Independent Auditor's Report

To the Plan Administrator
Healthkeeperz, Inc. 401(k) Plan
Pembroke, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Healthkeeperz, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
Healthkeeperz, Inc 401(k) Plan
Independent Auditor's Report, continued

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Healthkeeperz, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter-Supplemental Schedule Required by ERISA, continued

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEALTHKEEPERZ, INC. 401(K) PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Healthkeeperz, Inc. 401(k) Plan (the Plan) provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was originally established on March 1, 1999, and was restated July 1, 2022. The Plan covers all employees of Healthkeeperz, Inc. (the Plan Sponsor and Administrator).

Eligibility

All employees are eligible to participate and are automatically enrolled in the Plan. Employees are eligible for the employer match after one year of service. If an employee is a nonresident alien or is an independent contractor, they are not eligible to participate in the Plan.

Contributions

Participants may contribute up to the maximum allowable annual contribution as defined by the Internal Revenue Code (IRC). Participants are automatically enrolled in an elective deferral contribution of 1% of compensation, unless the participant elects a different percentage or elects not to make an elective deferral contribution. The first 2.5% of participant contributions are subject to a 50% employer match. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute any rollover contributions to which they are entitled from another qualified defined benefit or defined contribution plan.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and an allocation of Plan Sponsor's contributions, Plan earnings, and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants can direct the investment of their contributions, including rollover contributions, as well as employer matching contributions made on their behalf into the various mutual funds offered by the Plan. Participants may change their investment options at any time.

HEALTHKEEPERZ, INC. 401(K) PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Vesting

Participants are immediately vested in their contributions, including rollovers, plus actual earnings thereon. A participant is entitled to 100% of his or her account balance upon retirement, death or disability. Vesting in the Plan Sponsor's contribution portion of their accounts plus earnings thereon is based on years of credited service according to the following schedule:

<u>Years of credited service</u>	<u>Vesting percentages</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Generally, loan terms are limited to five years, unless the proceeds are used to acquire a home that will be the primary residence of the participant. The loans are secured by the vested portion of the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rates on the loans outstanding at December 31, 2023 were 4.25% to 9.50%. All loans may be prepaid at any time without penalty. Principal and interest is paid ratably through payroll deductions. Should a participant terminate employment (or be terminated by the Plan Sponsor), the outstanding principal balance of the loan plus accrued interest shall become due immediately.

Payment of Benefits

On termination of service due to disability or retirement, a participant will normally be paid in the form of a qualified joint and survivor annuity over the life expectancies of the employee and spouse. Lump-sum distributions or rollovers to other plans are also available. Death benefits are paid out no later than ninety days following the later of the close of the Plan year within which the participant dies or the close of the Plan year in which the request is received. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Those participants may elect to roll over distributions to other qualified plans or to individual retirement accounts. Hardship withdrawals are also permitted.

Forfeited Accounts

Forfeitures of employer matching contributions are used to offset future employer matching contributions or administrative expenses of the Plan. Forfeitures available to offset these future costs were \$26,919 and \$15,664 as of December 31, 2023 and 2022, respectively. The Plan Sponsor did not utilize any of the forfeitures to pay employer matching contributions or administrative expenses in 2023.

HEALTHKEEPERZ, INC. 401(K) PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Administrative Expenses

The Plan is responsible for its administrative expenses unless paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income from investments as well as from notes receivable is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) in the fair value of investments includes both realized gains and losses and unrealized appreciation (depreciation).

Investment Valuation

All underlying investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year. See Note 4 for discussion of fair value measurements.

2. Summary of Significant Accounting Policies, continued

Notes Receivable from Participants

Notes receivable (participant loans) are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses had been recorded, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participant's account balance. Delinquent loans are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Subsequent events have been evaluated through October 9, 2024, which is the date the financial statements were available to be issued.

3. Information Prepared and Certified by Trustee

The Plan's investment information included in this note and throughout the Plan's financial statements was prepared by or derived from information prepared by Reliance Trust Company (Reliance), the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certification from Reliance that such information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations or Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information in this note and which appears throughout the financial statements.

Reliance certified the fair value of investments held were \$2,590,581 and \$3,335,426 at December 31, 2023 and 2022, respectively.

Reliance also certified to the completeness and accuracy of \$419,335 of net realized and unrealized appreciation in the fair value of investments, and \$76,652 of interest and dividends related to investments for the year ended December 31, 2023.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets); Level 2 (not traded on an active market but for which market inputs are readily available) and Level 3 (valued based on significant unobservable inputs). Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023 and 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

4. Fair Value Measurements, continued

Mutual Funds

These investment vehicles are valued at the daily closing price as reported by the fund. Mutual Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Mutual Funds	\$ <u>2,590,581</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,590,581</u>
<u>2022</u>				
Mutual Funds	\$ <u>3,335,426</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>3,335,426</u>

5. Exempt Parties-In-Interest Transactions

ADP is the custodian as defined by the Plan and therefore, administrative fees paid to ADP qualify as party-in-interest transactions. Administrative fees paid by the Plan totaled \$35,077 for the year ended December 31, 2023. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. Should the Plan terminate, participants would receive benefits under the Plan based on their account balances accumulated to the date of the Plan termination and would become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

7. Income Tax Status

The Plan uses a prototype plan document sponsored by ADP, LLC. An opinion letter was received from the Internal Revenue Service (IRS), dated October 6, 2020, which states that the prototype plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.
