Independent Auditor's Report

To the Board of Trustees
Sherman & Howard Retirement Plan #2

Opinion

We have audited the financial statements of Sherman & Howard Retirement Plan #2 (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022 and the changes in net assets available for benefits for the year ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Trustees
Sherman & Howard Retirement Plan #2

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Plan Description

The following description of Sherman & Howard Retirement Plan #2 (the "Plan") provides only general information. Participants and all others should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a single-employer defined contribution plan established on January 1, 2003 and subsequently amended by the law firm of Sherman & Howard L.L.C. (the "Firm" or the "Plan Sponsor"). The Firm maintains a total of five separate retirement plans (the "Plans") for the members and employees of the Firm. The retirement plans include two defined benefit plans, Sherman & Howard Equity Member Cash Balance Plan A and Sherman & Howard Equity Member Cash Balance Plan B, and three defined contribution plans, Sherman & Howard Retirement Plan #1, Sherman & Howard Retirement Plan #2, and Sherman & Howard Retirement Plan for Associates. The plan assets for the three defined contribution plans (the "Combined Plans") are maintained in three legally separate trusts, and the record keeping is maintained at the combined plan level. The Plan represents 54 percent of the Combined Plans' assets held in the trusts.

Participants will be enrolled on the first plan entry date (January 1 or July 1) coinciding with or following the date of hire for participants to make contributions by salary reduction under Internal Revenue Code (IRC) Section 401(k).

In order to become eligible for employer contributions, an employee, member, or employee of a member of the Firm must have completed one year of service (1,000 hours in an employment year to be considered one year of service) without an intervening break in service prior to or as of an entry date of the Plan (January 1 or July 1). Participants must be employed on the last day of the year and must complete 1,000 hours of service during the year to be eligible to receive employer contributions, except in the circumstances of death, disability, or termination on or after attainment of normal retirement age. Under certain circumstances, a new employee or member may be credited with past service from a previous employer and become eligible for employer contributions prior to completing a year of service at the Firm.

Employees, counsel, nonequity members whose last names begin with the letters J through Z, and all equity members are eligible to participate in the Plan. Employees, counsel, and nonequity members whose last names begin with the letters A through I are not eligible to participate in the Plan. Associate employees are not eligible to participate in the Plan. However, employees, counsel, nonequity members whose last names begin with the letters A through I, and associate employees may be eligible to participate in another plan within the Combined Plans.

Administration

Sherman & Howard L.L.C. is the sponsor of the Plan. The Firm, as provided in the plan document, is the plan administrator and has responsibility for the administration of the Plan. Charles Schwab Bank Business Trust Division (Schwab) serves as the custodian and manages the Combined Plans' assets. Milliman, Inc. (Milliman) maintains the Combined Plans' records. Schwab offers the Combined Plans' participants a variety of investment options, and individuals may invest in the various investment options through self-directed brokerage accounts or the Firm's selected investment funds.

Contributions

The Combined Plans provide for employer contributions to all participant groups based on eligible compensation at a contribution percentage determined at the Firm's discretion.

December 31, 2023 and 2022

Note 1 - Plan Description (Continued)

Employer contribution percentages for each plan year shall be adjusted as may be required so that employer contributions for the plan year are nondiscriminatory. The employer contribution for equity members of the Firm is split evenly between Sherman & Howard Retirement Plan #1 and Sherman & Howard Retirement Plan #2. The employer contributions for the other participant groups are made to the retirement plan in which the individual participates, as determined by the eligibility terms defined above. Employer contributions are funded annually.

Participants may make before-tax contributions up to 100 percent of their annual eligible compensation, as limited by the Internal Revenue Service (IRS), which is adjusted annually by the secretary of the Treasury for inflation. Eligible employees who have reached age 50 during the plan year may elect to make catch-up contributions, as limited by the IRS. IRC Section 415 limits the aggregate contribution made to all plans, which may reduce the contribution allowed under this Plan. Participants direct 100 percent of their contributions into various investment options offered by the Plan. The Plan also permits rollover contributions from other qualified retirement plans and individual retirement accounts. Employee contributions to the Plan are made through regular payroll deductions.

