INDEPENDENT AUDITORS' REPORT

**To the Plan Administrator of
Trafon Group Retirement Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed an audit of the financial statements of Trafon Group Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Trafon Group Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respect, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Trafon Group Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Trafon Group Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audits of Financial Statements, (Cont'd)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Trafon Group Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Trafon Group Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRAFON GROUP RETIREMENT PLAN
Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Trafon Group Retirement Plan (“the Plan”) provides only general information about the Plan’s provisions.

Participants should refer to the plan document for a more complete description.

(a) General

On July 1, 2017 Trafon Group Inc. (“the Sponsor”) adopted a defined-contribution profit sharing plan in the form of the A&A Employee Benefits Consulting Corporation Prototype Retirement Plan. It is a qualified plan, exempt from Puerto Rico taxes and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The adoption agreement signed by the Plan assigned Mr. Carlos Trápaga Fonalledas as the Trustee.

There were 112 and 115 participants with account balances in the Plan as of December 31, 2023 and 2022, respectively.

(b) Eligibility

The Plan covers all full-time employees of the Plan Sponsor who are of age twenty-one (21) or older, provided they have been in service for at least nine (9) months.

(c) Contributions

Each year, participants may contribute up to \$15,000 of pre-tax annual compensation, as established by Act No. 1 of January 31, 2011 of the Internal Revenue Code for a New Puerto Rico (“IRC-NPR”). Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions of \$1,500. Additionally, participants may make after-tax contributions up to a maximum of 10% of their compensation.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct all or a portion of the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, fixed annuities and collective trust funds as investment options for participants.

The Sponsor can make discretionary profit-sharing contribution and discretionary matching contributions of pretax contributions made by participants. Also, additional amounts may be contributed to the Plan by the Sponsor, at the option of the Sponsor’s Board of Directors, subject to certain limitations. For the years ended December 31, 2023 and 2022, the Sponsor’s matching contributions were 25% of the participants’ contributions up to a maximum of 6% of the participants’ compensation. During the years ended December 31, 2023 and 2022, there were no profit sharing or additional amounts contributed to the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN, CONTINUED

(d) Participant accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions and the Sponsor's matching contributions, as well as, allocations of the Sponsor's profit sharing and additional amounts, if any, the Plan's earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participants' earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting

Participants are immediately vested in their voluntary contributions and become vested in the Sponsor's contributions, in accordance with the following schedule:

<u>Completed years of service</u>	<u>Vesting percentage</u>
Less than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Employees hired before the Plan adoption date (July 1, 2017), are immediately vested in the Sponsor's contributions.

(f) Payment of benefits

Upon termination due to retirement, death or disability, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance or receive monthly, quarterly, semiannual or annual installments. In-service withdrawals will be allowed in the case of financial hardship.

(g) Forfeited accounts

Forfeited non-vested accounts are to be used to reduce future employer profit sharing and/or matching contributions and to pay administrative expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$4,875 and \$4,565, respectively. For the year ended December 31, 2023, forfeitures amounting to \$1,587 was used due to an amount paid in prior years for a lesser amount than the participant's vested percentage. For the year ended December 31, 2022, there was not forfeitures amount used.

(h) Loan to participants

The Plan document stipulates that loans to participants are not permitted.

NOTE 2 - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES

(a) Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

(b) Basis of presentation

The Plan's fiscal year ends on December 31st of each year. All references to years in these notes to the financial statements represent calendar years unless otherwise noted.

(c) Change in accounting principle

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2018-13, "Fair Value Measurement (Topic 820)" Disclosure Framework- Changes to the Disclosure Requirements for Fair Value Measurement". This new guidance removes certain disclosure requirements related to the fair value hierarchy, modifies existing disclosure requirements related to measurement uncertainty and adds new disclosure requirements. This new guidance was effective for the Plan beginning on January 1, 2020 and did not have a material impact on the Plan's financial statements.

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Investments valuation and income recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (4) for a discussion of fair value measurements.

For investments in mutual funds that are registered with the Securities and Exchange Commission, fair value is determined using net asset values (NAV). The NAV per share of the registered investment companies is published daily and is calculated by each fund based on the market value of the underlying securities within each fund.

The reported value for the fully benefit-responsive investment contract is reported and presented in the face of the statements of net assets available for benefits at contract value.

TRAFON GROUP RETIREMENT PLAN
Notes to Financial Statements
December 31, 2023 and 2022

NOTE 2 - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES, CONTINUED

(e) Investments valuation and income recognition, continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments, includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(f) Payment of benefits

Benefit payment to participants is recorded upon distribution. As of December 31, 2023 and 2022, benefits due to withdrawn participants that had not been paid amounted to \$1,000 and \$1,638, respectively.

(g) Administrative expenses

The Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. All administrative expenses are paid and absorbed by the Participants, unless paid by the Sponsor. Investment related expenses are included in net appreciation of fair value of investments, presented in the accompanying statement of changes in net assets available for benefits.

(h) Liabilities

As of December 31, 2023 and 2022, a liability was recorded on the statement of net assets available for benefit due to an incorrect calculation of vesting percentages of some participants that requested distributions.

