## **INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of  
The Goddard School

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of The Goddard School (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## THE GODDARD SCHOOL

### NOTES TO FINANCIAL STATEMENTS

---

#### 1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of The Goddard School (the "Plan") provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions.

*General* - The Plan, established effective January 1, 2012 and restated effective September 1, 2019, is a defined contribution plan which covers substantially all employees of Bellanza, Inc. (the "Sponsor") and other participating employers (collectively, the "Company"). Employees are eligible to participate upon completion of 1,000 hours and twelve months of service as defined in the Plan Document and enter the Plan on the first day of the month after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Basis of Accounting* - The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

*Use of Estimates* - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of changes in net assets during the reporting periods. Actual results could differ from those estimates.

*Contributions* - The Company deposits cash to the Plan based on withholdings from the employees' pretax and/or after-tax earnings. Participants may elect to contribute to the Plan up to 85% of compensation. Eligible employees with an entry date beginning January 1, 2013 are automatically enrolled for deferral at 2% of eligible compensation unless they opt out of participation or make a different election.

The Plan provides for employer matching contributions, equal to 25% of the first 4% of participant salary deferrals per pay period. The Plan also provides for discretionary annual non-elective contributions to participants in proportion to their eligible earnings compared to the eligible earnings of the other participants. There were no discretionary non-elective contributions for the years ended December 31, 2023 and 2022.

*Participant Accounts* - Each participant's account is credited with the employee and applicable employer contributions and an allocation of the Plan's earnings on a daily basis. Allocations of plan earnings are based on a participant's account balance as a percentage of the total account

balances for the applicable investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Investment Options* - Participants may direct their contributions as well as their share of employer contributions and any related earnings into various investment options. The Plan is invested in various funds maintained by Reliance Trust Company.

*Vesting* - Participants are immediately vested in voluntary contributions, employer matching contributions, non-elective employer contributions and investment income thereon.

*Payment of Benefits* - On termination of service due to death, disability, retirement or other reasons, and subject to certain restrictions, a participant or designated beneficiary may elect to receive an amount equal to the value of the vested interest in his or her account, subject to applicable tax withholding requirements. If a participant's vested account balance exceeds \$5,000, he or she may elect to receive a distribution in a lump-sum payment or IRA rollover, receive installments, request partial withdrawals, or defer receiving payments until age 70 1/2. If a participant's vested account balances does not exceed \$5,000 and the participant does not request a lump sum distribution, then the Plan will roll over the distribution to an IRA. Participants who face hardships or attain age 59 1/2 may also be eligible for distributions.

*Participant Loans* - Participants may borrow up to 50% of their account balance up to a maximum of \$50,000. The original amount of the loan must be at least \$500. Participants may have only one loan outstanding at any time. All loans must be repaid in their entirety within five years, unless the purpose of the loan was to purchase a principal residence. The interest rate on new participant loans is the prime rate at loan inception plus 2%. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The interest rate on loans outstanding as of December 31, 2023 and 2022 ranged between 5.25% and 10.50%.

*Administrative Expenses* - The Plan's expenses are paid by the Company or the Plan as provided by the Plan Document.

*Investment Valuation and Income Recognition* - The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

*Fair Value Measurements* - U.S. GAAP establishes a framework for measuring fair value of financial assets. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as

follows:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2      Inputs are not quoted prices in active markets but they are observable either directly or indirectly.
- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022.

*Mutual Funds:* Valued using quoted prices in an active market (Level 1 measurement).

*Common Collective Trust Funds:* Valued at net asset value per share of units of a common collective trust, which is a practical expedient to estimate fair value and is excluded from the fair value hierarchy. Investments are redeemable on a daily basis without restriction. There are no unfunded commitments to these funds at December 31, 2023 and 2022.

The methods described above may produce fair value calculations that may not be indicative of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting dates.

*Risks and Uncertainties* - Plan assets are composed of various investment securities, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits and the statement of changes in assets available for benefits.

*Subsequent Events* - The Sponsor has analyzed subsequent events for recognition and disclosure purposes through October 10, 2024, the date which the financial statements were available to be issued. During 2024, three additional participating employers were admitted into the Plan as a result of acquisitions and new businesses started by the Sponsor.

## **2. PLAN TERMINATION**

The Sponsor anticipates and believes that the Plan will continue without interruption but reserves the right to discontinue the Plan at its discretion. In the event that such discontinuance results in the termination of the Plan, participants are entitled to their entire account balance. The net assets of the Plan will be distributed by the trustee in accordance with the trust agreement in a uniform and nondiscriminatory manner.

## **3. INCOME TAX STATUS**

The Plan operates under an adoption agreement in connection with a non-standardized, pre-approved profit sharing plan with a cash or deferred arrangement. The IRS issued an opinion letter dated October 6, 2020 indicating that the form of the pre-approved Plan is acceptable for use by employers under Section 401 of the Internal Revenue Code (IRC). Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Management believes that there is no liability related to uncertain tax positions at December 31, 2023 or 2022. The Plan is no longer subject to U.S. federal or state income tax examinations by tax authorities for tax years before 2020.

## **4. CERTIFIED FINANCIAL INFORMATION**

Reliance Trust Company, the trustee, has certified that the following data included in the accompanying financial statements is complete and accurate.

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the statements of changes in assets available for benefits for the years ended December 31, 2023 and 2022.
- The schedule of assets held for investment purposes at December 31, 2023, as shown on the accompanying schedule.

## **5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

| Part I | Asset and Liability Statement |
|--------|-------------------------------|

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
