INDEPENDENT AUDITOR'S REPORT

The Partners Group, LLC 401(k) Profit Sharing Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Partners Group, LLC 401(k) Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF THE PLAN:**

The following description of The Partners Group, LLC 401(k) Profit Sharing Plan ("the Plan", fka The Partners Group, LTD 401(k) Profit Sharing Plan) provides only general information. Participants should refer to the Summary Plan Description for a more comprehensive description of the Plan's provisions.

General:

The Plan is a defined contribution retirement plan covering all employees of The Partners Group, LLC (collectively, the "employer" and "plan sponsor") who are not covered by a collective bargaining agreement. Employees are not eligible for employer contributions until they have completed six months of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* ("ERISA") and is administered by a Board of Trustees (the "plan trustees") appointed by the plan sponsor.

Contributions:

Participants:

Elective contributions – Participants may elect to contribute pre-tax or after-tax compensation (up to the lesser of 100% of compensation or the annual limit specified by the Internal Revenue Service) which the employer contributes to the Plan for the participant's account.

The annual limit specified by the Internal Revenue Service was \$22,500 and \$20,500 (\$30,000 and \$27,000 for participants age 50 or older) for the years ended December 31, 2023 and 2022, respectively.

Rollover contributions - Participants may also contribute distributions from individual retirement accounts and other qualified retirement plans.

The Plan includes an auto-enrollment provision such that all newly eligible employees are automatically enrolled in the Plan. Unless they affirmatively elect not to participate in the Plan, automatically enrolled participants have their deferral rates set at 4% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant.

Employer:

Matching contributions - the employer may make discretionary matching contributions based on participant elective contributions. The employer matched 50% of each participant's elective contributions up to 8% of their eligible compensation (i.e., a maximum contribution of 4% of each participant's eligible compensation). Matching contributions totaled \$884,102 and \$807,971 for the years ended December 31, 2023 and 2022, respectively.

Profit sharing contributions – the employer may also make discretionary profit sharing contributions. There were no profit sharing contributions for either of the years ended December 31, 2023 and 2022.

THE PARTNERS GROUP, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, Continued
(See Independent Auditor's Report)

1. **DESCRIPTION OF THE PLAN**, Continued:

Funding Policy:

Participant elective contributions and employer matching contributions are generally funded within 15 days of each pay period. Discretionary profit sharing contributions, if any, are funded by the extended due date of the sponsor company's tax return.

Vesting:

Participants are 100% vested in their elective contributions, rollovers, and earnings thereon. Participants become 100% vested in their share of employer contributions (and earnings thereon) over four years of credited service. Participants also become 100% vested at normal retirement age (i.e. age 65) and upon death or permanent disability.

Participant Accounts:

Participant accounts are credited with elective contributions, rollover contributions, employer contributions, and allocations of investment income. Participant accounts are charged with allocations of investment losses and administrative expenses paid by the Plan (note 8).

Participants direct their account balances into various investment options offered by the Plan. The Plan currently offers 14 common collective trusts, 16 mutual funds, and 1 pooled separate account upon request.

Payment of Benefits:

Normal retirement age under the Plan is 65. Upon termination, participants (or their designated beneficiary) will receive a lump-sum distribution if their vested account balance is less than \$1,000. If the participant's vested account balance is more than \$1,000 but less than \$5,000 and the participant fails to elect a distribution or rollover option for their vested account balance, the plan sponsor will distribute the vested balance as a direct rollover to an individual retirement account designated by the plan sponsor. Participants with vested account balances over \$5,000 can elect to receive a lump-sum distribution of their vested account balance, or remain in the Plan until they reach age 73, at which time they must take "required minimum distributions" over their life expectancy.

Participants can elect to take in-service distributions from their accounts upon reaching age 59½.

If a participant has a "financial hardship" (as that term is defined by the Internal Revenue Service guidelines), the participant can withdraw from their participant and vested employer contributions account, including earnings thereon, up to the amount needed to satisfy the hardship, regardless of age.

THE PARTNERS GROUP, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, Continued
(See Independent Auditor's Report)

1. **DESCRIPTION OF THE PLAN**, Continued:

Notes Receivable from Participants:

Participants may borrow up to 50% of their vested account balance (minimum of \$1,000 and a maximum of \$50,000). Loans are secured by the participant's account balance and are repaid through payroll deductions. Principal and interest are amortized up to 60 months (up to a longer period for loans used to purchase a principal residence). Loans bear interest at the prime rate plus 2% (10.5% at December 31, 2023).

Participant Forfeitures:

Forfeitures from terminated participants' non-vested accounts can be used to reduce employer contributions, make an additional employer contribution or to pay plan expenses. Approximately \$12,500 and \$13,000 of forfeitures were used to reduce employer discretionary matching contributions at December 31, 2023 and 2022, respectively. There were unallocated forfeitures of approximately \$200 and \$2,200 at December 31, 2023 and 2022, respectively.

