Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Neel-Schaffer Engineers and Planners, Inc. 401(k) Plan and Trust (hereafter referred to as the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

Certified Public Accountants · Consultants · hrkcpa.com

1052 Highland Colony Parkway, Suite 100
Ridgeland, MS 39157

Washington, DC 20005
p: 202-558-5162 · f: 601-605-0733

Opinion (continued)

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

The Participants and Administrator
Neel-Schaffer Engineers and Planners, Inc.
401(k) Plan and Trust (continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

The Participants and Administrator
Neel-Schaffer Engineers and Planners, Inc.
401(k) Plan and Trust (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Item 4(a) – schedule of delinquent participant contributions for the year ended December 31, 2023, and Schedule H, Item 4(i) - schedule of assets (held at end of year), as of December 31, 2023, are presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (continued)

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 1 • DESCRIPTION OF THE PLAN

The following description of the Neel-Schaffer Engineers and Planners, Inc. (hereafter referred to as the "Company") 401(k) Plan and Trust (hereafter referred to as the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was enacted effective January 1, 1988, and is a defined contribution plan covering all employees of the Company. Employees become eligible to participate upon completion of one month of service and attainment of age twenty-one. The Company's Board of Directors and the Plan Administrator control and manage the operation and administration of the Plan. Fidelity Management Trust Company served as the Custodian of the Plan assets while three executive officers of the Company serve as Trustees of the Plan assets. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company is a multi-disciplinary engineering and planning firm, which encompasses a group of specialized companies with offices in Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, South Carolina, Tennessee and Texas. Its primary business activity is to provide expertise and services in engineering, emergency management, landscape architecture, environmental, surveying, geotechnical, strategic planning and community development to clients throughout the Southeast and Southwest.

Contributions

Participants may contribute up to the tax law dollar limit of their compensation to the Plan limited to \$22,500 and \$20,500 for 2023 and 2022, respectively, as adjusted annually by the Secretary of the Treasury. Participants may contribute up to 22 percent of their bonus wages, subject to regulatory limitations.

Additionally, participants age 50 and older can elect to make additional catch-up deferrals, limited to \$7,500 and \$6,500 in 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. As a safe harbor plan election, the Company contributes 100 percent of the first 3 percent of compensation that a participant contributes to the Plan and 50 percent of the next 2 percent. The Company has the right to make discretionary contributions up to Federal tax law limits. During 2023 and 2022, the Company did not make any discretionary profit-sharing contributions.

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching and discretionary contributions and the participant's account earnings. Each participant's account is charged with an allocation of expenses. Forfeited balances of terminated participant's non-vested accounts are used to reduce employer contributions for future years. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and in the Company's matching contributions made on their behalf, plus actual earnings thereon. The Company's discretionary profit-sharing contribution vested is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
One	20%
Two	40%
Three	60%
Four	80%
Five	100%

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any investment option offered by the Plan. The Plan currently offers thirty-three funds as investment options for participants. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging between 4.25 and 9.50 percent, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions. Delinquent loans are treated as distributions based upon the terms of the Plan document.

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

Upon termination of service, participants with vested benefits of \$1,000 or less are automatically paid a single lump sum payment. Participants with vested benefits in excess of \$1,000 may elect to receive their benefits as a single lump sum payment, including a rollover to an eligible retirement plan or defer payments to a later date.

Administrative Expenses

In 2023 and 2022, certain investment expenses were paid for by the Plan. All other administrative expenses were absorbed by the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value measurement of investments. It is at least reasonably possible that the significant estimates used will change within the next year.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Employee and Employer Contributions

Employee deferrals and respective employer matching contributions are recognized as additions to net assets on the date on which such employee deferrals would otherwise have been payable to the participant. Employee rollover contributions are recognized as additions to net assets on the date transferred from other qualified plans. Employer discretionary contributions are recognized as additions to net assets when approved by the Board of Directors.

Investment Valuation and Income Recognition

Investments are reported at fair value and any unrealized appreciation or depreciation for the year is reflected in the statements of changes in net assets available for benefits. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in certain entities that calculate net asset value per share are, as a practical expedient, reported at fair value using net asset value per share. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued, but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Concentration of Market Risk

The Plan assets include a significant amount of collective investment trusts and registered investment companies, which invest primarily in marketable equity securities and fixed income securities. Accordingly, the performance of the investments is dependent on the equity and debt securities markets which involve price volatility. Additionally, the collective investment trusts and registered investment companies may invest in securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Subsequent events were evaluated by the Plan through October 7, 2024, which is the date the financial statements were available to be issued.

NOTE 3 • INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-related supplemental schedules, including investments held and notes receivable from participants at December 31, 2023 and 2022, and a net appreciation (depreciation) in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company.

NOTE 4 • FAIR VALUE MEASUREMENTS

Fair value measurements define fair value as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Fair value measurements establish a fair value hierarchy that prioritizes the observable and unobservable inputs used to measure fair value into three broad levels:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 4 • FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of units of the collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 5 • PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions for years 2023 and 2022, was investment administrative fees payable to Plan Custodian of \$129,833 and \$126,473. Such fees are based on customary and reasonable rates for such services.

NOTE 6 • INCOME TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity Management & Research Company. The prototype plan has received an opinion letter from the Internal Revenue Service, dated March 31, 2014, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

There were no uncertain tax positions identified related to the current year and the Plan has no unrecognized tax benefits at December 31, 2023 and 2022, for which liabilities have been established. The Plan recognizes interest and penalties, if any, related to unrecognized tax benefits as a component of income tax expense.

NOTE 7 • SECURE 2.0 ACT

On December 29, 2022, the Securing a Strong Retirement Act of 2022 ("SECURE 2.0") was signed into law. Some of the retirement plan changes in SECURE 2.0 that may/will affect the Plan include:

- changes to required minimum distribution age and penalties;
- higher catch up contributions;
- emergency withdrawal flexibility; and
- matching of student loan payments.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

NOTE 8 • NON-EXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. Contributions of \$240,709 were not remitted within the required time period for the year ended December 31, 2023. The Plan has started the process to correct the matters through the Voluntary Fiduciary Correction Program and make the participant accounts whole.