(i) Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of certain investment securities will occur in the near term and that such changes, could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental Schedule H-Line 4(i) Schedule of Assets (Held at Year End), including investments held at December 31, 2023 and 2022, and net depreciation and appreciation in fair value of investments, interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Trust Company, LLC, the custodian of the Plan.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability; and
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: A collective trust fund is valued at share prices/net asset values ("NAV's") that are generally obtained directly from the fund house or other investment provider. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 4 – FAIR VALUE MEASUREMENTS, CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair value measurement as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 943,757	\$ -	\$ -	\$ 943,757
Collective trust funds, measured at net asset value*	-	-	-	300,365
	<u>\$ 943,757</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,244,122</u>

Fair value measurement as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 692,202	\$ -	\$ -	\$ 692,202
Collective trust funds, measured at net asset value*	-	-	-	231,426
	<u>\$ 692,202</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 923,628</u>

*In accordance with ASC 820-10, certain investments that were measured at the net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2023 and 2022, there was no transfer in or out of levels 1, 2, or 3.

TRAFON GROUP RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 4 - FAIR VALUE MEASUREMENTS, CONTINUED

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2023 and 2022:

Investment Type	Fair Value December 31, 2023	Fair Value December 31, 2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds	\$ 300,365	\$ 231,426	\$ -	Daily	Daily

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (the Insurance Company.) It covers its Key Guaranteed Portfolio Fund, which is a general account product. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The average interest earned by the Plan was 1.4% and 1.05% for the years ended December 31, 2023 and 2022. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Great-West Trust Company, LLC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022 was \$77,371 and \$81,519, respectively. The crediting interest rate is compounded daily to the effective annual interest rate. The interest rate to be credited during the calendar year will be determined by Great-West Trust Company, LLC prior to the last day of the previous calendar year and shall be reset annually. The effective annual interest rate will never be less than 1%.

Certain events might limit the ability of the Plan to transact at contract value with the insurance company. Such events include the following; (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the Employers or other Employers events that cause a significant withdrawal from the Plan, (iv) premature termination of the contract, among others. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

TRAFON GROUP RETIREMENT PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 6 – REFUNDS OF EXCESS CONTRIBUTIONS FROM PARTICIPANTS

The plan is subject to certain non-discrimination rules under ERISA. For the years ended December 31, 2023 and 2022, the Plan failed certain of the non-discrimination tests due to lower contribution percentages by non-highly compensated eligible employees relative to the contribution's percentage of highly compensated eligible employees. To meet the requirements of the non-discrimination rules under ERISA, the Plan refunded in 2023 the amount of \$7,106 of the contributions made by highly compensated participants. Also, by the end of the year 2024, management will refund the amount of \$14,678 of the contributions made by highly compensated participants.

NOTE 7 – OTHER LIABILITIES

As of December 31, 2023 and 2022, a liability was recorded for the amount of \$1,000 and \$1,638, respectively, due to an error in the vested percentage of some participants that requested distributions.

NOTE 8 – PARTY-IN-INTEREST AND PROHIBITED TRANSACTIONS

In accordance with the Department of Labor's Regulation 2510.3-102, an employer is required to segregate participants' contributions from its general assets as soon as practical when amounts are contributed by participants or withheld from their wages for a pension plan, such as the Plan. For the years ended December 31, 2023 and 2022, there were unintentional delays in the remittance of participant's contribution amounted to \$104 and \$6,940. When participants' contributions are not remitted timely the Sponsor is responsible to contribute the lost earnings on those contributions. The Sponsor has agreed to absorb any cost resulting from the untimely remittances of the participants' contributions.

Also, during the years ended December 31, 2023 and 2022, there were incorrect calculations of vesting percentages, which caused benefit payments to be understated by \$1,000 and \$545, respectively. Such amounts were recorded by the Plan as forfeitures.

In addition, during the year ended December 31, 2019, the amount of \$1,416 was erroneously used to reduce Sponsor's matching contributions. The 2019 amount also represented forfeitures erroneously calculated and had to be reimbursed to the Plan, along with lost earnings. Since amount was not paid by Sponsor neither the years ended December 31, 2023 and 2022, it remains as a receivable as of December 31, 2023 and 2022 in the accompanying statements of net assets available for benefits.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, the rights of all affected participants in their accounts, up to the date of such termination, shall become non-forfeitable.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 10 - ADMINISTRATIVE EXPENSES

The trustee and the recordkeeper receive an administrative fee for the services performed under the Plan Agreement. The fee of administering the Trust and the Plan shall be payable by the Plan unless paid for by the Sponsor. Administrative fees paid by the Plan for the years ended December 31, 2023 and 2022 amounted to \$17,377 and \$15,228, respectively. No fees were paid by the Sponsor during the years ended December 31, 2023 and 2022.

NOTE 11 - TAX STATUS

The Plan has received its latest determination letter from the Puerto Rico Treasury Department ("PRTD") dated April 19, 2018, stating that the Plan is qualified under Section 1081 of the IRC-NPR, and therefore, the related trust is exempt from taxation.

The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

NOTE 12 - DATE OF MANAGEMENT'S REVIEW

The Plan Administrator is not aware of any subsequent events, which would require recognition and/or disclosure in the financial statements. The Plan Administrator has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued.
