INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Fassio Egg Farms, Inc. 401(k) Profit Sharing Plan
West Valley, Utah

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the **Fassio Egg Farms, Inc. 401(k) Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of **February 29, 2024 (In Liquidation), December 31, 2023 (In Liquidation) and 2022 (Ongoing)** and the related statements of changes in net assets available for benefits for the periods **January 1, 2024 - February 29, 2024** and for the year ended **December 31, 2023 (in Liquidation)**, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period **January 1, 2024 to February 29, 2024 and as of and for the years ended December 31, 2023 and 2022**, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting on the Financial Statements

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the liquidation basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting as described in Note 2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the liquidation basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
JANUARY 1, 2024 TO FEBRUARY 29, 2024 AND DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Fassio Egg Farms, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Fassio Egg Farms, Inc., a large egg producer based in Utah (the “Organization or the Company”). Employees are eligible on the a) first day of the first month of the Plan Year or b) first day of the seventh month of the Plan Year, coincident with or next following the date you attain age 21 and you complete one (1) Year of Eligibility Service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan assets are held at and certified by Ascensus Trust Company (“the Custodian”). See Note 3.

In September 2023, the Company’s Board of Directors determined that they are in the process of selling the Company to an unrelated third-party. The potential buyer is not assuming the Plan and the Plan will remain in place until all participants rollover their balances or cash them out. As a result of this potential Plan termination, the Plan has changed its basis of accounting to the liquidation basis. Under the liquidation basis of accounting, assets are measured to reflect the amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

The Plan terminated in late 2023 and all assets were distributed out as of February 29, 2024.

Contributions

The Plan allows for the following types of contributions:

- *Employee Salary Deferral Contributions*
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Code. Employees may voluntarily contribute a portion of their compensation, subject to various limitations prescribed by the Code.
- *Employee Roth Elective Salary Deferral Contributions*
Participant may make after-tax Roth elective salary deferral contributions to the Plan.
- *Non-Elective Safe Harbor Contributions*
The Plan Sponsor will contribute safe harbor contributions equal to 100% of participant salary deferrals up to 3% of compensation.
- *Discretionary Employer Profit Sharing Contributions*
The Plan Sponsor may make a profit-sharing contribution to the Plan. Such contribution shall be determined by the Plan Sponsor and allocated amongst employee classes at the Plan Sponsor’s discretion. Participants must have at least 1,000 hours of service during the Plan year to be eligible for the contribution and need to be employed on the last day of the Plan year.

NOTES TO FINANCIAL STATEMENTS
JANUARY 1, 2024 TO FEBRUARY 29, 2024 AND DECEMBER 31, 2023 AND 2022

- *Discretionary Employer Matching Contributions*
The Plan Sponsor may make a matching contribution. Participants must have at least 1,000 hours of service during the Plan year to be eligible for the contribution.

- *Rollover Contributions*
Employees may make rollover contributions from another qualified plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Organization's matching contribution, discretionary Organization contribution, earnings, and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, and the non-elective safe harbor employer contributions. Participants vest in discretionary employer profit sharing contributions and matching contributions and gains/losses credited thereon over a six-year period as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

The Plan allows participants to borrow up to the lesser of \$50,000 or 50% of their vested account balance, but no less than \$1,000. Borrowings bear interest at the prime rate plus 2% and are due within five years. If the purpose of the loan is for the acquisition of the Participant's primary residence the period of repayment may exceed five years. Loans are secured by the balance in the participants' account.

Payment of Benefits

On termination of service, if a participant's account is less than \$5,000, the participant receives a lump-sum amount equal to the value of his or her vested account balance. If the participant's account exceeds \$5,000, the terminated participant may elect to defer distribution until a later date (but not later than their normal retirement date).

Forfeitures

Forfeitures, when applicable, can be used to reduce employer contributions and pay Plan expenses.

NOTES TO FINANCIAL STATEMENTS
JANUARY 1, 2024 TO FEBRUARY 29, 2024 AND DECEMBER 31, 2023 AND 2022

Plan Termination

The Company has the right under the Plan to amend or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants will become 100% vested in their accounts. See Note 1 regarding the Company's election to terminate the Plan.

Administrative Expenses

Currently, the Organization pays certain professional fees related to the Plan. The Plan pays certain expenses charged for participant-directed transactions, such as loan processing fees, distribution fees, and participant set-up fees, as well as investment management fees, where these expenses are allocated to participant's accounts based on the participant's current fair value. These expenses are reflected in the accompanying statements of changes in net assets available for benefits as administrative expenses.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

As discussed in Note 1, the financial statements of the Plan are prepared under the liquidation basis of accounting. This basis of accounting does not differ from the accrual basis of accounting.

Use of Estimates

In preparing the Plan's financial statements, the Plan administrator is required to make estimates and assumptions that affect the reported amounts of Plan assets, and liabilities, and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value.

Investment income consists of interest and dividend income. The net appreciation or depreciation, if applicable, in the fair value of investments consists of realized gains/losses and the unrealized appreciation/depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

The Plan allows loans to participants in accordance with the Plan document. These loans are reported at the unpaid principal balance plus accrued interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - SUMMARY OF INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan Administrator has obtained a certification from the Custodian that the information provided to the Plan Administrator by the Custodian is complete and accurate. A summary of information included in the financial statements, which has been certified, is as follows:

	<u>2024</u>	<u>2023</u>	<u>2022</u>
Investments	\$ 0	\$ 12,030,779	9,592,160
Notes receivable from participants	0	227,972	209,320
Net appreciation of investments	365,546	1,360,205	
Interest on notes receivables from participants	0	6,768	

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs for which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at February 29, 2024, December 31, 2023 and 2022:

NOTES TO FINANCIAL STATEMENTS
JANUARY 1, 2024 TO FEBRUARY 29, 2024 AND DECEMBER 31, 2023 AND 2022

Mutual Funds: Valued based upon quoted prices in an active market.

The methods described above may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at fair value as of February 29, 2024				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 0	\$ 0	\$ 0	\$ 0
Total investments at fair value	\$ 0	\$ 0	\$ 0	\$ 0

Assets at fair value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 12,030,779	\$ 0	\$ 0	\$ 12,030,779
Total investments at fair value	\$ 12,030,779	\$ 0	\$ 0	\$ 12,030,779

Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 9,592,160	\$ 0	\$ 0	\$ 9,592,160
Total investments at fair value	\$ 9,592,160	\$ 0	\$ 0	\$ 9,592,160

NOTE 5 - INCOME TAX STATUS

On June 30, 2020, the IRS stated that the prototype adopted by the Plan, as then designated, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself, however, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan's accounting guidance requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Organization has analyzed the tax positions taken by the Plan, and has concluded that as of and for the Plan years ended February 29, 2024, December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PARTY IN INTEREST TRANSACTIONS

Certain participants have borrowed on their vested account balances. As the individuals are participants in the Plan, these transactions qualify as party-in-interest transactions.
