**INDEPENDENT AUDITORS' REPORT**

To American Constructors LLC 401(k) Profit Sharing Plan and Participants:

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of American Constructors LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of American Constructors LLC 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C, Note D, and Note E to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Constructors LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Constructors LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Constructors LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Constructors LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held (At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**AMERICAN CONSTRUCTORS LLC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE A – DESCRIPTION OF PLAN**

American Constructors LLC 401(k) Profit Sharing Plan (the “Plan”) is a defined contribution plan covering substantially all eligible employees of American Constructors LLC (the “Company”). The Plan became effective October 1, 1983 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All Plan assets are held by Reliance Trust Company.

The Plan was amended and restated to conform the Plan to new tax laws and some provisions may be retroactively effective. The amended and restated provisions of the Plan became effective on January 1, 2022.

Complete information regarding the Plan is included in the Plan Agreement. Significant provisions are summarized below.

**Eligibility**

Employees of the Company are eligible to participate in the elective deferrals and discretionary employer matching contributions of the Plan upon completion of three months of service, as defined. Employees are eligible to participate in the employer profit sharing contributions of the Plan upon completion of one year of service, as defined. Employees are eligible to participate in the Plan beginning the first month coinciding with or next following the date eligibility requirements are met. Union employees and employees in Puerto Rico are excluded from participation. Participants must be employed on December 31 to be eligible for employer matching or profit sharing contributions unless the participant terminates due to death, disability, or retirement.

**Contributions**

Participants are allowed to make elective pre-tax or Roth contributions to the Plan up to the maximum amount allowed by law. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified retirement plans or individual retirement accounts. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers money market funds and mutual funds as investment options for participants.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan upon meeting the Plan’s eligibility requirements, unless they have in effect a salary deferral agreement on the automatic deferral effective date, or affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of annual eligible Plan compensation and their contributions are invested in a designated balanced fund, unless changed by the participant.

Effective January 1, 2022, the Plan will be referred to as a "qualified automatic contribution arrangement 401(k) plan ("QACA"). A QACA is a plan design where the Company commits to making certain contributions. This commitment to make contributions enables the Company to simplify the administration of the Plan by ensuring that nondiscrimination regulations are met, which is why it is called a "safe harbor" plan. In order to maintain "QACA safe harbor" status, the Company will make a safe harbor matching contribution equal to 100% of a participant’s salary deferrals that do not exceed 1% of their compensation plus 50% of a participant’s salary deferrals between 1% and 6% of their compensation.

The Company may make a discretionary profit-sharing contribution to the Plan at the option of the key corporate officers. These contributions, if made, are allocated to participants employed on the last day of the plan year and who have worked at least 500 hours, using an integrated allocation formula. There was no discretionary matching contribution made during the year ended December 31, 2023.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE A – DESCRIPTION OF PLAN - continued**

**Contributions - continued**

The Company may make a discretionary matching contribution equal to a percentage of a participant's salary deferrals. The Company will select the allocation method for this Contribution in the Adoption Agreement. These contributions are considered a Rigid Discretionary Match and therefore are not subject to a separate notice requirement. The discretionary matching contribution in any Plan Year will not exceed 4% of a participant's compensation. There was no discretionary matching contribution made during the year ended December 31, 2023.

**Participant Accounts**

Participants direct the investment of their accounts among various investment options offered by the Plan. Participants may change their investment options daily.

Each participant's account is credited with (a) the participant's contributions, (b) an allocation of employer contributions, and (c) an allocation of investment earnings, and is charged with (a) withdrawals, (b) an allocation of investment losses, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions, including rollover contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contribution, plus actual earnings thereon, is based on years of credited service, as defined. A participant is 100% vested upon death, disability, or retirement.

Company discretionary matching and profit sharing contributions are subject to the following vesting schedule:

| <u>Years of<br/>Service</u> | <u>Percentage of<br/>Vested Benefits</u> |
|-----------------------------|------------------------------------------|
| Less than 2                 | 0%                                       |

**NOTES TO FINANCIAL STATEMENTS**

**NOTE A – DESCRIPTION OF PLAN - continued**

**Forfeitures**

Non-vested balances of participants' accounts may be subject to forfeiture upon termination of their employment with the Company. A forfeiture occurs in the Plan year in which the participant either receives a distribution of their vested account or has five consecutive one-year breaks in service, as defined by the Plan. Forfeitures are retained in the Plan and used first to pay Plan administrative expenses and any remaining amounts are used to reduce future employer contributions. Forfeited balances as of December 31, 2023 and 2022 were \$7,478 and \$18,717, respectively.

