Independent Auditors' Report

To the Plan Administrator
CMAC, Inc. 401(k) Plan
Myrtle Beach, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CMAC, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits CMAC, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CMAC, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CMAC, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CMAC, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CMAC, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for the year end, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CMAC, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN

The following description of the CMAC, Inc. (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of CMAC, Inc., except for union, non-resident aliens, hourly employees, independent contractors, and highly compensated employees, who have completed six months of service and are at least 21 years of age. The Plan's entry dates are the first day of the month coinciding with or following the completion of six consecutive months of service. The plan was restated on February 18, 2022 for the Cycle 3 qualified pre-approved 401(k) plan documents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

Contributions

The Plan allows for automatic deferrals for newly eligible participants at 3% of the participants' compensation, not to exceed the annual limits as defined by the Internal Revenue Code. Participants may elect to change the specific percentage or dollar amount of the deferral and have that amount contributed to the Plan up to the maximum allowed by law. Participants may choose to defer their contributions on a pre-tax or after-tax basis. For participants over 50 years of age, an additional "catch-up" contribution may be made subject to allowable Internal Revenue Service (IRS) limitations. Participants may contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Company may elect to contribute to the Plan amounts in the form of discretionary nonelective contributions. Such discretionary contributions, if any, are decided by the Company's management and are allocated to the participants as defined in the Plan document. During 2023, the Plan's discretionary match was 15% up to 3% of compensation.

Investments

Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and pooled separate accounts as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions and allocations of (a) the Company's discretionary contributions, and (b) Plan earnings or losses, and (c) an allocation of administrative expenses. Allocations are based upon the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their contributions, rollover contributions, and any earnings thereon. Employer matching contributions are 100% vested after three (3) years of service.

Payment of Benefits

Payment of benefits from a participant's account may be made only for the following reasons: termination of employment, financial hardship, retirement, in service at 59 ½ years of age, death or disability. Upon occurrence of one of these events and upon election by the participant, the Plan will distribute to the participant 100% of the participant's vested account balance. A participant may receive a lump sum amount equal to the value to the participant's vested interest in his or her account. The Plan Sponsor may elect to distribute funds to terminated participants through the automatic mandatory involuntary cash-out provision, for any balances less than \$5,000 as an individual retirement account rollover and amounts less than \$1,000 directly to the participant.

CMAC, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

As of December 31, 2023, and 2022, forfeited non-vested accounts totaled \$896 and \$1,464, respectively. The Plan permits forfeitures to be used to reduce future Company contributions or pay Plan fees.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting and includes all adjustments necessary to present fairly the financial statements of the Plan in conformity with the accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Risk, Valuation and Income Recognition

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair market value of investments for such investments.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid by the Company and any expenses not paid by the Company are paid directly by the Plan and the Participants. Investment-related expenses are included in the net appreciation or depreciation in fair value of investments, as provided in the plan document.

Subsequent Events

The Plan has evaluated subsequent events through the report date, the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED FOR AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian and furnished to the Plan administrator. The Plan administrator has obtained certifications from Delaware Charter Guarantee & Trust Company dba Principal Trust Company, the custodian for 2023 and 2022, that information provided to the Plan administrator by the custodian related to the following investments is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule. The following is a summary of the investments from participants certified by the custodian as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 3,131,887	\$ 2,705,874
Pooled separate accounts	34,239	28,247
Total investments, at fair value	<u>\$ 3,166,126</u>	<u>\$ 2,734,121</u>

For the year ended December 31, 2023, the custodian has certified to the completeness and accuracy of the Plan's net appreciation in the fair value of investments of \$385,084 and interest and dividend income of \$75,955.

NOTE 4. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CMAC, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSAs): The PSAs investing in mutual funds or domestic equity securities are measured using quoted prices in active markets for identical assets. Those PSAs directly investing in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at fair value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,131,887	\$ -	\$ -	\$ 3,131,887
Pooled separate accounts	34,239	-	-	34,239
Total investments, at fair value	<u>\$ 3,166,126</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,166,126</u>
Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,705,874	\$ -	\$ -	\$ 2,705,874
Pooled separate accounts	28,247	-	-	28,247
Total investments, at fair value	<u>\$ 2,734,121</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,734,121</u>

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Delaware Charter Guarantee & Trust Company dba Principal Trust Company is the custodian of the Plan's assets. Certain participant investments are in Principal Trust Company investment vehicles, which are managed by Principal Trust Company and these transactions are considered as party-in-interest transactions. Therefore, investment transactions in Principal pooled separate accounts qualify as party-in-interest transactions as defined by ERISA. Consequently, such transactions are permitted under the provisions of the Plan and are exempt party-in-interest transactions under ERISA. For the Plan year ended December 31, 2023, fees paid by the Plan amount to \$34,414 for recordkeeping services.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

NOTE 7. TAX STATUS

The Plan has timely adopted a restated, via a non-standardized adoption agreement, pre-approved plan. The plan was restated on February 18, 2022. The pre-approved plan has received an opinion letter from the IRS dated June 30, 2020, whereby the IRS stated that the prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). While the Plan cannot rely on the prototype's opinion letter, the Plan administrator believes that the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, believes that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be substantiated upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as an international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
