INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
SBAI Profit Sharing and Retirement Plan Trust
Goodlettsville, Tennessee

Opinion

We have audited the financial statements of the SBAI Profit Sharing and Retirement Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the SBAI Profit Sharing and Retirement Plan Trust as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are required to be independent of SBAI Profit Sharing and Retirement Plan Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **SBAI Profit Sharing and Retirement Plan Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **SBAI Profit Sharing and Retirement Plan Trust's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about **SBAI Profit Sharing and Retirement Plan Trust's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules for the years ended December 31, 2023 and 2022, together referred to as "supplemental information", are presented for the purpose of additional analyses and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

SBAI PROFIT SHARING AND RETIREMENT PLAN TRUST

DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the SBAI Profit Sharing and Retirement Plan Trust provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

1. **General** - The Trust was established September 1, 1984, to provide retirement benefits for eligible employees. The Fund is a defined contribution (401k) plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Fund is financed by employer contributions, employee contributions and earnings from investments. The officers of Southern Benefit Administrators, Inc. (SBAI) are responsible for all aspects of the administration and operation of the Plan.
2. **Contributions/Funding policy**
 - a. **Employee** - Each participant may direct the employer to make cash or deferred arrangement contributions on their behalf to the Plan in an amount equal to whatever percentage of their compensation as may be elected by the participant not to exceed fifteen percent (15%).
 - b. **Employer** - For each plan year, the employer shall make a contribution to the Plan on behalf of each participant equal to 3% of the participant's compensation for that portion of the plan year during which they were a participant.
3. **Participant accounts** - On the valuation date, each participant's account is credited with the contributions made by and for that participant and an allocation of investment income based on the ratio of each participant's individual account to the total of all participants' accounts and debited by any withdrawals made since the last valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are immediately vested in their respective accumulated account balances.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

5. **Retirement benefits** - Retirement benefits under the Plan are payable under one of two options selected by the participant:
- a. **Automatic form** - The benefit payment shall be the balance of their accumulated account paid to them in a single lump sum payment.
 - b. **Optional form** - A participant who qualifies for an early, normal delayed or disability retirement benefit may elect to have the Board of Directors purchase from a life insurance company a single premium contract under which monthly benefits are payable to an unmarried participant for the remainder of their lifetime in an amount equal to the actuarial equivalent of the balance accumulated in the participant's account. If the participant has been married at least one year, the Directors are required to purchase from a life insurance company a single premium non-transferable 50% or 75% joint and survivor contract in an amount equal to the actuarial equivalent of the balance accumulated in the participant's account unless the participant and their spouse elect otherwise in writing prior to the purchase of such annuity.
6. **Death benefits** - In the event that a participant dies before their account has been paid to them, the balance accumulated in the participant's account will be payable to the beneficiary or beneficiaries designated by the participant in a single lump sum payment. If the participant has been married at least one year, the death benefit will be paid to the spouse unless they elect jointly in writing to have such benefit paid to a beneficiary other than the spouse.
7. **Disability benefits** - In the event a participant becomes totally and permanently disabled prior to their normal or early retirement date they shall be entitled to a distribution of their full accumulated account balance in one of the forms outlined under retirement benefits as described above on the first day of the month following the Directors' determination that the participant is disabled.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

8. **Termination benefit** - If a participant terminates employment other than because of death, or otherwise becomes ineligible, and if the participant does not qualify for a retirement or disability benefit, they shall be entitled to a single lump sum payment termination benefit.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting.
- B. **Investment valuation and income recognition** - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Directors determines the Plan's valuation policies utilizing information provided by its investment advisors and custodians. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses include the Plan's gains and losses on investments sold during the year. Unrealized gains and losses include the Plan's gains and losses on investments held during and as of the year end.

- C. **Use of estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- D. **Payment of benefits** - Benefits are recorded when paid.
- E. **Administrative expenses** - Administrative expenses are paid by SBAI.
- F. **Subsequent events** - The Plan has evaluated subsequent events through July 29, 2024, the date the financial statements were available to be issued.

