under the Internal Revenue Code (IRC). New participants are automatically enrolled at 5% of their eligible wages, unless the participant specifically elects not to participate in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows participants to make pretax or Roth contributions. The Plan also allows rollover contributions from other qualified plans.

The Plan Sponsor, at its discretion, will contribute (match) a specified percentage of each participant's contribution in an amount not to exceed a certain limit of the participant's annual compensation. For the year ended December 31, 2023, the Plan Sponsor made a discretionary matching contribution equal to 50% of each participant's contribution in an amount not to exceed 5% of the participant's annual compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Investment options:** Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator, or into individual brokerage accounts offered by the Plan in 1% increments. Participants may change their investment options daily.

**Participant accounts:** Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor contribution and Plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes receivable from participants:** Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. A participant may have two loans outstanding at one time. These transactions are treated as transfers between the investment fund and the participant notes receivable fund. The notes receivable are secured by the balance in the participant's account, bear interest at rates commensurate with local prevailing rates (8% at December 31, 2023) as determined quarterly by the Plan Administrator, and mature through 2032. Notes receivable must be paid back within five years, except if the note receivable is used to purchase a primary residence, in which case the note receivable must be repaid within 20 years. Principal and interest are paid ratably through payroll deductions.

#### Note 1. Plan Description (Continued)

**Vesting:** Participants are immediately vested in participant contributions plus earnings thereon. Each participant is 20% vested in the Plan Sponsor's discretionary matching contributions after two years of service and an additional 20% at the end of each succeeding year until the employee is 100% vested after six years. Participants will be 100% vested in Plan Sponsor discretionary matching contribution accounts upon termination of employment on or after attaining age 65 or if participant terminates employment due to death or total and permanent disability (as defined under the Plan).

**Payment of benefits:** Upon retirement or termination of employment, Plan participants are entitled to receive a distribution equal to the value of the participant's vested interest in his or her account. If the balance of a terminated participant's account does not exceed \$1,000, the participant will receive a lump-sum payment in the absence of other instructions. If the participant's account balance exceeds \$1,000 but does not exceed \$5,000 then the Plan will distribute the funds to an individual retirement account if the participant did not make an affirmative election to either receive a distribution or rollover the distribution. In-service distributions are not permitted unless the participant has attained age 59½, certain hardship conditions are met or rollover contributions are available. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed.

**Forfeitures:** Forfeitures represent the nonvested portion of employer contributions and net investment income upon employee termination. Forfeited amounts are used to reduce future employer contributions or may be applied to pay expenses of the Plan to the extent not paid by the Plan Sponsor. Any remaining amounts forfeited shall be allocated to participants' accounts. Forfeitures of \$11,163 were used to reduce employer discretionary matching contributions to the Plan during the year ended December 31, 2023. Forfeited nonvested accounts totaled \$0 at December 31, 2023 and 2022.

**Plan termination:** Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer discretionary matching contributions.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes therein. Actual results could differ from those estimates.

**Contributions:** Contributions from Plan participants and the discretionary matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Allowance for credit losses:** The Plan adopted Accounting Standard Codification (ASC) 326, Financial Instruments—Credit Losses, as of January 1, 2023, with the cumulative-effect transition method with the required prospective approach. The measurement of expected credit losses under the current expected credit loss (CECL) methodology is applicable to financial assets measured at amortized cost, which include employer and participant contributions receivable. An allowance for credit losses under the CECL methodology is determined using the loss-rate approach and measured on a collective (pool) basis when similar risk characteristics exist. Where financial instruments do not share risk characteristics, they are evaluated on an individual basis. The CECL allowance is based on relevant available information, from internal and external sources, related to past events, current conditions and reasonable supportable forecasts. Management recorded no allowance for credit losses as of December 31, 2023, as all amounts were determined to be fully collectable.

Prior to the adoption of ASC 326, the Plan maintained an allowance for doubtful accounts to reserve for potentially uncollectable receivables. Management recorded no allowance for doubtful accounts as of December 31, 2022, as all amounts were determined to be fully collectable.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's Board of Directors determines the Plan's valuation policies utilizing information provided by the custodian. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the 2023 statement of net assets available for benefits.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in supplemental schedule, schedule H, part IV, line 4i—schedule of assets (held at end of year).

**Payment of benefits:** Benefit payments are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable from participants that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation in the fair value of investments.

#### Note 3. Tax Status

The IRS has determined and informed the Plan Sponsor by a letter dated September 27, 2023, that the Plan, as designed, is qualified and the trust established under the Plan is tax-exempt under the appropriate section(s) of the IRC. Although the Plan has been amended since receiving the letter, the Plan Administrator believes the Plan and trust are currently designed and are being operated in compliance with the applicable requirements of the IRC and therefore believes the Plan is qualified and the related trust is exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### Note 4. Information Certified by Newport Trust Company, LLC (Custodian)

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company, LLC, a qualified institution.

	December 31,

#### Note 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quote prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

**Registered investment companies (mutual funds):** Registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Brokerage accounts:** Accounts primarily consists of mutual funds and common stocks that are valued based on the readily determinable market prices.

**Common collective trust:** Valued at the NAV of shares in each account held by the Plan at year-end. The NAV is not a public-quoted price in an active market. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

#### Note 5. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 37,631,736	\$ -	\$ -	\$ 37,631,736
Brokerage accounts	612,421	-	-	612,421
Investments measured at fair value	<u>\$ 38,244,157</u>	<u>\$ -</u>	<u>\$ -</u>	<u>38,244,157</u>
Common collective trust (a)				1,311,891
Total investments at fair value				<u>\$ 39,556,048</u>

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 31,220,708	\$ -	\$ -	\$ 31,220,708
Brokerage accounts	543,148	-	-	543,148
Investments measured at fair value	<u>\$ 31,763,856</u>	<u>\$ -</u>	<u>\$ -</u>	<u>31,763,856</u>
Common collective trust (a)				1,312,391
Total investments at fair value				<u>\$ 33,076,247</u>

- (a) In accordance with the Fair Value Measurement topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2023	2022			
Common collective trust (a)	\$ 1,311,891	\$ 1,312,391	None	Daily	Daily

- (a) The fund is a collective investment fund consisting of a diversified portfolio of high-quality stable value investment contracts issued by life insurance companies, banks and other financial institutions. The principal value of these assets remains stable regardless of stock and bond market fluctuations.

To assess the appropriate classification within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of financial instruments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there were no significant transfers in or out of Level 3.

#### **Note 6. Related Party and Party-in-Interest Transactions**

Certain Plan investments are managed by Newport Trust Company, LLC. Newport Trust Company, LLC is the custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Newport Trust Company, LLC amounted to \$7,082 for the year ended December 31, 2023. Fees paid by the Plan for investment management services are netted against investment income.
