Independent Auditor's Report

Plan Administrator
Cupid Foundations, Inc. Savings & Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cupid Foundations, Inc. Savings & Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cupid Foundations, Inc. Savings & Investment Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Cupid Foundations, Inc. Savings & Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Cupid Foundations, Inc. and Southwest Corset Corp. (collectively, the Company, Employer, or Plan Administrator). The Plan was established on September 1, 1987, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees who have attained age 18 and who are not a union employee or part of a bargaining contract are eligible to become participants in the Plan on the first day of the month following their hire date. Prior to January 2, 2023, eligibility to participate in the Plan commenced on the first day of the month following six months of employment with the Employer.

Contributions: Each year participants may contribute up to 100% of pretax annual compensation (limited to \$330,000 and \$305,000 in 2023 and 2022, respectively) or maximum limits as determined by Internal Revenue Service (IRS) regulations. Effective November 3, 2023, the Plan includes a Roth 401(k) option allowing participants to contribute on an after-tax basis. Employees are automatically enrolled in the Plan with a 6% payroll deduction unless the employee submits notice to decline participation.

The Employer contributes an amount equal to 50% of the first 6% of the participant's compensation, contributed as elective deferrals.

Payment of benefits: Participants reaching age 59½, the Plan's normal retirement age, may elect to receive their benefits payable in a single sum, installments or a combination thereof.

Upon the death or disability of a participant, a benefit in the amount of the participant's account will become payable to the beneficiary.

Participants' accounts: Each participant's account is credited with (a) the participant's contribution, (b) the Company's contributions, if any, and (c) an allocation of Plan earnings. Allocations are based on participant account balances, as defined in the Plan. Investment of each participant's account is self-directed and participants may change their deferral options monthly.

Participants' investment options: Participants can direct their salary deferral contributions as well as employer contributions to selected investments as made available and determined by the Plan Administrator. Those participants that are auto-enrolled and do not direct their salary deferral contributions will automatically be invested in applicable target date funds. Participants may change their investment options at any time via the self-directed website.

Notes to Financial Statements

Note 1. Plan Description (Continued)

Vesting: Participants are 100% vested in all salary reductions credited to their accounts and any earnings thereon. Vesting in the employer contribution portion and any earnings thereon is based on years of service as follows:

Years of Vesting Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures: Forfeited balances of terminated participants' nonvested accounts can be used to reduce employer contributions and Plan expenses. During the year ended December 31, 2023, the Company used \$885 of forfeitures to reduce employer contributions. As of December 31, 2023 and 2022, unallocated nonvested accounts totaled \$0 and \$560, respectively.

Notes receivable from participants: Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms extend up to five years unless the loan is used to construct, purchase or substantially rehabilitate a primary residence, in which case the term can extend through the date of the underlying mortgage. A participant may have only two outstanding loans at a time. The loans are secured by the balance in the participants' accounts and interest is charged at a reasonable rate determined by the Plan Administrator, which was prime rate plus 1% during the years ended December 31, 2023 and 2022. Principal and interest are paid ratably through payroll deductions. No allowance for credit losses has been recorded at December 31, 2023 or 2022. In the event of default, such loans remain outstanding and continue to accrue interest until repaid by the Plan participant or the participant becomes eligible to receive a distribution under the terms of the Plan. If neither of these events occurs within the required period, the defaulted loans are reported by that Plan participant as taxable income.

Administrative expenses: Administrative expenses of the Plan are paid by the Plan or the Plan Sponsor, as provided in the Plan document.

Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Valuation of investments and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of units of participation are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividend income is recorded on the ex-dividend date.

Cupid Foundations, Inc. Savings & Investment Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are recorded as distributions based upon the terms of the Plan document.

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Payment of benefits: Distributions to Plan participants are recorded when paid.

