This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement(s) of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the disclosures (collectively, the “financial statements”), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Reliance Trust, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Reliance Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Plan Administrator
Tomra NY Recycling, LLC
1 Corporate Drive, Suite 710
Shelton, CT 06484

We are pleased to confirm our understanding of the services we are to provide for Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan (“the Plan”) for the year ended December 31, 2023 in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974.

Audit Scope and Objectives

Except as described below, we will audit the financial statements of the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the disclosures (collectively, the “financial statements”). We will also report on the supplemental schedules of the Plan for the year ended December 31, 2023. The following supplementary information accompanying the financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures:

- 1) Assets (Held at End of Year) and Assets (Acquired and Disposed of Within Year).
- 2) Loans or Fixed Income Obligations in Default or Classified as Uncollectible.
- 3) Leases in Default or Classified as Uncollectible.
- 4) Reportable Transactions.
- 5) Nonexempt Transactions.
- 6) Delinquent Participant Contributions.

These financial statements and supplemental schedules are required to be included in the Plan’s Form 5500 filing with the Employee Benefits Security Administration (EBSA) of the Department of Labor (DOL).

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor’s report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (GAAP). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section

103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described above, we will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary, except that assets and related transactions certified by the trustee will not be tested. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Plan and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risk(s) of material misstatement as part of our audit planning:

Management override of controls. We will address this risk with auditing procedures to be developed during our audit planning meeting before field work begins

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments except those certified to by the trustee, and certain other assets and liabilities by correspondence with financial institutions, and other third parties.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Our audit of the financial statements does not relieve you of your responsibilities.

Other Services

We will prepare the financial statements of the Plan in conformity with U.S. generally accepted accounting principles based on information provided by you. We will perform this service in accordance with applicable professional standards. The other service is limited to the financial statement service as defined. We, in our sole professional judgement, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

As you have instructed, our engagement does not include preparation of the Plan's Form 5500. Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, requires us to obtain and read the draft Form 5500 that is substantially complete to identify material inconsistencies, if any, with the audited financial statements before we date our report. We will, therefore, not issue our auditor's report until the draft Form 5500 that is substantially complete has been provided for our review.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America with the oversight of those charged with governance. You are also responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence. You are also responsible for maintaining a current plan instrument, including all plan amendments; and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants. You are also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP.

You are also responsible for providing to us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. You are responsible for the fair presentation of the supplemental schedules and the form and content of the supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You agree to assume all management responsibilities for the actuarial services and any other nonattest services we provide; oversee the services by designating an individual, Maria Zoarski, from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

To the Plan Administrator and Trustees

We have completed our audit of the financial statements of Tomra NY Recycling Union 294 401k Savings and Profit Sharing Plan as of and for the year ended December 31, 2023 and have issued our report dated October 8, 2024. We are required to communicate certain matters to you in accordance with auditing standards generally accepted in the United States of America that are related to internal control and the audit. The appendices to this letter set forth those communications as follows:

- I. Communication of Internal Control Matters Identified During the Audit
- II. Auditor's Communication of Significant Matters to Those Charged With Governance

We have discussed these matters with various personnel in the organization during the audit and would be pleased to meet with you to further discuss these matters at your convenience.

These communications are intended solely for the information and use of management and others within the Company, and are not intended to be and should not be used by anyone other than those specified parties.

Appendix I

Communication of Internal Control Matters Identified During the Audit:

In planning and performing our audit of the financial statements of Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan's internal control over financial reporting as a basis for designing audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified. However, as discussed below, certain deficiencies in internal control are considered to be significant deficiencies and other deficiencies are considered to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

Appendix II

Communication of Significant Matters to Those Charged With Governance:

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated June 24, 2024, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management, with your oversight, are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit does not relieve you of your responsibilities.

We planned and performed our audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement and are fairly presented in accordance with U.S. generally accepted accounting principles. Because an audit is designed to provide reasonable, but not absolute, assurance and because we did not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us.

Significant Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. We will advise management about the appropriateness of accounting policies and their application. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2023. We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We did not become aware of anything that would lead us to believe that the estimates are not reasonable.

Audit Adjustments

Professional standards require that the auditor accumulate all known and likely misstatements identified during the audit, other than those the auditor believes to be trivial. An audit adjustment is defined as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An audit adjustment may or may not indicate matters that could have a significant effect on the Plan's financial reporting process (that is, cause future financial statements to be materially misstated). There were no audit adjustments either individually or in the aggregate, which could have a significant effect on the Plan's financial reporting process.

