Independent Auditor's Report

To the Plan Administrator
Exceptional Care for Children 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Exceptional Care for Children 403(b) Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits, as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Exceptional Care for Children 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Ascensus, LLC, as an authorized representative of Ascensus Trust Company and Newport Trust Company, LLC, a qualified institution, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
Exceptional Care for Children 403(b) Retirement Plan

- The information in the financial statements related to assets held by, and certified by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined, meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Exceptional Care for Children 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Exceptional Care for Children 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

To the Plan Administrator
Exceptional Care for Children 403(b) Retirement Plan

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Exceptional Care for Children 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Exceptional Care for Children 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator
Exceptional Care for Children 403(b) Retirement Plan

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by, and certified by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EXCEPTIONAL CARE FOR CHILDREN 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the Exceptional Care for Children 403(b) Retirement Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a 403(b) defined contribution plan covering eligible employees of Exceptional Care for Children, Inc. (Organization). The Plan was established and originally effective October 1, 2007, and most recently restated January 1, 2019, to provide eligible employees the opportunity to accumulate savings that provide benefits in the event of retirement, disability, or death. The Plan is structured to comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Organization retains Ascensus, LLC as the third-party administrator to maintain the assets of the Plan and to perform recordkeeping services.

Eligibility - Employees are eligible to participate in the Plan immediately. Eligible employees may enter the Plan on the first day of the month. Employees who complete 30 days of service and reach 18 years of age may begin receiving employer contributions on the first day of the month coinciding with or next following the attainment of the eligibility requirements.

Contributions - Each year, participants may contribute up to 100% of pretax annual salary, as defined in the Plan. Participants may direct all or part of their salary deferrals as Roth elective deferrals. Participants who have attained age 50 before the end of the plan year may make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans as defined in the plan document (rollover). The Organization, at its discretion, may make annual employer-matching contributions. For the years ended December 31, 2023 and 2022, the Organization matched 25% of a participant's salary deferral up to 10% of compensation. Contributions are subject to certain statutory limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions and the Organization's contributions, as well as allocations of investment gains/losses. Participants are also charged with an allocation of administrative expenses that are not covered by the Organization. Certain administrative expenses are netted against the earnings of the investment alternatives held by the participants. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EXCEPTIONAL CARE FOR CHILDREN 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts is determined by years of continuous service, based on the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the participant's highest outstanding loan balance in the prior 12-month period or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate at the time the loan is made plus one percent. Participant loans must be repaid within five years unless the loan is for a primary residence, in which case the loan may be repaid within a longer term. A participant may have only two loans outstanding at one time.

Payment of Benefits - Upon retirement (age 65), disability, or termination, a participant may elect to receive a lump-sum payment, an installment payment for required minimum distributions, or delay withdrawal until a future date, if the account balance is at least \$5,000. If the participant does not elect to have a mandatory distribution not exceeding \$5,000 paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, Ascensus, LLC will pay the distribution in a direct rollover to an individual retirement account designated by the plan administrator. Participants may roll over a distribution from the Plan directly to an eligible retirement plan specified by the participant. Subject to the terms of individual agreements, a participant may withdraw certain vested account balances after becoming disabled. Upon the death of a participant, the participant's beneficiary shall be entitled to the balance of the participant's account. A participant may make an in-service withdrawal while still employed by the Organization after attaining age 59½.

As required under Section 401(a)(9) of the IRC, a participant must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (i) the year in which the participant reaches age 72 or 73 if the participant is not 72 prior to January 1, 2023, or (ii) the year in which the participant retires.

EXCEPTIONAL CARE FOR CHILDREN 403(b) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Hardship Withdrawals - Participants may withdraw up to 100% of elective deferrals in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The participant must first exhaust all other options reasonably available prior to obtaining a hardship withdrawal, including taking the maximum available plan loan.

Forfeitures - As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$61,901 and \$43,834, respectively. These accounts will be used to pay administrative expenses and then to reduce future employer contributions. No forfeiture amounts were used for these purposes during 2023.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants is measured at its unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant is issued a 1099-R. Delinquent participant loans are reclassified as distributions based upon terms of the plan document.

Payment of Benefits - Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses paid by the Organization are excluded from these financial statements. Costs associated with participant-initiated transactions are paid by the respective participants' accounts. Administrative expenses of the Plan are substantially paid by the Organization. Some administrative expenses are paid from the annual operating expenses of the Plan's designated investment alternatives, which are netted against the investment earnings for the relevant participant-directed investments.

Subsequent Events - The Organization's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The plan administrator has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used as of December 31, 2023 and 2022.

Registered Investment Companies (Mutual Funds) - Registered Investment Companies (Mutual Funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 3,856,433	\$ -	\$ -	\$ 3,856,433

NOTE 4: INFORMATION CERTIFIED BY CUSTODIAN

The Plan's investments were held by Ascensus Trust Company as of December 31, 2023 and 2022. The Organization elected the method of annual reporting compliance permitted by Department of Labor (DOL) Regulation Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Ascensus, LLC, authorized to act on behalf of Ascensus Trust Company, has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Investments, at Fair Value		
Registered Investment Companies	<u>\$ 3,856,433</u>	<u>\$ 2,880,869</u>
Total Investments, at Fair Value	<u><u>\$ 3,856,433</u></u>	<u><u>\$ 2,880,869</u></u>
Notes Receivable from Participants	<u><u>\$ 69,352</u></u>	<u><u>\$ 43,988</u></u>
	<u>Year Ended</u> <u>December 31, 2023</u>	
Investment Income		
Net Appreciation in Registered Investment Companies	\$ 447,087	
Dividends	<u>132,852</u>	
Net Investment Income	<u><u>\$ 579,939</u></u>	
Interest on Notes Receivable from Participants	<u><u>\$ 4,025</u></u>	

NOTE 5: RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Organization does not consider normal plan operations, such as participant and employer contributions or benefits paid to participants, as party-in-interest transactions that require separate disclosure. Certain plan investments are shares of registered investment companies managed by Ascensus Trust Company. Participant loan origination fees are paid out of the relevant participants' accounts. The Organization absorbs significant plan expenses. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their account balances. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the employer may determine.

NOTE 7: TAX STATUS

The plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or Internal Revenue Service (IRS). The Organization has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there were no uncertain positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by regulatory authorities; however, there are currently no audits for any tax periods in progress. The Plan's federal Form 5500 is subject to examination by the IRS and the DOL, generally for three years after it was filed.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible, that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 9: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding, which are not reflected in these financial statements. In the opinion of the Organization, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.