Note 3. Summary of Information Certified and Provided by the Custodian (Fidelity Management Trust Company)

The following is a summary of the asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from the information provided by the Custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodian that information provided to the Plan Administrator by the Custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets at December 31, 2023 and 2022:

	2023	2022
Investments:		
Mutual funds	\$ 7,384,138	\$ 6,925,770
Stable value fund	1,566,664	1,599,159
Notes receivable from participants	325,668	358,916

The Custodian also certified to the completeness and accuracy of interest and dividends of \$211,820, net appreciation in fair value of investments of \$1,367,378 and interest income from notes receivable from participants of \$18,259 for the year ended December 31, 2023.

Note 4. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjustable quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Cupid Foundations, Inc. Savings & Investment Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

Stable value fund: A stable value fund that is composed primarily of fully benefit responsible investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers among Levels 1, 2 and 3 during the years ended December 31, 2023 and 2022.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Fair Value Measurements at December 31, 2023			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 7,384,138	\$ -	\$ -	\$ 7,384,138
Total investments in the fair value hierarchy	\$ 7,384,138	\$ -	\$ -	7,384,138
Investments measured at NAV (a)				1,566,664
Total investments				<u>\$ 8,950,802</u>

Description	Fair Value Measurements at December 31, 2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 6,925,770	\$ -	\$ -	\$ 6,925,770
Total investments in the fair value hierarchy	\$ 6,925,770	\$ -	\$ -	6,925,770
Investments measured at NAV (a)				1,599,159
Total investments				<u>\$ 8,524,929</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value measurements presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2023	2022			
Stable value fund (b)	\$1,566,664	\$1,599,159	\$ -	Daily	None

(b) The stable value fund invests in a diversified portfolio of high-quality stable value investment contracts issued by life insurance companies and banks, and other financial institutions. Morley Financial Services Inc., manages the fund and seeks to provide investors with a low-risk, moderate-yield investment while providing for preservation of capital, high credit quality, and liquidity.

Notes to Financial Statements

Note 5. Tax Status

The Plan Sponsor has adopted a preapproved plan document that has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their employer contributions.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the Custodian, and Fidelity Investments Institutional Services Company, Inc., the recordkeeper of the Plan.

Note 9. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

Independent Auditor's Report

Plan Administrator
Cupid Foundations, Inc. Savings & Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cupid Foundations, Inc. Savings & Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cupid Foundations, Inc. Savings & Investment Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Cupid Foundations, Inc. Savings & Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Cupid Foundations, Inc. and Southwest Corset Corp. (collectively, the Company, Employer, or Plan Administrator). The Plan was established on September 1, 1987, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees who have attained age 18 and who are not a union employee or part of a bargaining contract are eligible to become participants in the Plan on the first day of the month following their hire date. Prior to January 2, 2023, eligibility to participate in the Plan commenced on the first day of the month following six months of employment with the Employer.

Contributions: Each year participants may contribute up to 100% of pretax annual compensation (limited to \$330,000 and \$305,000 in 2023 and 2022, respectively) or maximum limits as determined by Internal Revenue Service (IRS) regulations. Effective November 3, 2023, the Plan includes a Roth 401(k) option allowing participants to contribute on an after-tax basis. Employees are automatically enrolled in the Plan with a 6% payroll deduction unless the employee submits notice to decline participation.

The Employer contributes an amount equal to 50% of the first 6% of the participant's compensation, contributed as elective deferrals.

Payment of benefits: Participants reaching age 59½, the Plan's normal retirement age, may elect to receive their benefits payable in a single sum, installments or a combination thereof.

Upon the death or disability of a participant, a benefit in the amount of the participant's account will become payable to the beneficiary.

Participants' accounts: Each participant's account is credited with (a) the participant's contribution, (b) the Company's contributions, if any, and (c) an allocation of Plan earnings. Allocations are based on participant account balances, as defined in the Plan. Investment of each participant's account is self-directed and participants may change their deferral options monthly.

Participants' investment options: Participants can direct their salary deferral contributions as well as employer contributions to selected investments as made available and determined by the Plan Administrator. Those participants that are auto-enrolled and do not direct their salary deferral contributions will automatically be invested in applicable target date funds. Participants may change their investment options at any time via the self-directed website.

