Integrated Research, Inc. 401(k) Profit Sharing Plan
Denver, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the accompanying financial statements of Integrated Research, Inc. 401(K) Profit Sharing Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company, a qualified institution, as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in *Note C* to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Integrated Research, Inc. 401(K) Profit Sharing Plan

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

A. Plan Description:

The following description of the Integrated Research, Inc. 401(K) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General:

The Plan is a participant-directed defined contribution plan sponsored by Integrated Research, Inc. covering all non-bargaining, full-time employees who are age 21 or older. Employees are eligible to enter the Plan beginning on the first day of the month after attaining the age of 21. Effective January 1, 2023, employees must also have completed one month of service to be eligible. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. Reliance Trust Company serves as the custodian and trustee. ADP, Inc. serves as the recordkeeper and third-party administrator. Global Retirement Partners serves as the investment advisor.

Contributions:

Each year, participants may make traditional or Roth contributions up to 90 percent of their eligible compensation, as defined in the Plan, not to exceed the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company contributes a nonelective Safe Harbor contribution equal to 3 percent of eligible compensation regardless of whether the participant contributed or not. The Company can also elect to make discretionary matching contributions and discretionary profit sharing contributions. For the years ended December 31, 2023 and 2022, the Company did not elect to make any discretionary contributions.

Investment Options:

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust. Participants may change their investment allocations at any time.

Participant Accounts:

Each participant's account is credited with the participant's contribution, allocations of the Company's contributions and plan earnings and any fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

A. Plan Description (Continued):

Vesting:

Participants are immediately vested in all contributions plus actual earnings thereon.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate being charged by lending institutions in the same geographical locale as the Company. Interest rates are fixed for the term of the note. The maximum loan term is five years unless the loan is for the purchase of a primary residence, which may be approved for an extended period. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits:

Upon termination of service due to death, disability, retirement, or separation of employment, a participant is eligible for a distribution of his or her vested account balance. Participants who reach age 59.5 are also eligible for a distribution of his or her vested account balance. The Plan also allows for hardship withdrawals with certain limitations. Terminated participants with a vested account balance of \$1,000 or less will receive a lump-sum distribution upon termination.

Forfeited Accounts:

Excess employer contributions forfeited are used at the discretion of the plan administrator and can be utilized to pay plan expenses, reduce employer contributions, or allocated as additional employer contributions. No forfeitures were used during the years ended December 31, 2023 and 2022. The Plan held \$1,025 and \$990 of forfeited nonvested accounts at December 31, 2023 and 2022, respectively.

B. Summary of Accounting Policies and Investments:

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment custodian. See *Note D* for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

B. Summary of Accounting Policies and Investments (Continued):

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Administrative expenses may be paid by the Company or the Plan at the Company's discretion. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment advisory and management fees are allocated proportionately to participants based on their respective account balances. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

C. Information Certified by the Plan's Trustee:

The Company has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution and the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate, to the best of their knowledge and belief:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) and interest income from notes receivable from participants as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investments and notes receivable from participants as shown in the accompanying supplemental information as of December 31, 2023.

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

DECEMBER 31, 2023 AND 2022

D. Fair Value Measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for identical or similar assets or liabilities in active or inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability or that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at quoted market prices, which represent the NAV of shares held by the Plan. Mutual funds held by the Plan are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

INTEGRATED RESEARCH, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

D. Fair Value Measurements (Continued):

Common Collective Trust: The Reliance MetLife Stable Value Series 25157 fund (Stable Asset Fund), is a common collective trust that invests primarily in investment contracts. The Plan reports its investment in the Stable Asset Fund at the net asset value of the units held by the fund at year-end as a practical expedient. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The Stable Asset Fund is not subject to any withdrawal restrictions and distributions may be taken at any time. The Plan has no unfunded commitments relating to the Stable Asset Fund at December 31, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair Value Measurements at December 31, 2023			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 4,743,400	\$ -	\$ -
Investment measured at net asset value as a practical expedient**			64,158
Total investments, at fair value			\$ 4,807,558

Fair Value Measurements at December 31, 2022			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 4,896,870	\$ -	\$ -
Investment measured at net asset value as a practical expedient**			46,211
Total investments, at fair value			\$ 4,943,081

** In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

E. Related Party and Party-in-Interest Transactions:

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association or relatives of such persons.

The Plan incurred administrative fees of \$16,570 and \$16,982 to the recordkeeper and \$14,608 and \$16,868 to the investment advisor during the years ended December 31, 2023 and 2022, respectively. The Company also provides certain administrative services at no cost to the Plan. Certain investments of the Plan are sponsored by the trustee.

F. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

G. Reconciliation of Financial Statements to Form 5500:

INTEGRATED RESEARCH, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

H. Plan Tax Status:

The Plan has adopted a non-standardized pre-approved plan document provided by ADP, LLC. This pre-approved plan has been filed with the appropriate agency and has obtained a favorable opinion letter dated October 6, 2020 from the Internal Revenue Service stating that the pre-approved plan constitutes a qualified plan under section 401 of the Internal Revenue Code and that the trust was tax-exempt. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

Management performs an annual analysis of the Plan's various tax positions, assessing the likelihood of those positions being upheld upon examination by relevant taxing authorities. Management believes the Plan has conducted its operations in accordance with applicable income tax reporting requirements, and has properly maintained its tax-exempt status, and has taken no material uncertain tax positions that qualify for recognition or disclosure in the financial statements.

I. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

J. Subsequent Events:

The Plan did not have any subsequent events through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued, for events requiring recording or disclosure in the financial statements for the year ended December 31, 2023.
