Independent Auditor's Report

The Trustees of
Chapman Auto Group 401(k) Plan
Horsham, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Chapman Auto Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chapman Auto Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Chapman Auto Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chapman Auto Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chapman Auto Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

CHAPMAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of Chapman Auto Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees who have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of Chapman Ford Sales, Inc., (Philadelphia, Pennsylvania), Chapman Ford Sales, Inc., (Egg Harbor Township, New Jersey), C & C Ford Sales, Inc., Chapman Ford Sales, LLC, Wolf Motor Company, Chapman Nissan, LLC, Chapman Chevrolet, LLC, and Chapman Management, Inc., (the Companies) may participate in the Plan.

Contributions

Participants may elect to contribute portions of their annual compensation to the Plan, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The employers make contributions to the Plan equal to 50% of the participants' deferrals, up to 4% of the participants' payroll compensation. The employers may also make contributions to the Plan out of the employers' profits, determined at the discretion of the employers. For the year ended December 31, 2023, the employers made no profit-sharing contributions. The employers' contributions are subject to certain limitations.

Participants' Accounts

Each participant's account is credited with the participant's contribution, the employer's matching contribution, and an allocation of plan earnings, and is charged with an allocation of administrative expenses, which consist of recordkeeping and investment management fees. Allocations of earnings and expenses are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contributions, plus earnings on those contributions. Employers' matching contributions and profit-sharing contributions, if any, are subject to a vesting schedule.

CHAPMAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their plan accounts up to a maximum of \$50,000 or 50 percent of their vested account balances, whichever is less. Each loan is secured by the balance in the participant's account and bears interest at a rate that is commensurate with local prevailing rates as determined by the plan administrator.

Payment of Benefits

Distributions from amounts attributable to salary deferrals are not permitted before the age of 59½, except in the event of death, disability, or reasons of proven financial hardship. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a life annuity. For termination of service or for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Participants with partial vesting in their accounts when they terminate employment with the Companies forfeit the non-vested portions of their account balances, which are held separately in a cash account. Forfeitures are used to reduce employers' contributions or to pay plan expenses. There were \$-0- of forfeitures applied against the employers' contribution in 2023. Forfeitures totaled \$-0- for both December 31, 2023 and 2022.

Administrative Expenses

Certain administrative expenses are paid by the Plan and are allocated proportionately to participant account balances. The Companies may absorb other costs related to managing the Plan or use forfeited amounts to fund administrative costs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan presents its financial statements under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value. The net asset values represent the current market values of the underlying assets of the funds. Insurance company general accounts are valued at contract value, which approximates fair value. Purchases and sales of investments are recorded on a trade date basis. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur.

CHAPMAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended December 31, 2023 and 2022.

The Plan's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the years ended December 31, 2023 and 2022.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedule is complete and accurate.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022:

Pooled Separate Accounts: The fair value of pooled separate accounts is based on net asset value (NAV) on the last business day of the plan year provided by the entity holding the trust funds. The NAV of the pooled separate accounts is used as a practical expedient to estimate fair value and is determined by the custodian based on the fair value of underlying assets in the trusts, less the liabilities. Investments in all pooled separate accounts can be redeemed immediately at the current net asset value. There are no withdrawal limits, redemption frequency limits, or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2023 and 2022.

The preceding methods described may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>

Investments Measured at Net Asset Value *	<u>24,518,889</u>			
	<u>\$ 24,518,889</u>			

* In accordance with Accounting Standards Codification, investments that are measured at net asset per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

a. Pooled Separate Accounts	<u>\$ 24,518,889</u>	<u>\$ -</u>	No Limits	None

5. FULLY BENEFIT-RESPONSIVE CONTRACTS

The Plan participates in a fully benefit-responsive investment contract with John Hancock Life Insurance Company via an investment in the John Hancock Stable Value Fund. This is an investment option within the group annuity contract that invests into the John Hancock Stable Value Fund Collective Investment Trust (CIT). The underlying CIT itself is generally fully benefit-responsive and honors eligible redemptions at \$1.00 per unit.

CHAPMAN AUTO GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

5. FULLY BENEFIT-RESPONSIVE CONTRACTS (CONTINUED)

The John Hancock Stable Value Fund is considered a sub-account and is calculated as the number of units of the sub-account held on a particular date multiplied by the unit value on that date, and generally is the value that would be paid out for participant initiated or benefit withdrawals. The contract value of the John Hancock Stable Value Fund approximates fair value.

6. RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds and a group annuity contract managed by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan paid administrative fees from John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, in the amount of \$160,665 for the year ended December 31, 2023. Administrative fees paid to the custodian also qualify as a party-in-interest transaction.

7. PLAN TERMINATION

Although the Companies have not expressed any intent to do so, they have a right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts.

8. TAX STATUS

The Plan obtained its latest determination letter on September 4, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following table is a comparison of categorizations of amounts per the financial statements and per the Form 5500 as of December 31:

	2023	2022
Net Assets Available for Benefits - Per Financial Statements	\$ 32,796,234	\$ 27,189,882
Net Assets - Per Form 5500	\$ 32,796,234	\$ 27,189,882

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

11. CONTINGENCIES

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), was signed into law December 29, 2019. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Effective April 17, 2020, certain provisions were implemented under the CARES Act. The Plan will be formerly amended for the CARES Act and the SECURE Act provisions elected in accordance with applicable law and IRS guidance. Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025.

12. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 9, 2024, the date on which the financial statements were available to be issued.