Participants are eligible to defer on an after-tax basis through regular payroll deductions up to 100 percent of eligible compensation as Roth 401(k) deductions. Provided requirements are met, withdrawals of Roth contributions and any earnings are tax free to the participant. A participant's combined pretax and after-tax contributions cannot exceed the maximum annual amount allowed by law.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Firm's contributions and plan earnings and losses and may be charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Benefit Payments

Upon death, disability, retirement, or termination of service, a participant or his or her beneficiary may elect to receive his or her vested account balance in the form of a total or partial lump sum or monthly, quarterly, or annual installments. Annuities are available as the form of benefit for assets from the merged Money Purchase Pension Plan (which was merged into the Plan in a prior year).

The Plan allows in-service distributions and partial distributions to participants age 59½ or older who have not terminated employment with the Plan Sponsor. The Plan also provides for hardship withdrawals for defined hardship events. For individuals with a remaining balance in the individual's former Money Purchase Pension Plan account, the individual must have attained the age of 59½ to make in-service withdrawals of such amounts. The normal retirement age under the Plan is 65. Participants may withdraw money attributed to their rollover and voluntary after-tax contribution balances at any time. Furthermore, the Plan allows for accounts with balances of \$1,000 to \$5,000 to be automatically rolled over into an individual retirement account established by the plan administrator, on behalf of a participant, unless otherwise directed by the participant. If the participant's vested account balance is below \$1,000, it will be distributed to the participant in a lump sum. Required minimum distributions must begin when a participant reaches the applicable age under regulations during the plan year and is no longer employed by the Firm. For greater than 5 percent owners, required minimum distributions must begin at the attainment of the applicable age under regulations.

Participants may request that all or a portion of their 401(k) and/or Roth accounts be distributed in the case of financial hardship, as defined in the plan document.

December 31, 2023 and 2022

Note 1 - Plan Description (Continued)

Vesting

Participants' contributions and the employer discretionary contributions and related earnings are fully vested at all times and are not subject to forfeiture for any reason.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by Schwab or its affiliates. Schwab is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

The Firm has the right under the Plan to discontinue its contributions at any time. Subject to and contingent upon the closing of the merger transaction between Sherman & Howard L.L.C. and Taft Stettinius & Hollister LLP effective January 1, 2025, the Firm determined that it will terminate the Combined Plans effective December 31, 2024.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation

Investments are recorded at fair value, as reported to the Plan by the custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in mutual funds, the money market fund, and common stock investments included in the self-directed brokerage accounts are reported at the last reported sales price at the end of the respective period using quoted market prices. The collective investment trust is valued at net asset value per share (NAV) (or its equivalent) of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on these investments. See Note 5 for discussion of fair value measurements.

Certain investments within the self-directed brokerage accounts are generally composed of short-term, fixed-income investment options that are largely liquid and are designed not to lose much value. These investment options may include stable value, money market, short-term bond, and guaranteed interest accounts. These investments are reported at quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instruments.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

As the investments are commingled in the Combined Plans and maintained together, the assets in the investment funds are presented in Note 4 at the combined level, with a breakdown to the individual plan level. For financial reporting purposes, the investments are allocated to the retirement plans based on a summary of the participants' account balances by source of contributions, income (loss), and asset type. The amounts reported for the respective classifications of investment income (loss) represent the income (loss) on separately identifiable assets and an allocation of the income (loss) on the combined investments.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Firm.

December 31, 2023 and 2022**Note 2 - Summary of Significant Accounting Policies (Continued)*****Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Plan participants may elect to invest in various investment options through self-directed brokerage accounts. This offering carries risks, including the potential for significant concentrations in individual securities and lack of diversification for the participant's portfolio.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 8, 2024, which is the date the financial statements were available to be issued.

Subject to and contingent upon the closing of the merger transaction between Sherman & Howard L.L.C. and Taft Stettinius & Hollister LLP effective January 1, 2025, the Firm determined that it will terminate the Combined Plans effective December 31, 2024. Combined Plan assets will be distributed to participants via benefit payments, balances rolled over to an IRA, or rolled into the Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan based on each participant's elections. Assets are expected to be fully liquidated in 2025. Liquidation was deemed imminent during 2024 when the termination was approved and as a result the Plan will adopt the liquidation basis of accounting in 2024.

Note 3 - Tax Status

The Plan uses a preapproved plan. The preapproved plan has received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan's most recent favorable determination letter is dated January 16, 2013.

	2023	2022
Sherman & Howard Retirement Plan #1	\$ 87,029,182	\$ 83,485,205
Sherman & Howard Retirement Plan #2	106,892,920	105,692,774
Sherman & Howard Retirement Plan for Associates	3,643,402	2,965,646
Total	<u>\$ 197,565,504</u>	<u>\$ 192,143,625</u>

Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.
