INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Ankle and Foot Centers of Georgia 401(k) Plan
Peachtree City, GA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ankle and Foot Centers of Georgia 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ankle and Foot Centers of Georgia 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements referred to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ankle and Foot Centers of Georgia 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ankle and Foot Centers of Georgia 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ankle and Foot Centers of Georgia 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ankle and Foot Centers of Georgia 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental

schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANKLE AND FOOT CENTERS OF GEORGIA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1: Description of the Plan

The following description of the Ankle and Foot Centers of Georgia (“Company”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of the Company who are age 21 or older. Prior to June 30, 2017, an employee was eligible after they completed one year of service in which they worked at least 1,000 hours during a 12-month period, beginning on their date of hire and ending with their date of hire anniversary. The Plan was amended effective June 30, 2017, to shorten the service requirement to three months with no hours of service requirement. It is not open to any employees who are covered by a collective bargaining agreement, a non-resident alien who does not receive any U.S. sourced income from their employer or any 410(b)(6)(c) transaction employee during the year of transition. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The original effective date of the Plan was October 1, 1996. Ankle and Foot Centers of Georgia, LLC provides services and management oversight functions for a group of approximately 15 affiliated companies whose employees participate in the Plan.

Contributions

Each year, participants may contribute between 1% and 100% of eligible compensation not to exceed the limits imposed by Code Sections 401(k), 402(g) 404 and 415 of pretax annual compensation, as defined in the Plan. The maximum participant deferral limit was \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Catch-up contributions of \$7,500 and \$6,500 were available to participants who had attained age 50 or older by December 31, 2023 and 2022, respectively, and had not exceeded the contribution limit for the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan also offers a Roth 401(k) option. Participants self-direct the investments of their contributions into any of the investment options offered by the Plan.

The Company has elected a 401(k) Safe Harbor Matching Employer Contributions Formula. The formula is 100% of the first 3% of the eligible participants’ compensation contributed to the plan and 50% of the next 2% of the eligible participants’ compensation contributed to the Plan. To be eligible for matching contributions, the employee is required to make deferral contributions. The employer may also make a discretionary profit-sharing contribution to only those eligible under the terms of the Plan. To be eligible, the employee must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the plan year. The employer did not make any discretionary profit sharing contributions to the Plan for the years ended December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 1: Description of the Plan – continued

Participant Accounts

Each participant's account is credited with the participant's and employer matching contribution, earnings or losses on their account, and charged with an allocation of investment fees, administration fees or transaction based fees. *Investment fees* are generally assessed as a percentage of assets invested, and are deducted directly from investment returns. *Participant charges* are fees paid by the participants for distributions and other services.

Vesting

Participants are immediately vested in their contribution, employer Safe Harbor matching contributions, any rollover account plus actual earnings thereon. The following six (6) year graduated vesting schedule has been elected for employer's discretionary profit sharing contributions.

Years of Vesting Service	Vested Percentage
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Vesting is based on an elapsed time method, not hours. Only full years of service will be counted.

Participant loans

Loans are not permitted from the Plan.

Payment of benefits

On termination of service including due to death, disability or retirement, a participant may elect to receive either a lump sum or partial payments of the amount equal to the value of the participant's vested interest in his or her account at any time. If the account balance is \$5,000 or less, the employee cannot postpone the distribution of the account. If the account is in excess of \$1,000 and the employee does not withdraw the balance by either lump-sum or rollover the account administrator will direct the custodian to distribute the account balance to an Individual Retirement Account for the employee's benefit. If the balance is less than \$1,000, the administrator has a right to direct the custodian to distribute the account as a lump sum, without consent of the participant.

NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 1: Description of the Plan – continued

Forfeited accounts

Per the plan adoption agreement, any forfeited accounts will be applied to reduce future employer contributions. For the years ending December 31, 2023 and 2022, forfeitures applied to reduce Company contributions were \$0 and \$108, respectively. At December 31, 2023 and 2022, there were no forfeitures available for future use.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Company. Investment related expenses are included in net investment gains of investments. The Plan sponsor pays for the annual required audit.

NOTE 2: Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

Management of the Plan has made certain estimates and assumptions relating to the reporting of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities to prepare the financial statements in conformity with generally accepted accounting principles. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Net change in fair value of investments includes realized and unrealized gains and losses on those investments. Purchases and sales of securities are recorded on a trade-date basis.

Benefit Payments

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through October 10, 2024, which is the date the financial statements were available to be issued.

ANKLE AND FOOT CENTERS OF GEORGIA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 3: Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4: Information Certified by Custodian

The custodian has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Trust Company as of December 31, 2023 and 2022, except for comparing such information certified by Principal Trust Company to information included in the Plan's financial statements and supplemental schedule of assets held for investment purposes.

Statement of net assets available for benefits:	2023	2022
Common/collective trust	\$13,961,262	\$11,264,219
Stable value fund	228,698	137,641
Statements of changes net assets available for benefits:		
Net investment gain	\$ 2,013,861	\$ (2,409,464)

NOTE 5: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefit.

Subsequent to December 31, 2023, equity markets have generally improved. For example, as of September 30, 2024, the S&P 500 Index had increased approximately 21%.

NOTE 6: Fair Value Measurement

The Plan has adopted the provisions of Accounting Standards Codifications 820 ("ASC 820"), Fair Value Measurements, for financial assets and liabilities. Under ASC 820, fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, ASC 820 establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into

ANKLE AND FOOT CENTERS OF GEORGIA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 6: Fair Value Measurement – continued

three broad levels. These levels, in order of highest priority to lowest priority, are described as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Unobservable prices that are based on inputs not quoted on active markets, but corroborated by market data.

Level 3: Inputs are unobservable inputs for the asset that are supported by little or no market activity and that are significant to the fair value of the underlying asset.

Following is a description of the valuation methodologies used for assets measured at fair value:

Common/Collective trust fund:

Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The collective investment funds are not required to be classified within a level on the fair value hierarchy.

Stable value fund: The stable value fund invests in fully benefit-responsive guaranteed investment contracts (GICs), which are general obligations of the insurance companies that issue the contracts, as well as synthetic GICs and other financial instruments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Stable value fund	\$ <u> </u> -	\$ <u>228,698</u>	\$ <u> </u> -	\$ <u>228,698</u>

Investments Measured at NAV Practical Expedient				<u>11,264,219</u>

NOTE 7: Income Tax Status

The Internal Revenue Service has determined, and communicated in the letter dated June 30, 2020, that the prototype non-standardized profit sharing plan, as adopted by the Employer, is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require the plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The plan administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2023, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2020.
