Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the Avian 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

The 2022 financial statements of Avian 401(k) Profit Sharing Plan were audited by other auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 12, 2023 indicated that (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Avian 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company, with the exception of the following classes of employees: (a) union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless the collective bargaining agreement requires the employee to be included within the Plan; and (b) certain nonresident aliens who have no earned income from sources within the United States. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Administrative Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Sponsor.

Contributions

Participants may contribute an amount not to exceed the dollar limit that is set by law, of pretax and post-tax annual compensation, as defined by the Plan. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to contribute to the Plan immediately and includes an automatic salary deferral feature. Unless the participant makes an affirmative election, the employer will withhold 8% of compensation each payroll period. Participants who are automatically enrolled will have their balances automatically increased by 1% each year up to 15% unless they go online to change this automatic increase. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. If a participant does not elect how to invest their contributions, the contributions will automatically be invested in the investment fund designated by the Plan Sponsor or the trustee as the default fund. The Plan currently offers various mutual funds and common collective trusts as investment options for participants.

For employees who have been employed for three (3) months, the Company makes contributions equal to 3% of the employee's compensation. Additional discretionary profit sharing contributions may be contributed at the option of the Company's board of directors. In order to receive an allocation of the profit sharing contributions a participant is required to complete 1,000 hours of service in a plan year and be employed on the last day of the Plan year. Contributions are subject to certain Internal Revenue Service (IRS) limitations. There were no additional discretionary profit sharing contributions during the year ended December 31, 2023.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company allocations of any employer discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The vesting percentage of profit sharing contributions is determined under the following schedule, where a 12-month period from the date of employment is considered a year of service, with the exception of participants employed by the Company on December 31, 2016. Such participants are 100% vested in accounts attributable to profit sharing contributions.

Less than 2 Years	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 or More Years	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount generally equal to the lesser of \$50,000 or 50% of their vested account balance, as further described in the Plan document, with certain exceptions under the legislative provisions. Generally, the term of the loan may not exceed five years, unless the loan is used to acquire a dwelling unit to be used as the principal residence of the participant. The loans are secured by the balance in the participant's account and bear interest at rates at 1% plus the prime rate, ranging from 4.25% to 9.25%. Principal and interest are paid ratably through payroll deductions. Loans are considered in default if the participant fails to make payments when they are due under the terms of the loan.

Payment of Benefits

On termination of service due to death, disability, or retirement, participants (or their designated beneficiaries) who have a balance greater than \$5,000 may elect to receive the total vested balance in a lump-sum distribution or installments or may leave the balance in the Plan until minimum distribution is required. A participant with a vested balance of less than \$5,000 will receive a mandatory lump-sum distribution.

**AVIAN 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (Continued)

In-service distributions are allowed for participants upon attainment of age 59-1/2. Additionally, a qualified reservist in-service distribution may be available from elective deferral accounts to participants who are qualified members of the reserves and meet certain conditions set forth in the Plan.

Hardship distributions are permitted from elective deferral accounts to participants who satisfy certain financial needs and meet specified conditions set forth the Plan. Other in-service withdrawals may be permitted from rollover and after-tax employee contributions. In order for the earnings on Roth elective deferrals to be distributed tax-free for federal income tax purposes, a distribution from Roth deferral and rollover accounts, must be a qualified distribution, including attainment of age 59-1/2, disability, or death, and may be subject to the expiration of a five-year participation period.

Forfeited Accounts

Forfeitures may be used by the Plan for several purposes, including the payment of Plan expenses or to reduce the employer's contribution. To the extent that forfeitures are not used to first reduce Plan expenses, they are to be used to reduce the employer's contribution. For the year ended December 31, 2023, no expenses or employer contributions were paid from forfeited nonvested accounts. Forfeited nonvested accounts totaled \$7,352 and \$6,350 on December 31, 2023 and 2022, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted within the United States of America requires the Plan management to make estimates and assumptions that affect certain reported amounts and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**AVIAN 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investments Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value investments.

Subsequent Events

The Plan has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in the fair value of investments, interest, and dividends for the year ended December 31, 2023 was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**AVIAN 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds – Various mutual funds are offered to Plan participants. Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Common Collective Trust – Previously valued using the net asset value (NAV) as a practical expedient, however management determined the funds have a readily determinable fair value based on no liquidity restrictions and daily valuation procedures, therefore are valued as a Level 2.

**AVIAN 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 36,310,876	\$ -	\$ -	\$ 36,310,876
Collective Trusts	-	1,368,916	-	1,368,916
Total Investments at Fair Value	<u>\$ 36,310,876</u>	<u>\$ 1,368,916</u>	<u>\$ -</u>	<u>\$ 37,679,792</u>

2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 24,771,410	\$ -	\$ -	\$ 24,771,410
Collective Trusts	-	5,867,665	-	5,867,665
Total Investments at Fair Value	<u>\$ 24,771,410</u>	<u>\$ 5,867,665</u>	<u>\$ -</u>	<u>\$ 30,639,075</u>

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 INCOME TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility risk, including global events, such as the coronavirus pandemic. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

During 2023 and 2022, ADP was the recordkeeper of the Plan and Reliance was the trustee. The financial statements include Plan recordkeeping expenses paid by the Plan. Fees paid during the year for accounting and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services.

The Plan issues notes to its participants, which are secured by the participants' balance. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 9 NONEXEMPT TRANSACTION

The Company failed to remit participant salary deferral contributions for certain payroll periods during the year ended December 31, 2022, within the time frame prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and IRC. The Company will correct the 2022 contributions during 2024.
