MID-STATES BOLT & SCREW CO. HOURLY EMPLOYEES' 401(K) PLAN AND TRUST

AUDIT REPORT FOR THE YEAR ENDED
DECEMBER 31, 2023

October 14, 2024

To the Administrator of the
Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust

INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MID-STATES BOLT & SCREW CO. HOURLY EMPLOYEES' 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

A) DESCRIPTION OF PLAN

The following description of the Mid-States Bolt & Screw Co. Hourly Employees' 401(k) Plan and Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1) General

Effective August 28, 2023, the Plan Sponsor, Mid-State Bolt & Screw Co., converted from an S Corporation to a Limited Liability Company and, in this process, changed its name to Mid-State Bolt & Screw, LLC. The Plan is a defined contribution plan covering all hourly employees, other than certain nonresident aliens, of the Plan Sponsor ("Company") who have completed one year of service and are of age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2) Plan Administration

The Company controls and administers the Plan. The Company has the discretion to appoint or remove any service provider (such as custodian, record-keeper or investment manager) of the Plan. Charles Schwab Bank ("Schwab") is the custodian of the Plan's assets and Milliman, Inc. ("Milliman") is the record-keeper and third party administrator of the Plan. The Company has delegated responsibility for selecting, monitoring and replacing investment assets to CapFinancial Partners, LLC, d/b/a CAPTRUST Financial Advisors ("CAPTRUST"), a named fiduciary and investment manager to the Plan as defined in ERISA section 3(38). In addition to selecting, monitoring and replacing investment assets, CAPTRUST created and maintains the model asset allocation portfolios offered to plan participants.

3) Contributions

Participants may defer up to 100% of their annual compensation, as defined in the Plan, not to exceed the limits of Internal Revenue Code Sections 401(k), 402(g), 404 and 415. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company may, at its discretion, make matching contributions or contribute additional amounts (i.e., profit sharing contributions). There are no service requirements to qualify for an allocation of the matching contributions. An employee must be employed at the end of the Plan year and complete a year of service in order to qualify for an allocation of profit sharing contributions. The service requirements for profit sharing contributions are not applicable for participants who died, become disabled or terminated employment after normal retirement age (65 years of age) during the plan year. For 2023 and 2022, the Company made matching contributions equal to 25% of the employee's deferral up to a maximum of 10% of eligible compensation. In addition, the Company elected to make profit sharing contributions in the amount of \$20,692 for 2023 and \$19,427 for 2022.

Eligible employees who are making contributions that are at least 1% of compensation are enrolled in automatic escalation. Each January 1, the participant's deferral percentage is automatically increased by 1% until the deferral percentage is 10%. The participant must contact the third-party administrator to opt out of automatic escalation or to affirmatively elect a different deferral rate.

4) Investment Options

Participants direct the investment of contributions into various investment options offered by the Plan. As of December 31, 2023, the Plan offers participants twenty-two investment options. Participants may change their investment options at any time.

MID-STATES BOLT & SCREW CO. HOURLY EMPLOYEES' 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

A) DESCRIPTION OF PLAN (Continued)

4) Investment Options (Continued)

Participants must contact the third-party administrator to begin participation in the Plan. Participants may change their level of contribution, change their investment elections for future contributions, and make transfers between investment options at any time by contacting the third-party administrator. If a participant does not follow the Plan's procedures for making investment elections timely, contributions made on his or her behalf will be invested in an appropriate CAPTRUST Managed Account Portfolio based upon the participant's age at the time of such investment.

Certain mutual fund companies have implemented market-timing restrictions designed to protect the long-term investors in the mutual fund. These restrictions limit the number of exchanges an investor may initiate within a given period of time. Sales to fund distributions to plan participants and purchases from payroll contributions are not subject to the restrictions.

5) Participant Accounts

Each participant's account is credited with the participant's contributions (including any rollover of distributions received from other qualified plans) and allocations of (a) the Company's contribution, and (b) Plan earnings (losses) and expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

6) Vesting

Participants are immediately vested in their voluntary contributions (including any rollover of distributions received from other qualified plans) plus actual earnings thereon. Participants will be 0% vested in employer matching and profit sharing contributions for the first two years and 100% vested after three years of credited service or upon partial termination of the Plan.

7) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half of their vested account balance or \$50,000. Loan terms cannot exceed 5 years. Participant loans are secured by the balance in the participant's account and are repaid through payroll deductions. Interest is earned on the participant loans at the prime rate plus 1.00%.

