INDEPENDENT AUDITOR'S REPORT

Trustees and Plan Administrator
Canvas Credit Union Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Canvas Credit Union Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CANVAS CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Canvas Credit Union Savings Plan (the “Plan”), formerly known as the Public Service Employees’ Credit Union Savings Plan, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan established by Canvas Credit Union (the “Credit Union” or “Employer”) to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (IRC) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Trustees are responsible for the oversight of the Plan. The Trustees also determine the appropriateness of the Plan’s investment offerings and monitor investment performance. The Credit Union has appointed a Plan Administrator to manage the operation and administration of the Plan. The Credit Union has contracted with Principal Life Insurance Company to act as the custodian and third-party administrator affiliated with the Plan to process and maintain the records of participant data.

Eligibility

From January 1, 2022 through January 1, 2023, employees were eligible to make elective deferrals the first of the month following their hire date and attainment of age 21. An employee had to complete 90 days of service and be age 21 to be eligible to receive Credit Union matching contributions. An employee must have completed one year of service and been age 21 to be eligible to receive Credit Union profit sharing contributions. Effective January 1, 2023, the eligibility requirements were amended. Employees are eligible to make elective deferrals and receive Credit Union matching contributions the first day of the month following their hire date, attainment of age 21 and 90 days of service. An employee must complete one year of service and be age 21 to be eligible to receive Credit Union profit sharing contributions.

Participant Contributions

Each year, participants may contribute up to the maximum percentage allowed by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make Roth deferral contributions up to the maximum allowed by law. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated target date investment nearest the participant’s estimated retirement date until changed by the participant. Further, each January 1st, any eligible participants not making an elective deferral contribution of at least 3% have their deferral rate set to 3%.

CANVAS CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions (Continued)

Participants who have the Credit Union contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation.

Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover). Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer Contributions

Effective January 1, 2023, the Plan was amended to make qualified matching contributions in accordance with safe harbor provisions to become a 401(k) Safe Harbor Plan. By making the qualified matching contributions, the Plan is deemed to satisfy the ADP test. The Credit Union contributes 100% of the first 3% of base compensation that a participant contributes to the Plan, plus 50% of the next 2% of base compensation that a participant contributes to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Additionally, effective January 1, 2023, the Plan was amended to make a profit sharing contribution of 6% of a participant's compensation to all participants who have satisfied the eligibility requirements and who are also employed on the last day of the Plan year. Prior to the amendment, the profit sharing contribution was 7% of a participant's compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions and Credit Union matching contributions, as well as allocations of the Credit Union's profit-sharing contributions and allocations of Plan earnings and losses and administrative expenses. Plan earnings and losses are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit which can be provided by the participant's vested account.

Investment Options

Participants must direct their salary deferral contributions to selected investments, as made available and determined by the Trustees. The matching Credit Union contribution and the additional profit-sharing contribution are invested in the same manner as the participant's contributions. Participants may change their investment options at any time throughout the year via the Principal internet website.

Vesting

Participants are vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Credit Union's profit-sharing contributions plus actual earnings thereon are based on years of continuous service. A participant is 100 percent vested after five years of credited service as detailed below. Participants are also fully vested in all Credit Union contributions plus actual earnings thereon if they are employees upon their normal retirement age, they reach early retirement age, they die while an employee, or they terminate employment with the Credit Union due to a total and permanent disability as defined in the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting (Continued)

Profit-sharing contributions vest as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Vesting service includes service with the following if the participant worked for them immediately before beginning employment at Canvas Credit Union:

Public Service Company
Provenant Federal Credit Union
VAH Federal Credit Union
DU Community Credit Union
Brighton Coop Federal Credit Union

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the participant's vested account balance. A participant may be granted two loans during any one-year period; however, only one loan may be outstanding at a time. The maximum loan term is five years. The loans are secured by the balance in the participant's account. Rates are based on a formula of the U.S. prime rate plus 1% and are reset upon changes in the U.S. prime rate. Principal and interest is paid ratably over the term of the loan through biweekly payroll deductions. At termination of employment, any outstanding balance is due. At December 31, 2023, outstanding loans bore interest at rates ranging from 3.25% to 9.50% and mature through 2028. At December 31, 2022, outstanding loans bore interest at rates ranging from 3.25% to 8.00%.