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of a) \$50,000 reduced by the highest outstanding note receivable balance over the prior twelve months or b) 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the vested balance in the participant's account and bear interest at rates set by the Plan administrator. Principal and interest are paid ratably through payroll deductions over a period generally not to exceed five years, unless the funds are used for purchase of a principal residence, in which case repayment terms may be extended.

**Payment of Benefits**

Upon termination of service due to death, disability, normal retirement, or termination of employment, a participant is entitled to receive an amount equal to the vested interest in his or her account, payable in lump-sum form, installments, or partial payments. In general, if a participant's vested account balance, as defined by the Plan, is greater than \$5,000 and employment is terminated for reasons other than due to retirement or death, the account may not be distributed before normal retirement without the participant's consent. Participant account balances that are less than \$5,000, will only be paid as a lump-sum. The Plan calls for Automatic IRA rollover provision which states, when a mandatory distribution is being made to a participant because their vested interest in the Plan exceeds \$.01 but does not exceed \$5,000, then the Plan will rollover the distribution to an IRA if an affirmative election to either receive or roll over the distribution is not made. Distributions are subject to the applicable provisions of the Plan Agreement.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age 59 ½ or age 38 with 12 years of service. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with the provisions specified by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

**AMERICAN CONSTRUCTORS LLC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE B – SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**Use of Estimates**

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that may affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Risks and Uncertainties**

The Plan provides for investments in various securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines that Plan’s valuation policies using information provided by investment advisers, the custodian, and the insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Management fees and expenses charged to the Plan for investment in mutual fund accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. Participant loans that become delinquent are cured and result in default. The amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant’s account balance until a distributable event occurs (i.e., as termination of employment).

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions during the year ended December 31, 2023.

**AMERICAN CONSTRUCTORS LLC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE B – SIGNIFICANT ACCOUNTING POLICIES - continued**

**Payment of Benefits**

Benefits to participants are recorded by the Plan when actual payment is made.

**Expenses**

Certain expenses of maintaining the plan are paid directly by the Plan sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payment transactions are charged directly to the participant's account and are included in administrative expenses.

**Adoption of Accounting Policies**

On January 1, 2023, the Plan adopted the FASB Accounting Standards Update ("ASU") No. 2016-13, Financial Instruments – Credit Losses (Topic 326). This standard replaced the incurred loss methodology with the current expected credit loss ("CECL") methodology. The method requires an estimate of credit losses for the remaining estimated life of the financial asset using historical experience, current conditions and reasonable and supportable forecasts. CECL applies to financial assets measured at amortized cost and will be presented at the net amount expected to be collected by using an allowance for credit losses. The Plan adopted ASU No. 2016-13 and all related amendments thereto effective January 1, 2023 using the cumulative-effect adjustment approach for all financial assets measured at amortized cost. The transition adjustment of the adoption of CECL had no significant effect on the allowance for credit losses on receivables.

**NOTE C – INVESTMENTS**

During 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year), which are all participant-directed, had net appreciation of \$1,985,781.

**NOTE D – FAIR VALUE MEASUREMENTS**

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal of most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan uses a three-tier value hierarchy based upon observable and non-observable inputs as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs developed using the Plan's estimates and assumptions which reflect those that market participants would use.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

**AMERICAN CONSTRUCTORS LLC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE D – FAIR VALUE MEASUREMENTS – continued**

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money market funds:* Valued as cash equivalents, which approximates fair value due to their short-term maturities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, of the Plan's investments at fair value as of December 31, 2023 and 2022:

| <b>Investments at Fair Value as of December 31, 2023</b> |                      |             |             |                      |

**NOTE E – INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Reliance Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Total investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2023, with the exception of the notes receivable from participants, which are not yet certified.

**AMERICAN CONSTRUCTORS LLC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE F – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Plan assets include notes receivable from participants which qualify as party-in-interest transactions under ERISA. Standard Financial Group is the third-party administrator of the Plan and received fees and/or commissions totaling \$49,563 during the year ended December 31, 2023. Certain expenses incurred in the administration of the Plan are paid directly by the Company.

**NOTE G – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

**NOTE H – INCOME TAX STATUS**

The Plan adopted a volume submitter plan document that received an advisory letter from the IRS on March 31, 2014. The advisory letter stated that the volume submitter plan document is designed in accordance with the applicable sections of the IRC. In accordance with Revenue Procedures 2020-4 and 2015-36, the Company has determined that it is eligible to and has chosen to rely on the current IRS advisory letter. The Plan has adopted other required and discretionary amendments. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, and for the year ended December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, the Plan is not currently under audit with respect to any tax periods in progress.
