Independent Auditor's Report

To the Plan Administrator and Board of Trustees of the
Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KARPINSKI ENGINEERING, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of Plan

The following description of the Karpinski Engineering, Inc. Employees' Profit Sharing Plan and Trust provides only general information. Participants should refer to the Plan agreement and its amendments for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time and part-time employees of Karpinski Engineering, Inc. (the "Company"). Full-time employees are eligible to participate in the plan on the first day of each plan quarter coincident upon reaching the age of twenty-one and completing two months of eligibility service. Part-time employees are eligible to participate in the plan on the first day of each plan year and the first day of the fourth, seventh and tenth months of each plan year immediately following his or her twelve month anniversary date and upon reaching the age of twenty-one and completing 1,000 hours of service. The Plan is a single employer plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator and Board of Trustees oversee the governance of the Plan.

Contributions

Each year, participants may elect to defer a percentage of their compensation up to the maximum amount allowable under Code Section 402(g) and 415 of the Internal Revenue Code, as defined in the Plan. Participants could also contribute amounts representing distributions from other qualified plans (rollovers). Rollovers totaled \$282,154 and \$76,272 for the years ended December 31, 2023 and 2022, respectively. Participants direct the investment of all contributions into various investment options offered by the Plan. The Company may make discretionary matching employer contributions on behalf of each participant. The Company elected to make matching employer contributions of \$167,317 and \$139,575 for the years ending December 31, 2023 and 2022, respectively. The Company also has the option of making an additional discretionary profit sharing contribution. The Company elected to make a profit sharing contribution of \$300,000 for each of the Plan years ending December 31, 2023 and 2022, respectively, and is included in receivables - profit sharing on the accompanying statements of net assets available for benefits.

Participant Accounts

Each participant's account is credited with the participant's contributions as well as allocations of the Plan sponsor's matching and discretionary profit sharing contributions along with Plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2023 and 2022

Note 1: Description of Plan - Continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after 5 years of service. In addition, participants are 100% vested upon normal retirement age, death, or the date they become disabled, as defined in the Plan.

The graduated vesting schedule with respect to the Company's matching and profit sharing contributions are as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested interest of their account balance. Loan repayment terms may not exceed 5 years. However, loans used for the purchase of a primary residence may not exceed 10 years. A participant may only have one loan outstanding at a time with repayments made on a monthly basis through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.75% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. As of December 31, 2023 and 2022, the interest rate charged on outstanding loans was the prime rate plus 1.0%.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a partial or lump-sum distribution equal to the value of the participant's vested interest of his or her account. Benefits will be automatically distributed if his or her account balance is \$1,000 or less. Distributions greater than \$1,000 and less than \$5,000 are automatically converted to an IRA. All distributions in excess of \$5,000 require participant consent. For termination of service due to other reasons, a participant receives the value of the vested interest in his or her account in a lump-sum distribution.

Note 1: Description of Plan - Continued

Payment of Benefits - Continued

The Plan allows for hardship withdrawals from a participant's elective deferral account and his or her vested interest in the matching and discretionary profit sharing contribution accounts. The Plan also allows for in service withdrawals from a participant's elective deferral account as well as his or her vested interest in the matching and discretionary contribution accounts upon attaining the age of 59 1/2 and after 60 months of participation in the Plan.

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Audit and legal fees of the Plan are paid by the plan sponsor.

Forfeitures

Forfeited balances of non-vested accounts are first used to reduce Company contributions and second to pay reasonable Plan expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$2,118 and \$755, respectively. These accounts will be used to reduce future employer discretionary and profit sharing contributions. Also, in 2023 and 2022, employer profit sharing contributions were reduced by \$1,500 and \$9,998, respectively, from forfeited non-vested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes to Financial Statements

December 31, 2023 and 2022

Note 2: Summary of Significant Accounting Policies - Continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales are recorded on a settlement date basis. Interest and dividends are recorded on a cash basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account. Delinquent participant loans are reclassified as distributions based on the terms outlined in the Plan document. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. Notes receivable as of December 31, 2023 and 2022, were \$67,699 and \$70,088, respectively.

Date of Management's Review of Subsequent Events

Subsequent events have been evaluated by management through September 24, 2024, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

As previously mentioned, the Plan's investments are reported at fair value on the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

KARPINSKI ENGINEERING, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

Note 3: Fair Value Measurements - Continued

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements:

The Plan's Level 1 investment assets consist of mutual funds. Mutual funds are valued at the daily closing price as reported by the funds. The mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Level 2 Fair Value Measurements:

There were no Level 2 assets held by the Plan at December 31, 2023 and 2022.

Level 3 Fair Value Measurements:

There were no Level 3 assets held by the Plan at December 31, 2023 and 2022.

Common/Collective Trust:

The Morley Stable Value Fund is a collective investment trust that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell for an amount different from the reported NAV. Participant transactions may occur daily. If the Plan initiates full redemption of the collective trust, the issuer reserves the right to require twelve months notification in order to ensure that security liquidations will be carried out in an orderly manner.

Note 3: Fair Value Measurements - Continued

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		Fair Value Measurements at Reporting Date Using:		
	Total	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
<u>December 31, 2023:</u>				
Mutual funds	\$ 21,348,122	\$ 21,348,122	\$ -	\$ -
*Common/collective trusts at net asset value	<u>200,259</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total investments at fair value	\$ <u>21,548,381</u>	\$ <u>21,348,122</u>	\$ <u>-</u>	\$ <u>-</u>
<u>December 31, 2022:</u>

*Common/collective trusts at net asset value	<u>284,987</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total investments at fair value	\$ <u>17,188,323</u>	\$ <u>16,903,336</u>	\$ <u>-</u>	\$ <u>-</u>

*Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4: Information Certified by the Custodian

In accordance with 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected to restrict the scope of the auditor's examination. Certain information disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2023 and 2022, net appreciation (depreciation) in fair value of investments, dividends, and interest income for the years ended December 31, 2023 and 2022, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the custodian. Auditing procedures have not been performed on this information except to compare such information to the information included in the accompanying financial statements.

KARPINSKI ENGINEERING, INC.
EMPLOYEES' PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

Note 5: Party-In-Interest Transactions

At December 31, 2023 and 2022, there were no Party-In-Interest transactions with respect to the investments held by the Plan. Investment management and advisory, and recordkeeping services are paid by the Plan and totaled \$68,429 and \$66,848 for the years ended December 31, 2023 and 2022, respectively. Participant loans are disclosed in Note 2.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7: Tax Status

The Internal Revenue Service has determined by a letter dated September 21, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the determination date, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, with the related trust being tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

The Plan Administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2020.

Note 8: Plan Amendments

There were no plan amendments during 2023.

The plan document was restated during 2022 to comply with the IRS Cycle 3 Plan Document Restatement requirement.

EMPLOYEES' PROFIT SHARING PLAN AND TRUST**

Notes to Financial Statements

December 31, 2023 and 2022

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

FASB ASC 275, *Risks and Uncertainties*, requires disclosures that focus primarily on risks and uncertainties that could significantly affect the amounts reported in the financial statements in the near term or the near-term functioning of the reporting entity. The risks and uncertainties addressed can stem from the nature of an entity's operations, the use of significant estimates, and current vulnerabilities due to certain concentrations.

Note 10: Other Matters

In accordance with the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 those long-term part-time employees who have worked 500 or more hours consecutively, for the years 2021 to 2023, become eligible to participate in the Plan beginning January 1, 2024.