CANVAS CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various annuity options. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Generally, participants may not make withdrawals from their accounts prior to retirement, except in the event of disability, death, termination of employment, or notice of hardship, without being subject to certain restrictions and penalties. The Plan allows for an automatic lump sum distribution of participant vested account balances that do not exceed \$5,000. If the vested balance is greater than \$1,000, the balance will be rolled into an individual retirement account. If the vested amount of a participant's account exceeds \$5,000, the participant must consent to any distribution of the account balance.

Former participants of the Western Rockies Federal Credit Union 401(k) Plan and Trust have additional benefit options that became protected options upon merger with the Plan. The additional options include unlimited rollover distributions, 59 ½ withdrawals and qualified reservist distributions.

Financial Hardship Distributions

Effective June 15, 2023, the Plan was amended to allow hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeited Accounts

Forfeited non-vested accounts may first be used to pay Plan expenses. Any remaining forfeitures are used to reduce Credit Union contributions. If any forfeitures still remain, they are allocated to all employees eligible to participate as of December 31st based on a percentage of the participant's pay to the pay of all participants. Forfeited amounts are maintained for five years until the participant has a five-year break in service and loses the right to restore the forfeited amounts. At December 31, 2023 and 2022, forfeited nonvested accounts were \$184 and \$282, respectively. During the year ended December 31, 2023, \$316,033 of forfeitures were used to offset employer contributions and \$64,573 were used to offset administrative expenses.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

CANVAS CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts which are reported at contract value – See Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investment bought and sold, as well as held during the year.

Management fees charged to the Plan for investments are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. During the year ended December 31, 2023, \$150,577 of deemed distributions were recognized.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are directly paid by the Plan, unless otherwise paid by the Credit Union. Expenses that are paid by the Credit Union are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other fees are charged directly to the participant's account and are included in administrative expenses.

CANVAS CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Uncertain Tax Positions

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or asset, or disclosure, in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were made available to be issued and has determined that there are no subsequent events that require disclosure.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company (the custodian of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

CANVAS CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies (Mutual Funds)

Valued at the daily closing price as reported by the fund. Registered investment companies/mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies/mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts/Pooled Separate Accounts

Valued at the NAV of units of the fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily; however, a participant can only have one transfer out of the funds every 30 days. Were the Plan to initiate a full redemption, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. For the Principal U.S. Property pooled separate account, redemptions may be deferred up to three years due to the illiquid nature of the underlying investments. For the Principal Financial Group Inc. Stock Fund, redemptions may be deferred up to 270 days. There are no unfunded commitments associated with either the Principal U.S. Property pooled separate accounts or the Principal Financial Group Inc. Stock Fund.

NOTE 5 – STABLE VALUE FUND

The Morley Stable Value Fund is a fund maintained by Principal Global Investors Trust Company ("Trust Company"). The Trust Company has retained Morley Capital Management to serve as investment advisor with respect to the fund, subject to the Trust Company's supervision and review. Morley Capital Management is an indirect wholly owned subsidiary of Principal Group and is under common control within the Trust Company.

CANVAS CREDIT UNION SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – STABLE VALUE FUND (Continued)

The fund primarily consists of a diversified portfolio of stable value investment contracts (“Investment Contracts”) issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments. The principal value of these assets is designed to remain stable regardless of stock and bond market fluctuations.

The objective of the fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive plan or participant payments.

The fund is not a deposit, obligation, guaranteed or insured by UBT or any affiliate, is not insured by the Federal Deposit Insurance Corporation (FDIC) of any other federal or state government agency. Neither the fund nor the offering of the Units has been registered under the U.S. securities laws. Therefore, investors will not have the benefit of the protections for registered securities afforded by the Securities and Exchange Commission.

This fund meets the fully benefit-responsive contract criteria and therefore is reported at contract value. Contract value is the permitted measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Financial Group, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Principal Investors Global Trust Company. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the Plan’s ability to transact at contract value with the contract issuer and that would also limit the ability of the Plan to transact at contract value with the participants.

The deposit annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Total interest credited to the fund for the year ended December 31, 2023 was \$28,530. The crediting rate at December 31, 2023 and 2022 was 2.86% and 1.82%, respectively. The crediting rate is reset quarterly.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of pooled separate accounts, collective investment trusts, and registered investment companies managed by Principal Life Insurance Company. Notes receivable from participants were managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian, as defined by the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION OR MODIFICATION

The Credit Union intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time, by resolution of its board of directors, and is subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease, and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 8 – TAX STATUS

The Plan has adopted a non-standardized form of a volume submitter plan, sponsored by Principal Life Insurance Company. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits, and the statement of changes in net assets available for plan benefits.