Disagreements with Management

For purposes of this letter, a disagreement with management is defined as a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant, individually or in the aggregate to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Management Comments and Suggestions for Improvements:

During our audit we noted matters that are opportunities for strengthening internal controls and operating efficiency.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with management, and we will be pleased to discuss these comments in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

This information is intended solely for the use of the management and members of the Tomra of North America, Inc. 401(k) Savings and Profit Sharing Plan and is not intended to be and should not be used by anyone other than these specified parties. This report does not affect our report on the financial statements of the Company.

Independent Auditor's Report

To the Administrator of
Tomra NY Recycling, LLC Union 294
401(k) Savings and Profit Sharing Plan
Shelton, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at year end) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note A - Description of the Plan

The following description of Tomra NY Recycling, LLC (the “Company”) Union 294 401(k) Savings and Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established effective January 1, 2018. The Plan covers substantially all employees of the Company who have (i) attained age 21 and who are governed by a collective bargaining agreement under Local Union 294 which retirement benefits were the subject of good faith bargaining. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”).

Administration

The Company is the Plan’s named fiduciary and plan administrator. The Company has appointed Reliance Trust Company as the custodian of the plan and certain officers of the Company to act as the Plan trustees. Reliance Trust Company holds the Plan’s investments and executes investment transactions. The Plan’s record keeper is ADP Retirement Services, Inc. (“ADP”). ADP prepares statements for participants, which include amounts of contributions, investment income, disbursements and fair value of investments. ADP also calculates distributions and forfeitures in the event of a participant’s termination of employment.

Contributions

Participant’s salary reduction election:

The Plan allows each participant to defer up to 70% of their annual qualified compensation. Qualified compensation is defined within the plan document and is subject to Internal Revenue Code (“IRC”) restrictions. In accordance with the IRC, participant contributions were limited to \$22,500 and \$20,500 in plan years 2023 and 2022 and remain subject to periodic adjustments by the Internal Revenue Service (“IRS”). Participants who will reach age 50 by the end of the tax year can make catch-up contributions of up to \$7,500 and \$6,500 in plan years 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employer contribution:

Effective January 1, 2023, the Company provides a non-elective contribution at a rate of 6% of compensation up to forty hours per week. For participants electing to defer more than 6% of compensation, the Company provides a matching contribution of 7.5% of gross annual compensation.

For plan year 2022, the Company provides a non-elective contribution in the amount of 14.5% of eligible compensation for all eligible participants governed by the collective bargaining agreement between the Company and Local Union 294 regardless of the participant’s participation in salary deferral. The Company provides a matching contribution of up to 6% of salary for participants located at the Essex Vermont Warehouse pursuant to the collective bargaining agreement with Teamsters Local 294.

Participants direct their contributions into various investment options offered by the Plan. The Company’s matching contributions to the Plan for the years ended December 31, 2023 and 2022 were \$238,759 and \$507,049, respectively.

Note A - Description of the Plan (continued)

Employer discretionary contribution:

The Company may make a discretionary contribution. Employer discretionary contributions are allocated to eligible participants whether or not employed by the employer on the last day of the Plan year. Also, any participants who were active at any time during the plan year and had retired, died or became totally disabled will be eligible. The Company did not make a discretionary contribution to the Plan for the years ended December 31, 2023 and 2022.

Participant accounts

Each participant's account is credited with the participant's deferrals and the Company's non-elective contribution and Plan earnings. Plan contributions are participant directed and are invested in one or more investment vehicles available to participants under the Plan. Earnings and losses are determined by individual investment vehicle performance.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the employer matching contributions and discretionary contributions, plus the associated earnings thereon is based on years of continuous service. A participant becomes 100% vested after one year of service.

Investment options

The Plan is participant directed. A daily valuation, multi-fund family program has been implemented with ADP. Under the daily valuation program, participants are able to invest their accounts under a menu of mutual funds and common/collective trusts. Under the daily valuation program a participant may (i) access his or her account value at any time and (ii) direct the investment of his or her existing account and future contributions via the internet at any time among the mutual funds offered under the Plan. Under the program, an automated voice response system allows participants to call in and receive individual account balance information and initiate retirement plan actions such as loan requests, contribution percentage changes, custom PIN requests, statement requests and reallocation of funds.