Note 1. Plan Description (Continued)

Vesting: Participants are 100% vested in all salary reductions credited to their accounts and any earnings thereon. Vesting in the employer contribution portion and any earnings thereon is based on years of service as follows:

Years of Vesting Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures: Forfeited balances of terminated participants' nonvested accounts can be used to reduce employer contributions and Plan expenses. During the year ended December 31, 2023, the Company used \$885 of forfeitures to reduce employer contributions. As of December 31, 2023 and 2022, unallocated nonvested accounts totaled \$0 and \$560, respectively.

Notes receivable from participants: Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms extend up to five years unless the loan is used to construct, purchase or substantially rehabilitate a primary residence, in which case the term can extend through the date of the underlying mortgage. A participant may have only two outstanding loans at a time. The loans are secured by the balance in the participants' accounts and interest is charged at a reasonable rate determined by the Plan Administrator, which was prime rate plus 1% during the years ended December 31, 2023 and 2022. Principal and interest are paid ratably through payroll deductions. No allowance for credit losses has been recorded at December 31, 2023 or 2022. In the event of default, such loans remain outstanding and continue to accrue interest until repaid by the Plan participant or the participant becomes eligible to receive a distribution under the terms of the Plan. If neither of these events occurs within the required period, the defaulted loans are reported by that Plan participant as taxable income.

Administrative expenses: Administrative expenses of the Plan are paid by the Plan or the Plan Sponsor, as provided in the Plan document.

Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Valuation of investments and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of units of participation are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividend income is recorded on the ex-dividend date.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are recorded as distributions based upon the terms of the Plan document.

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Payment of benefits: Distributions to Plan participants are recorded when paid.

Note 3. Summary of Information Certified and Provided by the Custodian (Fidelity Management Trust Company)

The following is a summary of the asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from the information provided by the Custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodian that information provided to the Plan Administrator by the Custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets at December 31, 2023 and 2022:

	2023	2022
Investments:		
Mutual funds	\$ 7,384,138	\$ 6,925,770
Stable value fund	1,566,664	1,599,159
Notes receivable from participants	325,668	358,916

The Custodian also certified to the completeness and accuracy of interest and dividends of \$211,820, net appreciation in fair value of investments of \$1,367,378 and interest income from notes receivable from participants of \$18,259 for the year ended December 31, 2023.

Note 4. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjustable quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Cupid Foundations, Inc. Savings & Investment Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

Stable value fund: A stable value fund that is composed primarily of fully benefit responsible investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers among Levels 1, 2 and 3 during the years ended December 31, 2023 and 2022.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Fair Value Measurements at December 31, 2023			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 7,384,138	\$ -	\$ -	\$ 7,384,138
Total investments in the fair value hierarchy	\$ 7,384,138	\$ -	\$ -	7,384,138
Investments measured at NAV (a)				1,566,664
Total investments				<u>\$ 8,950,802</u>

Description	Fair Value Measurements at December 31, 2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 6,925,770	\$ -	\$ -	\$ 6,925,770
Total investments in the fair value hierarchy	\$ 6,925,770	\$ -	\$ -	6,925,770
Investments measured at NAV (a)				1,599,159
Total investments				<u>\$ 8,524,929</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value measurements presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2023	2022			
Stable value fund (b)	\$1,566,664	\$1,599,159	\$ -	Daily	None

(b) The stable value fund invests in a diversified portfolio of high-quality stable value investment contracts issued by life insurance companies and banks, and other financial institutions. Morley Financial Services Inc., manages the fund and seeks to provide investors with a low-risk, moderate-yield investment while providing for preservation of capital, high credit quality, and liquidity.

Note 5. Tax Status

The Plan Sponsor has adopted a preapproved plan document that has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their employer contributions.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the Custodian, and Fidelity Investments Institutional Services Company, Inc., the recordkeeper of the Plan.

Note 9. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.
