Independent Auditor's Report

To the Board of Trustees
Complex Community Federal Credit Union 401(k) Plan and Trust
Odessa, Texas

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of Complex Community Federal Credit Union 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Complex Community Federal Credit Union 401(k) Plan and Trust (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and schedule of reportable transactions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

COMPLEX COMMUNITY FEDERAL CREDIT UNION 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

1. Description of Plan

The following description of Complex Community Federal Credit Union 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General – The Plan, effective June 1, 1997, is a defined contribution plan covering substantially all of the employees of Complex Community Federal Credit Union (Employer) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility – All employees over age 18 are eligible for participation in the Plan. Plan entry dates are on the first day of the Plan year or the first day of the seventh month following the satisfaction of the eligibility requirements. For rehired employees who had satisfied the eligibility requirements before they terminated employment, they will become a participant immediately on the date they are rehired. Otherwise, they will be eligible when they meet the eligibility requirements noted above.

Contributions – Under the Plan, the participant and the Employer are both allowed to make contributions. The participants are allowed to contribute a portion of their salary to the Plan subject to those limitations provided for in Section 401(k) of the Internal Revenue Code. The Employer matches 100% of the participant's salary deferral contributions up to six percent of the participant's salary. In addition, the Employer may make discretionary contributions to the Plan. An employee does not have to make 401(k) contributions in order to receive a discretionary contribution, but must have completed 1,000 service hours if terminated during the Plan year. The employee's share of the discretionary contribution is based on the relationship of their compensation to the total compensation for all participants.

Forfeitures – Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be allocated to all participants eligible to share in the same proportion that each participant's compensation bears to the compensation for all participants. During the years ended December 31, 2023 and 2022, \$20,894 and \$62,061, respectively, in forfeitures were reallocated to the participants or used to offset plan expenses. As of December 31, 2023, and 2022, \$18,856 and \$23,647, respectively, of forfeitures had not been allocated.

Participant Accounts – Separate accounts are set up for each different type of contribution. One account is designated for participant contributions, one account is designated for Employer matching contributions, and one account is designated for Employer discretionary contributions.

Participant contribution accounts are credited with the participant's contributions and the earnings of the specific investment vehicles selected. Participants may self-direct their contributions to several investment vehicles, including money market accounts and mutual funds.

Employer contribution accounts are credited with the Employer's matching contributions. Employer discretionary accounts receive their allocation of the Employer's discretionary contribution. Allocations are based on each participant's share of the total compensation paid during the fiscal year to all participants in the Plan. Participants may also self-direct the Employer account to several investment vehicles, including money market accounts and mutual funds.

COMPLEX COMMUNITY FEDERAL CREDIT UNION 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

Vesting – Each participant's Employer contribution accounts vests at 0% per year for the first year and then 25% per year until fully vested after five years. Participants are immediately vested in their voluntary contributions.

If a participant dies or becomes disabled, the participant's accrued benefit derived from Employer contributions becomes 100% vested without regard to the above schedule. In the event of full or partial termination of the Plan, an affected participant's rights to the accrued benefit shall be 100% nonforfeitable. The Plan can be terminated at the discretion of the Employer.

Notes Receivable from Participants – Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No loan in an amount less than \$1,000 will be made. Loan terms range from one to five years, or ten years if used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates were 4.50%. All loans must have a definite repayment period which provides for payment to be made not less frequently than quarterly.

Payment of Benefits – There are two forms of payment under the Plan, a lump sum distribution or substantially equal installments. The payment of benefits under the Plan will be made at the participant's election within a reasonable period following the distribution date.

2. Summary of Significant Accounting Policies

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments are reported at fair value other than the Guaranteed Interest Contract which is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits are recorded when paid.

The preparation of financial statements in conformity with generally accepted accounting principles requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation of the current year financial statements.

