REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Trace3 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Trace3 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedules required by ERISA

The supplemental schedule of delinquent contributions for the year ended December 31, 2023 and the schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Trace3 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Trace3 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan was amended and restated on January 1, 2022 to adopt a new pre-approved plan document which was updated as part of the merger discussed in Note 1, along with required amendments, regulatory changes, and the addition of After-Tax elective deferrals and In-Plan Roth conversions.

General

The Plan is a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan provides retirement benefits to employees of Trace3, LLC (the “Company”).

Eligibility

Employees of the Company are eligible to participate in the Plan on the first day of the month following hire date and having reached age 18. Effective January 1, 2022, the participants in the Groupware 401(k) Plan became participants in the Plan.

Participant Contributions

Participants may elect to contribute up to the maximum dollar amount allowed under Section 404(a) of the IRC. The maximum contribution allowed for 2023 was \$22,500. Participants aged 50 can defer an additional amount in excess of the dollar limit in the IRC. For the 2023 Plan year, the maximum catch-up contribution was \$7,500. Employees may change their elective deferral percentage or amount or discontinue their contributions at any time. Employees are automatically enrolled at a 5% deferral rate upon becoming eligible to participate in the Plan and they may elect to change or discontinue deferrals at any time.

Employer Contributions

The Company may make discretionary matching contributions as defined in the Plan, at an amount determined annually. For the year ended December 31, 2023, the Company matched 50% of the first 5% of employee contributions as defined within the adoption agreement. During the year ended December 31, 2023, the Company made discretionary matching contributions totaling \$4,248,504. The Company may also decide to make additional discretionary Qualified Matching Contributions (“QMACs”) or Qualified Nonelective Employer Contributions (“QNECs”) for non-highly compensated employees as determined under the Plan. The Company did not make QMACs or QNECs during the year ended December 31, 2023.

Contributions are subject to certain limitations under the IRC.

Participant Accounts and Investment Options

Participant accounts are credited with participant contributions, Company contributions, rollovers and an allocation of the Plan’s net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. A participant may authorize transfers among investment options at any time.

Notes Receivable from Participants

Plan participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance minus any outstanding loans. The loans are issued by the Plan and secured by the balance in the participant's account. Only two loans per participant may be outstanding at any one time. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within 10 years, or such longer period that is commensurate with the repayment period permitted by commercial lenders for similar loans. Under the Plan agreement, participant loans bear a reasonable rate of interest, determined as 2% above the prime interest rate. Principal and interest are paid ratably through payroll deductions. As of December 31, 2023, the interest rate on outstanding loans ranged from 3.25% to 10.50% maturing through June 2041.

Benefit Payments

Upon termination of service before the normal retirement age of 65, a participant may elect for a distribution depending on the amount of the vested account balance as of the date of termination. The participant may elect to receive a lump-sum payment or rollover the vested account balance to an IRA or another qualified plan. If the vested account balance is in excess of \$5,000, the participant can choose from the distribution options above, or the participant can also leave the balance in the Plan. However, if the vested account balance is between \$1,000 and \$5,000, the vested account balance will automatically be rolled over to an individual retirement account selected by the third-party administrator. If the vested account balance is \$1,000 or less, it will automatically be distributed to the participant in a lump-sum payment.

Upon termination of service due to disability, a participant may elect to receive a lump-sum distribution equal to the vested account balance. If a participant dies before taking a distribution of his or her vested account balance, the distribution will be made to the designated beneficiary.

Participants may also withdraw funds while they are employed. A participant may withdraw all or part of the vested account balance once age 59½ is reached. Also, a participant may withdraw all or part of his or her rollover contributions in the Plan at any time and at any age. The Plan also permits hardship withdrawals subject to hardship events as specified in the Plan.

Vesting

Participant voluntary contributions plus actual earnings thereon are 100% vested when contributed. Vesting for employer discretionary matching contributions is based on length of service. Participants discretionary matching contributions vest 25% for each year of service beginning after two years of service and are 100% vested after completing five years of service. Employer discretionary QMACs and QNECs plus actual earnings thereon are 100% vested when contributed. A participant is entitled to 100% of their account balance upon retirement, death or disability.

Forfeitures

The non-vested portion of a terminated participant's account balance is forfeited upon distribution of the vested account balance. Forfeitures of \$267,686 were used during the year ended December 31, 2023, to reduce Company contributions. There were \$87,578 and \$84,194 of forfeitures available as of December 31, 2023 and 2022, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold or held during the year.

Risks and Uncertainties

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible that changes in risk in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement. Delinquent participant notes were not material for the years ended December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investment Management Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and custodial fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the net investment income reported by the Plan.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY GREAT-WEST TRUST COMPANY AND EMPOWER TRUST COMPANY

The Plan Administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under this provision of ERISA, investment information and related activity certified as accurate and complete by a qualified institution need not be subjected to independent audit. The Plan Administrator has obtained certifications from Empower Trust Company, LLC and Great-West Trust Company, LLC, as of December 31, 2023 and 2022 and for the year ended December 31, 2023, that the following information included in the Plan's financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Information included on schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

NOTE 4 - FAIR VALUE MEASUREMENT

Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value and are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 or 2022.

Mutual Funds: Valued based on the daily quoted market value of the fund, which represents the net asset value ("NAV") of shares held by the Plan at year end.

Common Collective Trust: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement, and there were no unfunded commitments as of December 31, 2023 and 2022.

Trace3 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

<u>Assets</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 136,823,051</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 136,823,051
Investments measured at NAV, common collective trust				<u>4,187,538</u>
Investments, at fair value				<u>\$ 141,010,589</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

<u>Assets</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 104,973,776</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 104,973,776
Investments measured at NAV, common collective trust				<u>4,077,969</u>
Investments, at fair value				<u>\$ 109,051,745</u>

NOTE 5 - INCOME TAX STATUS

The Plan is a volume submitter plan offered by CrossPlans. The Internal Revenue Service ("IRS") has determined and informed CrossPlans by a letter dated March 31, 2014, that the Plan submitted for review qualifies under applicable provisions of the IRC. The Plan has been amended since receipt of the letter. However, the Plan and Plan sponsor believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and related state statutes and is therefore qualified, and that the trust, which forms a part of the Plan, is exempt from federal and state income taxes.

U.S. GAAP requires plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded, as of December 31, 2023 and 2022, there are no uncertain income tax positions taken or expected to be taken that would require recognition of an income tax liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - NON-EXEMPT TRANSACTIONS

During the year ended December 31, 2023, \$546,811 of participant contributions to the Plan were not remitted to the Plan in a timely fashion. Interest related to the untimely remittance were calculated, and a correction to the Plan by the Plan Sponsor was funded in October 2024.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor ("DOL") regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds a collective trust managed by Putnam Investments, an investment offered by Empower Trust Company, LLC. Empower Trust Company, LLC is the custodian of the Plan, therefore, the transaction qualifies as a party-in-interest. Additionally, Advanced Asset Group, MMA Securities LLC and CrossPlans provided brokerage and consulting and administrative services to the Plan. These transactions qualify as parties-in-interest. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a plan termination, participants will become fully vested in their accounts and distributions will be made to participants as described in the Plan agreement.

NOTE 9 - SUBSEQUENT EVENTS

Plan management has evaluated the Plan's December 31, 2023, financial statements for subsequent events through October 10, 2024, the date the financials were available to be issued. Plan management is not aware of any subsequent events that would require recognition or disclosure in the financial statements other than the following:

Effective January 1, 2025, the Plan removed the annual true up calculation from the discretionary employer matching contributions.
