INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Ken Ganley Companies Retirement Savings Plan
Broadview, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Ken Ganley Companies Retirement Savings Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of **December 31, 2023** and **2022**, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended **December 31, 2023**, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Ken Ganley Companies Retirement Savings Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended **December 31, 2023** and **2022**, stating that the certified investment information, as described in **Note C** to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

MEMBERS
AMERICAN INSTITUTE OF
CERTIFIED PUBLIC ACCOUNTANTS
OHIO SOCIETY OF
CERTIFIED PUBLIC ACCOUNTANTS

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in **Note B**.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Ken Ganley Companies Retirement Savings Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to **Note B** to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in **Note B**; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Ken Ganley Companies Retirement Savings Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Ken Ganley Companies Retirement Savings Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Ken Ganley Companies Retirement Savings Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note B.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in **Note B**.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the accompanying table of contents as of and for the year ended **December 31, 2023** are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KEN GANLEY COMPANIES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A – DESCRIPTION OF THE PLAN

The following description of the **Ken Ganley Companies Retirement Savings Plan** (Plan) provides only general information. The Plan covers various dealerships managed by **Ken Ganley Companies**. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Ken Ganley Companies (the "Company", and plan "Sponsor") established the plan effective January 1, 1999 and has been amended on various dates, most recently November 1, 2022. The Plan is a contributory tax deferred plan established under section 401(k) of the Internal Revenue code and covers all full-time employees who have completed one year of service and have attained the age of twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan Administrator and is responsible for the day-to-day operation of the Plan. They designate other parties to perform certain duties.

The Plan's Trustees is **Reliance Trust Company**.

Tax Status

The Internal Revenue Service has determined by letter dated March 31, 2008 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable provisions of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the Company's matching contribution, (b) an allocation of Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to contribute a portion of their pay each period to the Plan. Participants may contribute the lesser of **\$22,500** and **\$20,500** for **2023** and **2022**, respectively or **75%** of their compensation. If a participant reached age **50** in **2023** or **2022**, the participant could contribute an

NOTES TO FINANCIAL STATEMENTS

additional **\$7,500** or **\$6,500** to the Plan, respectively. Participants direct the investment of their contributions into various investment options offered by the Plan. These deferred contributions (salary deferrals) are not subject to federal or state income tax when the contribution is made to the Plan, instead they are taxed when paid from the Plan. A participant may also designate contributions as before-tax savings,” Roth” after tax savings, or any combination of the two. Employees may revoke their election at any time during the year.

The Company makes matching contributions equal to **5%** of amounts contributed by a participant during each plan year. In addition, the Company has the right to make additional discretionary contributions to the Plan. There were no discretionary contributions made in **2023** or **2022**. These contributions shall be unrelated to any employee contributions made during the Plan year and shall be distributed to employees on a pro rata basis as of the end of the Plan year.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s contributions portion of their accounts plus earnings thereon is based on years of continuous service.

Participants are vested in Company contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	0%
3	100%

Net assets available for benefits include the accounts of active participants, as well as certain separated, vested and retired participants who have elected to receive their benefits in installment payments. These participants share in the earnings of the investments.

Investment Options

Upon participation in the Plan, a participant may direct contributions in one or more of the investment funds provided under the Plan. Separate accounts are maintained for elective contributions, matching contributions and discretionary contributions. Participants may change their investment options at their own discretion.

Participant Loans

Notes receivable from participants are measured at their unpaid principal balance, plus accrued interest. Participants may borrow from their fund accounts a minimum of **\$1,000** up to a maximum equal to the lesser of **\$500,000** or **50%** of their account balance. The loans are secured by the balance in the participant’s account and bear interest at prime plus **1%** and range from **4.25%** to **9.50%**, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document. No allowance for credit losses has been recorded as of **December 31, 2023** and **2022**.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Payment of Benefits

On termination of service due to disability, retirement, or other reason, a participant (or their designated beneficiary) elects to receive benefits under the various options described in the plan documents including lump-sum payment, direct rollover options, partial distributions or a series of installment payments in an amount equal to the value of the participant's vested interest in his or her account. If any portion of the participant's vested benefit is attributable to Roth elective deferrals or Roth rollover contributions that portion may only be rolled over to a similarly designated Roth IRA or a retirement plan accommodates Roth accounts.

