INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Teamsters Local 500 Severance Trust Fund

Opinion on Financial Statements

We have audited the financial statements of the Teamsters Local 500 Severance Trust Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Information Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, hereafter referred to as “supplemental information,” is presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year represents supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TEAMSTERS LOCAL 500 SEVERANCE TRUST FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

NOTE 1. DESCRIPTION OF PLAN

The following brief description of the Teamsters Local 500 Severance Trust Fund (the Plan) is provided for general information purposes only.

The Plan is a multiemployer defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is a profit-sharing participant-directed pension plan providing deferred compensation through severance and retirement benefits and a self-insured death benefit to eligible participants. Participants become eligible on the date they enter employment covered by their collective bargaining agreement as members of Teamsters Local Union 500 (the Union) or other Teamsters Local Unions who negotiate contributions to the Plan.

Participants should refer to the Summary Plan Description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - The mutual funds are carried at fair value as of the last business day of the year, based on the net asset value of the fund as provided by John Hancock Trust Company LLC (Hancock), the Plan's investment custodian and recordkeeper. The common collective trust is carried at net asset value (NAV), which is based on the value of the underlying assets of the fund, minus its liabilities and divided by the number of shares outstanding as provided by Hancock. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions - Contributions due but not paid prior to the year-end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Participant Accounts - Each participant's account is credited with employer contributions, as well as allocations and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits - The Plan provides benefit payments at retirement, termination, permanent disability, or death. Benefit payments to participants are recorded upon distribution.

Vesting - Participants are immediately vested in their equity accounts plus investment earnings.

Death Benefit Reserve - The Plan provides for a death benefit of \$20,000 for current active participants and \$1,000 for retired participants. A reserve for estimated future death benefits has been established in the form of a nonparticipant-directed investment in Wellesley Income Fund (Admiral Shares) custodied with Vanguard Group, with a fair value of \$240,427 and \$273,741 at December 31, 2023 and 2022, respectively. The reserve also includes a checking account with balances of \$0 and \$112,287 at December 31, 2023 and 2022, respectively.

Employer Overpayment Refund Payable - During the year ended December 31, 2023, it was discovered that the United Parcel Service (UPS) was overpaying the Plan during the years ended December 31, 2019 through December 31, 2021. As of December 31, 2023, the Plan owed UPS \$110,557.

NOTE 3. FUNDING POLICY

The Plan is funded through employer contributions ranging from \$0.50 per hour to \$4.28 per hour of wages earned by participants under the collective bargaining agreement between the employers and the Union. The percentage of the hourly contribution to the Plan is the result of negotiations between employers and the Union. Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on April 20, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Sections 401(a) of the Internal Revenue Code. The Plan's related Trust was, therefore, exempt from Federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 4. TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, Plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

	Assets at Fair Value as of December 31, 2023			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 52,220,997	\$ 52,220,997	\$ -	\$ -
Investments measured at NAV	52,220,997 14,089,357	\$ 52,220,997	\$ -	\$ -
Total investments	\$ 66,310,354			

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

	Assets at Fair Value as of December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 50,283,519	\$ 50,283,519	\$ -	\$ -
Investments measured at NAV	50,283,519 17,180,789	<u>\$ 50,283,519</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments	<u>\$ 67,464,308</u>			

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

During the years ended December 31, 2023 and 2022, there were no transfers in or out of levels 1, 2 or 3.

In accordance with ASC 820-10, investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The unfunded commitments and redemption information are as follows at December 31, 2023:

	Fair Value at 12/31/23	Fair Value at 12/31/22	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Intercontinental Enhanced Core US Real Estate Inc	\$ 2,019,020	\$ 2,303,603	\$ -	(a)	(a)
John Hancock Stable Value Fund (Class R2)	<u>12,070,337</u>	<u>14,877,186</u>	<u>-</u>	(a)	(a)
Total	<u>\$ 14,089,357</u>	<u>\$ 17,180,789</u>	<u>\$ -</u>		

(a) - The Plan's investments are participant directed. Participants can initiate transactions in and out of the common collective trusts at any time without a prior notice.

All the investments held by the Plan are measured at fair value, without adjustment by the Plan, based on the NAV as of December 31, 2023 and 2022, respectively.

NOTE 6. PRIORITIES UPON TERMINATION

To safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan.

NOTE 7. RELATED PARTIES

Certain Plan investments are shares of mutual funds managed by Hancock, the Plan's custodian. Therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedule of assets held for investment purposes at end of year.

The transactions above qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks, such as economic, interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9. NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	December 31,	
	2023	2022
Net assets:		
Vanguard Wellesley Income Fund	\$ 240,427	\$ 273,741
Net assets available for benefits - Nonparticipant-directed	<u>\$ 240,427</u>	<u>\$ 273,741</u>
Change in net assets:		
Net appreciation in fair value of investment	\$ 4,246	
Transfer out (to cash)	(50,000)	
Interest and dividends	<u>12,440</u>	
	<u>\$ (33,314)</u>	

NOTE 10. ADMINISTRATIVE CREDIT FROM CUSTODIAN

The Plan receives an administrative credit from Hancock to offset the Plan's cost of providing administrative services to its participants, in accordance with the Administrative Services Agreement. The amounts received totaled \$143,230 and \$150,669 for the years ended December 31, 2023 and 2022, respectively.

NOTE 11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