Notes receivable from participants

The Plan provides for loans to participants which are repaid through payroll deductions. Loans (i) will bear a reasonable rate of interest, (ii) are secured by the participant's account, (iii) are available to all participants on a reasonable equivalent basis, (iv) are limited to the lesser of (a) 50% of the participant's vested account balance or (b) \$50,000 and (v) provide for repayment over a period not to exceed five years unless such loan is used to purchase a primary residence. No loan in an amount less than \$500 will be made nor will a loan be made if a prior loan is outstanding. Interest rates range from 4.25% to 9.5% for the years ended December 31, 2023 and 2022.

Note A - Description of the Plan (continued)

Payment of benefits

Participants' benefits under the Plan are payable to participants, their beneficiaries or their estates upon the termination of employment, normal retirement (age 65), early retirement (age 55), late retirement, disability, financial hardship, or death. Also, distributions are available to participants who attain age 59½ and are 100% vested in the accounts from which distributions are made. Benefits are payable in the form of lump-sum distributions or installment payments. Participants may withdraw their rollover accounts at any time.

Hardship withdrawals

Participants may elect, subject to specific circumstances as defined in the Plan, to receive up to the lesser of 100% of their salary reduction contributions (not earnings) or the amount necessary to meet their financial need.

Forfeitures

Forfeited nonvested accounts totaled \$6,266 and \$20 at December 31, 2023 and 2022, respectively. Forfeited balances of employer matching contributions may be used to (i) pay Plan expenses or (ii) reduce future employer matching contributions. During the years ended December 31, 2023 and 2022, respectively, \$6,284 and \$13,175 in forfeitures were applied to reduce the employer matching contributions.

Note B - Summary of Significant Accounting Policies

Basis of presentation

The financial statements of the Plan are presented on the accrual basis of accounting. Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note B - Summary of Significant Accounting Policies (continued)

Investment valuation and income recognition

The fair value of assets is determined using various methods, which are impacted by a number of factors, including the availability of observable market data over the contractual term of the underlying assets. For some of the Plan's assets, fair value is determined based on directly observable market data or data available for similar assets in similar markets. For other assets, the fair value may be determined based on these inputs as well as other assumptions related to estimates of these assets, such as the creditworthiness of the issuer. Changes in net unrealized appreciation or depreciation are captured in the carrying value of the underlying investments in the Statements of Net Assets Available for Benefits in accordance with US GAAP guidance. Dividends are recorded on the ex-dividend date.

Plan investments in mutual funds are stated at fair value based upon quoted market prices. Shares of common/collective trust funds are valued at net asset value.

Risk and uncertainties

The Plan provides the participants with options of investing in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. No allowance for loan losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Contributions

Employee and employer contributions are recorded in the period during which the Company makes payroll deductions from the Plan participants' earnings.

Plan expenses

The Company has elected to charge administrative fees to the Plan's trust and all other expenses are paid by the Company.

Payment of benefits

Benefit payments are recorded when paid.

Note C - Fair Value Measurements

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described below:

Level 1 Inputs: Valuation based on quoted prices in active markets for identical assets or liabilities that a reporting entity has the ability to access at the measurement date, and where transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 Inputs: Valuation based on inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, that is markets in which there are few transactions, prices are not current, or prices vary substantially over time.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs: Valuation based on inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Shares of Registered Investment Companies

The Company determined that valuation measurement inputs of these equity securities required no adjustment from quoted prices in the market. As such, the Plan's investments in mutual funds reflect unadjusted quoted prices from active markets. Accordingly, the Company classified these Plan investments within Level 1 of the hierarchy framework.

Common/Collective Trusts

The Plan includes an investment option to participants in the Invesco Stable Asset Fund, a collective investment trust, which invests in fully benefit-responsive investment contracts that are stated at net asset value, which approximates fair value. The redemption frequency for these funds is daily with a one day redemption notice period. There were no unfunded commitments as of December 31, 2023 and 2022.

Note D - Certified Financial Information (Unaudited)

The plan administrator having determined it is permissible in the circumstances, has elected to have the audit of the Tomra NY Recycling, LLC Union 294 401(k) Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to extend audit procedures to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company as of and for the years ended December 31, 2023 and 2022 stating that the certified investment information listed below is complete and accurate:

Note E - Related Party Transactions

Participant loans are considered party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan made payments to ADP, Inc., for third party record keeping services in the amount of \$3,381 and \$3,862 for plan years ended December 31, 2023 and 2022, respectively. These party-in interest transactions are exempt from the prohibited transaction rules of ERISA.

Note F - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full termination, partial termination, or the complete discontinuance of contributions by the Company, all amounts credited to the affected participants' combined accounts shall become 100% vested.

Note G - Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note H - Subsequent Events

The Plan administrator evaluated subsequent events through October 8, 2024 which is the date the financial statements were available to be issued.