**NOTE 3 - INVESTMENT INCOME, REALIZED GAINS/LOSSES, UNREALIZED
GAINS/LOSSES, SCHEDULE OF ASSETS HELD FOR INVESTMENT PURPOSES AT END
OF YEAR, SCHEDULE OF INVESTMENT ASSETS REQUIRED TO BE REPORTED BOTH
ACQUIRED AND DISPOSED OF WITHIN THE PLAN YEAR AND SCHEDULE OF
REPORTABLE TRANSACTIONS**

As allowed by the U.S. Department of Labor (DOL) and the Internal Revenue Service (IRS), participant-directed investment programs may exclude historical cost data from the Form 5500 and the audited financial statements. Consequently, we have combined the investment income, realized gains/losses and unrealized gains/losses into one figure under "Additions" on the Statement of Changes in Net Assets Available for Benefits.

Historical cost has been omitted for the participant-directed investments on the Schedule of Assets Held for Investment Purposes at End of Year and the Schedule of Assets Required to be Reported Both Acquired and Disposed of Within the Plan Year. Also, the DOL and IRS allow omission of participant-directed investment transactions that would otherwise be reported on the Schedule of Reportable Transactions from the Form 5500 and audited financial statements. We have omitted these transactions from this Schedule.

NOTE 4 - PRIORITIES UPON TERMINATION

It is the intent of the Board of Directors to continue the Plan in full force and effect. However, in the event of termination and in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Board of Directors. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than for the exclusive benefit of the employees or their eligible dependents. In the event the Fund terminates, the net assets of the Fund will be allocated as prescribed by ERISA and its related regulations. Participants should refer to the Agreement and Declaration of Trust for a complete description of the Plan's termination provisions.

PLAN TRUST**

DECEMBER 31, 2023

NOTE 5 - INCOME TAX STATUS

The Internal Revenue Service has advised that the Plan and Trust qualify under the applicable sections of the Internal Revenue Code. The Plan obtained a determination letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Board of Directors believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related Trust is tax-exempt. Consequently, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - INVESTMENT APPRECIATION

During the fiscal year ended December 31, 2023, the Fund's investments (including investment income, realized gains/losses and unrealized gains/losses) appreciated in value by \$3,097,506 as follows:

General account	\$ 25,076
Pooled separate accounts	2,548,957
Mutual fund	523,473
	<u>\$3,097,506</u>

NOTE 7 - FAIR VALUE MEASUREMENTS

The Fund's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

SBAI PROFIT SHARING AND RETIREMENT PLAN TRUST

DECEMBER 31, 2023

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

General deposit account: Valued at amounts on deposit. Interest is guaranteed. **Pooled separate accounts (PSA):** The underlying assets of the PSAs are valued at the closing price reported in the active market in which the investments are traded. However, the net asset values (NAVs) of the PSAs are not publicly quoted. **Mutual fund:** Valued at the NAV of the shares held by the Plan at year end. The underlying securities are traded in active markets.

The following table sets forth, by level within the fair value hierarchy, the Fund's investments at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Total	Level 1	Level 2	Level 3

NOTE 8 - PARTICIPANT-DIRECTED INVESTMENT PROGRAMS

The Plan contains participant-directed investment programs which are managed by Principal Financial Group and consist of the following general deposit account (GDA), pooled separate accounts (PSA) and mutual fund (MF): (1) Principal General Deposit Account (GDA); (2) Principal Bond Core Plus Fund (PSA); (3) Principal Diversified International Fund (PSA); (4) Principal Large Cap S&P 500 Index Fund (PSA); (5) Principal Large Cap Value Fund III (PSA); (6) Principal Lifetime 2015 Fund (PSA); (7) Principal Lifetime 2020 Fund (PSA); (8) Principal Lifetime 2025 Fund (PSA); (9) Principal Lifetime 2030 Fund (PSA); (10) Principal Lifetime 2035 Fund (PSA); (11) Principal Lifetime 2040 Fund (PSA); (12) Principal Lifetime 2045 Fund (PSA); (13) Principal Lifetime 2050 Fund (PSA); (14) Principal Lifetime 2055 Fund (PSA); (15) Principal Lifetime 2060 Fund (PSA); (16) Principal Lifetime 2065 Fund (PSA); (17) Principal Lifetime 2070 Fund (PSA); (18) Principal Lifetime Strategic Income Fund (PSA); (19) Principal Mid Cap S&P 400 Fund (PSA); (20) Principal Small Cap S&P 600 Index Fund (PSA); and (21) TIAA-CREF Large Cap Growth Fund (MF).

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 10 - PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan paid all expenses related to operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. Of note, Principal Financial Group is the Plan's investment custodian, investment manager, and benefits payer.