If the participant's vested account balance is **\$5,000** or less (disregarding any rollover balance), then it may only be paid out in a single lump sum payment. If it is over **\$5,000**, it may be paid in a single lump sum payment, or in installments over a period of not more than the participants life expectancy, or on an ad-hoc basis.

Hardship Distribution

Under certain circumstances, a participant may qualify for certain hardship distributions if a participant has an immediate and significant financial need, subject to certain usage requirement and other conditions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become **100%** vested in their accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of **Ken Ganley Companies Retirement Savings Plan** is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the preparation and fair presentation of the financial statements. These accounting policies conform to the modified cash basis of accounting and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The financial statements are prepared on the modified cash basis of accounting. Accordingly, significant receivables, payables and other liabilities are presented based upon the following policies.

Estimates

The preparation of financial statements on the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value of Financial Instruments

Financial Accounting Standards Board *Accounting Standards Codification* (FASB ASC) 825 requires disclosures about the fair value for all financial instruments, whether or not recognized, for

KEN GANLEY COMPANIES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

financial statement purposes. Disclosures about fair market value of financial instruments are based on pertinent information available to management as of **December 31, 2023** and **2022**. Accordingly, the estimates presented in these statements are not necessarily indicative of the amounts that could be realized on disposition of the financial instruments.

Investment Valuation and Income Recognition

Investments in mutual funds and stable value collective trusts are reported at fair value as determined by the Plan trustee. See **notes C, D & E** for further investment disclosures.

Contributions

The plan recognizes and records contributions at the time payment is received. Contributions under generally accepted accounting principles are recognized as a legal obligation to contribute when incurred.

Payment of Benefits

Benefits are recorded when paid.

Expense Recognition

Expenses are recognized and recorded at the time that payment is made. Expenses under generally accepted accounting principles are recognized as they are incurred.

Administrative Expenses

Trustee fees are generally paid by the Plan, while the Sponsor pays other costs of administering the Plan. Certain administrative and clerical functions are performed by the Company's employees at no charge to the Plan.

Forfeited Accounts

Forfeitures occur when participants terminate employment before becoming fully vested in employer contributions to the Plan. At **December 31, 2023** and **2022** forfeited non-vested accounts totaled **\$70,161** and **\$27,971**, respectively. Forfeited amounts may be used to reduce administrative expenses and then future employer contributions to the Plan. The amounts of forfeitures utilized to offset plan expenses for the years ended **December 31, 2023** and **2022** were **\$4,573** and **\$3,607**, respectively. The amounts of forfeitures utilized to offset employer contributions for the years ended **December 31, 2023** and **2022** were **\$-0-** and **\$-0-**, respectively.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

Subsequent Events

Management has evaluated subsequent events through **October 11, 2024**, the date on which the financial statements were available to be issued. No additional events occurred that would require adjustments to, or disclosures in the financial statements.

NOTE D – FAIR VALUE MEASUREMENTS OF INVESTMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- a. Quoted prices for similar assets or liabilities in active markets
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets
 - c. Inputs other than quoted prices that are observable for the asset or liability
 - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs that are unobservable inputs for the asset or liability.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

KEN GANLEY COMPANIES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

- Mutual funds: Valued at closing price reported on the active market in which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of **December 31, 2023** and **2022**. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments Measured Using the Net Asset Value per Share Practical Expedient

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of **December 31, 2023** and **2022**, respectively. There are no participant redemption restrictions for those investments; the redemption notice period is only applicable to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trusts	\$ 4,278,823	n/a	Daily	12 months
Total	<u>\$ 4,278,823</u>			

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trusts	\$ 3,949,158	n/a	Daily	12 months
Total	<u>\$ 3,949,158</u>			

Stable Value Collective Trusts

A stable value fund that is composed primarily of synthetic and traditional guaranteed investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require **12** months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Transfers Between Levels

For years ended **December 31, 2023** and **2022**, there were **no** transfers between Levels 1 and Level 2 and **no** transfers in or out of Level 3.

NOTE E – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE F – PARTIES-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services for the Plan, and employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent of more of such employer or employee association, or relatives of such person. **Reliance Trust Company, ADP, Inc., and Merrill Lynch Pierce Fenner & Smith** are the service providers.

Reportable direct expenses on the 5500 were paid to **ADP, Inc.** for various recordkeeping administrative services amounted to **\$61,168** and **\$52,269** for **2023** and **2022**, respectively.
