Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Berkeley Bowl Produce, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Berkeley Bowl Produce, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Berkeley Bowl Produce, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Berkeley Bowl Produce, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Berkeley Bowl Produce, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Berkeley Bowl Produce, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule attachment to Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BERKELEY BOWL PRODUCE, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. Description of the Plan

General

The following description of the Berkeley Bowl Produce, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan consists of a Defined Contribution Profit Sharing Plan and a salary deferral plan [401(k)] covering employees of Berkeley Bowl Produce, Inc. (the Company).

Berkeley Bowl Produce, Inc. is the Plan Sponsor and Administrator of the Plan, with Diane and Gen Yasuda (Officers and Shareholders of the Company) as Trustees and Associated Pension Consultants as the Third-Party Administrator. Smart Investor is the current Investment Advisor for the Plan. Record-keeper of the Plan is The Retirement Plan Company and the Custodian is Matrix Trust Company.

The Plan allows participants to designate a portion or all of their salary deferral contributions as a Roth deferral contribution.

Plan eligibility is as follows:

Profit Sharing Plan – employees who have completed one year of service, worked at least one thousand hours during the year and are employed on the last day of the Plan year.

401(k) Plan – employees who have completed three months of service.

Non-resident aliens are not permitted to participate in either portion of the Plan.

The Plan also remains subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

BERKELEY BOWL PRODUCE, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. Description of the Plan (continued)

Contributions

Profit Sharing Plan

Employees are eligible to participate after completing one year of employment and more than 1,000 hours of service. After an employee has satisfied the eligibility requirements, entry to the Plan occurs on either January 1st, April 1st, July 1st or October 1st of each year. The Company makes discretionary contributions to the Plan at the rate of 6.0% and 6.5% of Eligible Compensation based on the Years of Service. Eligible Compensation excludes overtime pay. All Company contributions are participant directed. Contributions totaled \$1,426,017 and \$1,369,712 for the years ended December 31, 2023 and 2022, respectively.

401(k) Plan

Employees may elect to participate in the Plan upon completion of six months of service. Contributions of up to \$22,500 annually, plus \$7,500 catchup contributions for participants over age 50, are made to the Plan by participants through payroll deductions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants contributed \$784,575 and \$836,070 for the years ended December 31, 2023 and 2022, respectively.

In addition, the Plan allows eligible employees to make qualified transfers from other plans (employee rollover contributions).

Participant Accounts

The Company's contribution and forfeitures (non-vested portion of terminated employee accounts) are allocated to employee groups as provided by the Adoption Agreement. Such amounts are then allocated to individual accounts within the group based on the ratio each individual's compensation bears to the group's total participant compensation. Plan earnings and losses are allocated based on the mutual fund units owned by the participant.

Vesting

Participants in the Profit Sharing and 401(k) Plans are immediately vested in their accounts.

BERKELEY BOWL PRODUCE, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$20,000 or 50% of their vested account balance. A participant can only have one loan currently outstanding from the Plan. The loans are secured by the balance in the participants' accounts and bear interest at a rate of the prime rate plus 2%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Benefits are paid to participants generally upon termination of employment or retirement. Such distributions are paid either in lump sums or installment payments made over a period of years selected by the participants. In-service distributions may be made from a participant's elective deferrals upon disability or after the age of 59-1/2, and from nonelective employer's contributions after the later of age 65 or five years after the first day of the Plan year in which the participant commenced participation. In-service distributions may not be made from a participant's Roth contributions.

A participant's account may be distributed to his or her beneficiary in lump sum or in installment payments upon the participant's death.

The plan automatically rollover terminated employee investment account balances to an IRA if the account does not exceed \$5,000 (excluding rollover contribution account balance). The automatic rollover will only occur if the terminated participant does not elect to receive a distribution or rollover the distribution to another retirement account.

2. Summary of Significant Accounting Policies

Method of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Employer contributions and interest and other investment income are recorded when earned. Benefits and administrative expenses are recognized when the obligation is incurred. Notes receivable from participants are measured at their unpaid principal balance.

DECEMBER 31, 2023 AND 2022

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is based on the difference between the fair value of assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's investment options include funds that invest in securities of foreign companies which involve special risks and considerations not typically associated with investing in U.S. Companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than securities of comparable U.S. companies.

Operating Expenses

The Plan Sponsor (employer) absorbs a certain amount of the Plan's administrative costs, including accounting fees.

3. Fair Value Measurements

The Plan has adopted the authoritative accounting standard which defines fair value, outlines a framework for measuring fair value, and details the required disclosures under GAAP regarding fair value measurements.

The standard establishes a three-level value hierarchy for disclosures of fair-value measurements. The valuation hierarchy is based on the transparency of the inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 – Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in markets that are active; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable (e.g. a reporting entity's own data).

3. Fair Value Measurements (continued)

The following table presents the Plan's investments measured at fair value on a recurring basis at December 31, 2023:

	Total December 31, 2023	Quoted Prices in Active Market for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$ 32,272,699	\$ 32,272,699	\$ -	\$ -
Total	<u>\$ 32,272,699</u>	<u>\$ 32,272,699</u>	<u>\$ -</u>	<u>\$ -</u>

The following table presents the Plan's investments measured at fair value on a recurring basis at December 31, 2022:

	Total December 31, 2022	Quoted Prices in Active Market for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$ 27,925,043	\$ 27,925,043	\$ -	\$ -
Total	<u>\$ 27,925,043</u>	<u>\$ 27,925,043</u>	<u>\$ -</u>	<u>\$ -</u>

The following is a description of the valuation methodology used for a fair value measurement of investments:

Mutual funds – Mutual funds are stated at fair value based upon the quoted net asset value of shares held by the Plan on the last business day of the year.

The method described above may generate a fair value calculation that may not be indicative of net realizable value of future fair values. While the Plan believes the valuation methodology used is appropriate, the use of different methodologies or assumptions in calculating fair value could result in different amounts.

4. Investments

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, note 3, and the Supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023; and the related investment activity reflected in the statement of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

The Plan's investments appreciated by \$3,263,009 in 2023 and depreciated by (\$4,237,801) in 2022.

5. Party-In-Interest Transactions

Fees paid by the Plan to the record-keeper for administrative services amounted to \$129,986 and \$135,828 for the years ended December 31, 2023 and 2022, respectively.

6. Income Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Volume Submitter Profit Sharing Plan (the prototype plan upon which the Plan is based), was designed in accordance with the applicable requirements of the Internal Revenue Code (IRC); therefore, is not subject to tax under present income tax law. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by Federal and state tax authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants continue to be fully vested in their account balances and the Trust shall continue until all assets have been completely distributed to the participants or their beneficiaries in accordance with Plan provisions.

8. Forfeitures and Unpaid Benefits

Forfeitures by non-vested participants are reallocated to eligible participants in the same manner as employer contributions. Forfeitures allocated in accordance with the Plan documents total \$-0- in 2023 and 2022.

9. Subsequent Events

Management has evaluated subsequent events through October 9, 2024, the date on which the financial statements were available to be issued.