8) Payment of Plan Benefits

Upon termination of employment due to death, disability, retirement or other reasons, a participant (or beneficiary in the case of death) can request withdrawal of his or her account equal to the value of the vested balance in the participant's account. The benefits will be paid in the form of a lump sum or partial withdrawals.

If desired, a participant can leave the account balance in the Plan until the participant attains their required minimum distribution ("RMD") age, unless they are still employed. The RMD age is 70 ½ for anyone born before July 1, 1949, age 72 for anyone born on or between July 1, 1949 and December 31, 1950, age 73 for anyone born on or between January 1, 1951 and December 31, 1959, and age 75 for anyone born on or after January 1, 1960. However, the Plan requires that distributions must commence no later than April 1 of the year following the year in which the participant reaches the RMD age. The Plan allows for automatic lump sum distributions of participant account balances that do not exceed \$200. If the account balance is greater than \$200 and less than or equal to \$5,000, and if a distribution election is not made within the required timeframe, that account will be rolled over into an individual retirement account designated by the plan administrator and invested in an investment designed to preserve principal and provide a reasonable rate of return and equity.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

A) DESCRIPTION OF PLAN (Continued)

9) Forfeited Accounts

Forfeiture of a terminated participant's non-vested account occurs as of the earlier of a) the last day of the plan year in which the former participant incurs five consecutive one-year breaks in service, or b) the distribution of the entire vested portion of the participant's account. Forfeitures of employer matching contributions will be used to reduce any employer contribution. Forfeitures of employer profit sharing contributions will be allocated to all participants eligible to share in the allocations of profit sharing contributions. As of December 31, 2023 and 2022, forfeited non-vested accounts total \$0 and \$2,908, respectively. During the years ended December 31, 2023 and 2022, forfeitures, in the amount of \$0 and \$392, respectively, were allocated to all participants eligible to share in the allocations of profit sharing contributions. During the years ended December 31, 2023 and 2022, forfeitures, in the amount of \$3,411 and \$0, respectively, were used to reduce employer contributions or pay expenses.

10) Transfers

The Company maintains two defined contribution plans for its employees depending upon their employment status. If a participant changes employment status and is eligible to transfer into the other plan during the year, the participant's account in the Plan is automatically transferred into the Mid-States Bolt & Screw Co. Salaried Employees' 401(k) Plan and Trust. The transfer is reported on the "Transfers of Assets from This Plan" line on the Statement of Changes in Net Assets Available for Benefits.

B) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

2) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and charges therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

3) Risks and Uncertainties

The Plan provides for various investment options such as mutual and common collective trust funds. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan's exposure to a concentration of risk is limited by the diversification of investments across all participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments.

4) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

B) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by CAPTRUST. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

6) Payment of Plan Benefits

Plan benefits are recorded when paid.

7) Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Certain legal and accounting fees and certain administrative expenses relating to the Plan are paid by the Company and will not be reimbursed by the Plan. Under service agreements between the Company and various service providers, service providers are paid fees for performing recordkeeping and investment manager services. Such fees, net of revenue sharing, are reported as administrative expenses and are charged directly to the participant accounts. Fees related to the administration of notes receivable from participants and other transactional fees are also reported as administrative expenses and are charged directly to the participants' accounts. Mutual funds and common collective trust funds' operating expenses charged to the Plan are deducted from income or loss on a daily basis and are not separately reflected. Consequently, such expenses are included in net appreciation (depreciation) of fair value of investments.

8) Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

C) INFORMATION PREPARED AND CERTIFIED BY CHARLES SCHWAB TRUST BANK

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Trust Bank as of December 31, 2023 and 2022 and for the years then ended.

	2023	2022
Cash	\$ 13,693	\$ 12,470
Investments, at fair value

Interest Income on Notes Receivable from Participants	4,659	2,791

D) FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

MID-STATES BOLT & SCREW CO. HOURLY EMPLOYEES' 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

D) FAIR VALUE MEASUREMENTS (Continued)

- Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 – Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These might include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (such as interest rates, volatilities, prepayment speeds, credit risks, etc.) or inputs that are derived principally from or corroborated by market data by correlation or other means.
- Level 3 – Unobservable inputs for determining the fair values of assets or liabilities that reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value (there have been no changes in methodologies used at December 31, 2023 and 2022):

- Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These securities have been classified within Level 1.
- Common Collective Trust Funds – Valued at the net asset value ("NAV") or equivalent based on units held by the Plan at year end, as a practical expedient. The NAV, as provided by the common collective trust fund manager, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the common collective trust fund less its liabilities. All common collective trust funds owned by the Plan file Form 5500 as a direct filing entity.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value as of December 31, 2023:

E) RELATED PARTY-IN-INTEREST TRANSACTIONS

The Plan does not consider Company contributions to the Plan to be party-in-interest transactions. The Company provides certain administrative services to the Plan for which no fees are charged. The Company pays substantially all administrative expenses, including audit and legal fees, except certain recordkeeping and investment manager service fees and transaction fees withdrawn from plan assets and paid to service providers. Service providers also receives indirect compensation from the investment options available within the plan. Such compensation includes distribution (12b-1) fees, shareholder servicing fees, float income and/or sub-transfer agency fees plus fees from proprietary investment funds. This compensation is used to reduce the recordkeeping and investment manager service fees withdrawn from plan assets. Recordkeeping and investment advisory service fees, net of revenue sharing amounts, and transaction fees paid to service providers withdrawn from plan assets total \$17,719 and \$17,146 for the years ended December 31, 2023 and 2022, respectively.

Certain plan investments (the asset allocation common collective funds) are managed by CAPTRUST, a named fiduciary with respect to the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

F) AMOUNTS ALLOCATED TO PARTICIPANTS WHO HAVE TERMINATED EMPLOYMENT

Benefit claims that have been processed and approved for payment prior to December 31, 2023 and 2022 but not yet paid as of that date amounted to \$0 and \$0, respectively.

G) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

MID-STATES BOLT & SCREW CO. HOURLY EMPLOYEES' 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

H) TAX STATUS AND PLAN AMENDMENTS

Effective January 1, 2022, the Plan was restated without altering the substance of plan provisions. As restated, the Plan is an adoption of a Non-Standardized Defined Contribution Pre-Approved Plan sponsored by Milliman, Inc. Milliman, Inc. has obtained a favorable tax opinion letter for the Non-Standardized Defined Contribution Pre-Approved Plan dated June 30, 2020.

The Plan has been amended since receiving the determination letter described above. However, the plan administrator believes that the Plan, as adapted and amended, is currently being operated as designed in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt. No provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal government. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is subject to income tax examinations for three years including 2023.

I) RECONCILIATION TO FORM 5500

The following is a reconciliation of the Financial Statements to Form 5500 for the years ended December 31, 2023 and 2022:

	2023	2022

Adjustment: Change in Contributions Receivable from Employer	(1,265)	(3,763)
Total Income – per the Form 5500	<u>\$ 787,390</u>	<u>\$ (83,535)</u>

J) SUBSEQUENT EVENTS

The Company maintains two defined contribution plans for its employees depending upon their employment status: this Plan and the Mid-States Bolt & Screw Co. Salaried Employees' 401(k) Plan and Trust. On January 1, 2024, this Plan merged into the Mid-States Bolt & Screw Co. Salaried Employees' 401(k) Plan and Trust, which then changed its name to the Mid-States Bolt & Screw LLC Employees' 401(k) Plan, and Trust.

Immediately after the merger, this Plan will have \$0 in assets. Furthermore, the affected employees under this Plan shall cease accruing benefits and being covered under this Plan as of the end of December 31, 2023 and their coverage and benefit accruals shall begin under the Mid-States Bolt & Screw LLC 401(k) Plan and Trust. All elections, waivers, consents, designations, directions, qualified domestic relations orders and other exercises of rights and privileges under this Plan shall be deemed effective in the Mid-States Bolt & Screw LLC Employees' 401(k) Plan and Trust as of January 1, 2024 except that salary deferral elections shall be subject to the automatic deferral provisions under the Mid-States Bolt & Screw LLC Employees' Plan and Trust's Eligible Automatic Enrollment Contribution (1%) Arrangement, unless a participant makes an affirmative election to defer an alternate amount and any beneficiary designations in the Mid-State Bolt & Screw LLC Employees' 401(k) Plan and Trust shall supersede any beneficiary designations from this Plan.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

J) SUBSEQUENT EVENTS (Continued)

Other plan provisions changing as a result of the merger include:

- Roth elective deferrals are now permitted,
- The one-year service requirement for eligibility purposes has been replaced by a 3-month consecutive employment service requirement, and
- Loans may be funded from Roth accounts.

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURE 2.0) was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. For example, SECURE Act 2.0 updates certain rules related to RMDs, special in-service distribution provisions, mandatory distribution limits, Roth catch-up contributions, catch-up contributions for those aged 60 to 63 and offers faster eligibility for long-term, part-time workers. The deadline for amending plan documents has been extended to December 31, 2026. As such, the Plan sponsor is currently evaluating the provisions of SECURE 2.0 to determine the full impact to the Plan and participants.