NOTES TO THE FINANCIAL STATEMENTS

3. Administration of Plan Assets

The Plan sponsor absorbs the significant operating expenses associated with administering the Plan. Administrative expenses incurred in the administration of the Plan, to the extent not paid by the Plan sponsor, such as participant transaction fees, are charged to and paid from the Plan's assets. Administrative expenses are recorded when incurred. Net investment returns reflect certain fees paid by the investment funds to their affiliated investment advisors, transfer agents, and record keeper as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus are not separately identifiable as an expense.

4. Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared and certified to as complete and accurate by CUNA Mutual, the trustee.

	December 31,	
	2023	2022
Pooled Separate Accounts in Registered Investment Companies:		
Mutual Funds	\$ 13,872,788	\$ 11,635,072

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

COMPLEX COMMUNITY FEDERAL CREDIT UNION 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Stable Value Fund: Valued at contract value, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Totals</u>
Mutual Funds:	\$ 13,872,788	\$	\$	\$ 13,872,788

During the year, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

COMPLEX COMMUNITY FEDERAL CREDIT UNION 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

Concentrations of credit risk exist if a number of investments are engaged in similar activities and have similar economic characteristics that could cause their ability to meet contractual obligations to be similarly affected by changes in economic or other conditions. The Plan has invested in a variety of financial instruments and investments involving diverse industries and geographic areas to mitigate exposure to credit risks.

In accordance with FASB ASU 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent), the Guaranteed Interest Contract has been recorded at NAV due to the fact that it was not materially different than its fair market value.

Investments at Contract Value:	December 31,	
	2023	2022
Stable Value Fund	\$ 1,132,416	\$ 1,419,228

The Plan's Stable Value Fund appreciated in fair value as determined by quoted market price as follows:

Net Change in Value:	December 31,	
	2023	2022
Stable Value Fund	\$ 11,698	\$ 20,788

5. Tax Status

Complex Community Federal Credit Union 401(k) Plan and Trust has adopted the CUNA Mutual Prototype Non-Standardized Profit Sharing Plan with CODA. The Plan is a qualified plan under Section 401(a) of the Internal Revenue Code. Therefore, the Plan is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code.

The Plan adopted the "uncertain tax positions" provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Plan is its filing status as a tax exempt entity. The Plan determined that it is more likely than not that its tax positions would be sustained upon examination by the Internal Revenue Service (IRS), or other State taxing authority. There were no penalties or interest recognized during the years ended December 31, 2023 and 2022. The Plan is no longer subject to U.S. federal income tax examinations by federal taxing authorities for years before 2020.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

COMPLEX COMMUNITY FEDERAL CREDIT UNION 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Reconciliation of Financial Statements to Schedule H of Form 5500

The accompanying financial statements show different amounts for contributions than what is represented in Schedule H of the Form 5500 because those amounts that are receivable at year end are not reflected on the Form 5500.

The following is a reconciliation of Employer contributions per the accompanying 2023 and 2022 financial statements to the Schedule H of Form 5500:

	<u>December 31,</u> <u>2023</u>
Contributions per Financial Statements	\$ 1,279,050
Contributions Receivable 2022	177,766
Contributions Receivable 2023	<u>(188,252)</u>
Employer Contributions per Schedule H of Form 5500	<u>\$ 1,268,564</u>
	<u>December 31,</u> <u>2022</u>
Contributions per Financial Statements	\$ 1,194,123
Contributions Receivable 2021	163,199
Contributions Receivable 2022	<u>(177,766)</u>
Employer Contributions per Schedule H of Form 5500	<u>\$ 1,179,556</u>

9. Related Party Transactions

Certain Plan investments are managed by the plan trustee, CUNA Mutual Retirement Solutions. Because the Plan pays certain fees to the trustee, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to Cuna totaled \$71,779 in 2023 and \$68,611 in 2022. Additionally, since the Company is the Plan sponsor, the Company's payment of certain administrative expenses on behalf of the Plan constitutes party-in-interest transactions. In each case, these are exempt party-in-interest transactions under ERISA.