Tax Status:

The Plan has adopted a non-standardized form of a pre-approved plan. The pre-approved plan provider, Premier Retirement Services, Inc., has received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which stated the plan agreement, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended and restated since receiving the opinion letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

The Plan does not enter into transactions or take uncertain positions that would require adjustment to or disclosure in the financial statements under FASB ASC 740, *Income Taxes*.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

Basis of Accounting:

The Plan's financial statements are prepared on the accrual basis of accounting, except as follows:

- Benefits paid to participants and fees paid for services are recorded when paid. Distributions requested and fees incurred but not yet paid were not significant at either December 31, 2023 or 2022.
- Interest from investments and dividend income are recorded when received. Unrecorded interest and dividend were not significant at either December 31, 2023 or 2022.

Investments are reported at fair value. Fair value is the price that would be received in an orderly transaction between market participants at the measurement date.

THE PARTNERS GROUP, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, Continued
(See Independent Auditor's Report)

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**, Continued:

Basis of Accounting, Continued

Purchases and sales of securities are recorded on their trade date. The net appreciation (depreciation) in the fair value of plan investments includes gains and losses on investments sold during the year as well as those held at the end of the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. There is no allowance for credit losses as delinquent participant notes are reclassified as distributions based upon the terms of the Plan document and the Code.

Subsequent Events:

Subsequent events that could affect the Plan's financial statements and related disclosures have been evaluated through October 4, 2024, the date the financial statements were available for distribution.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan trustees, plan custodians and plan service provider to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. **PLAN TERMINATION**:

Although it has not expressed the intent to do so, the plan sponsor has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account balances.

4. **ADMINISTRATION OF PLAN ASSETS**:

The Plan's investments are held by Principal Life Insurance and Trust Companies ("Principal", the plan custodian) and are managed by the plan trustees. Administrative functions are performed by third party plan service providers, as well as certain officers of the plan sponsor (who are also plan trustees). While these officers receive no compensation from the Plan, they participate in the Plan and are entitled to plan benefits.

Certain administrative expenses (e.g., member requested services and loan documentation) are paid by the Plan and are charged directly to the participant's account, whereas other expenses (e.g., audited financial statements and investment advisory fees) are paid directly by the plan sponsor. All administrative expenses paid by the Plan are reported as administrative expenses on the accompanying statement of changes in net assets available for benefits.

THE PARTNERS GROUP, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, Continued
(See Independent Auditor's Report)

4. **ADMINISTRATION OF PLAN ASSETS**, Continued:

Certain investment expenses (e.g., investment advisory and administrative fees) paid indirectly through revenue sharing and similar arrangements are included in net appreciation (depreciation) in fair value of investments.

5. **RISKS AND UNCERTAINTIES**:

The Plan's investments are exposed to interest rate, market and credit risks. Due to the risk level associated with certain investment securities, it is at least reasonably possible that valuation changes will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of assets available for benefits.

The Plan is designed to comply with Section 404(c) of ERISA with respect to investment account balances directed by the participants. If the Plan complies with those requirements, the plan sponsor and plan trustees are relieved of legal liability for losses resulting from participant investment decisions.

6. **INFORMATION PREPARED AND CERTIFIED BY THE PLAN CUSTODIAN**:

The plan trustees have elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 in the Department of Labor's *Rules and Regulations for Reporting and Disclosure under ERISA*. As such, the information with respect to investments held by Principal at December 31, 2023 and 2022 and related investment income during the years then ended, has not been audited. Information contained in the accompanying financial statements and supplemental schedule which has been certified by Principal includes investments and investment income, but excludes contributions receivable and notes receivable from participants.

7. **FAIR VALUE MEASUREMENTS**:

FASB ASC 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

THE PARTNERS GROUP, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, Continued
(See Independent Auditor's Report)

7. **FAIR VALUE MEASUREMENTS**, Continued:

Level 2:

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3:

Inputs to the valuation methodology are unobservable but are significant to the fair value measurement.

An asset's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques must maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued by Principal based on unadjusted quoted market prices in active markets at the end of the year (Level 1). The Plan's investments in mutual funds totaled \$9,800,709 and \$6,643,582 at December 31, 2023 and 2022, respectively.

Common Collective Trust Accounts: Valued by Principal based on quoted market prices of the underlying assets in active markets, adjusted for applicable investment management and administrative fees (Level 2). The Plan's investments in common collective trust accounts totaled \$21,014,191 and \$17,824,596 at December 31, 2023 and 2022, respectively.

Pooled Separate Account: Valued by Principal based on quoted market prices of the underlying assets in active markets, adjusted for applicable investment management and administrative fees (Level 2). The Plan's investments in a pooled separate account totaled \$99,333 and \$109,156 at December 31, 2023 and 2022, respectively.

The methods described above could produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan custodians and plan trustees believe the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement.

THE PARTNERS GROUP, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, Continued
(See Independent Auditor's Report)

8. **"PARTY-IN-INTEREST" TRANSACTIONS:**

Various third parties provide administrative, investment advisory and custodial services to the Plan. Transactions with these entities are considered "party-in-interest" transactions under the provisions of ERISA. Amounts charged by Principal to participant accounts for these services totaled \$6,096 and \$6,165 during the year ended December 31, 2023 and 2022.

Certain expenses incurred by the Plan are included in net appreciation (depreciation) in fair value of investments, as they are paid indirectly through revenue sharing and other similar agreements, rather than a direct payment.
