INDEPENDENT AUDITOR'S REPORT

To the Investment & Administration Committee
Allient Incorporated 401(k) Tax Advantaged Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Allient Incorporated 401(k) Tax Advantaged Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 9 to the financial statements, a series of plan mergers occurred during the years ended December 31, 2023 and 2022. All assets from these plans were transferred to control of the Plan during the years ended December 31, 2023 and 2022, respectively. Our opinion is not modified with respect to this matter

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters—Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Allient Incorporated 401(k) Tax Advantaged Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by Allient Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective August 23, 2023, the Company changed its name from Allied Motion Technologies Inc. to Allient Inc. In connection therewith, the Plan was amended to change its name from the Allied Motion Technologies Inc. 401(k) Tax Advantaged Investment Plan to the Allient Incorporated 401(k) Tax Advantaged Investment Plan.

The Investment & Administration Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Eligibility:

Employees of the Company and its subsidiaries in the United States of America, with the exception of employees of Sierramotion Inc., are eligible to participate in the Plan immediately upon hire and once they have reached the age of 18. Nonresident aliens and leased employees, as defined, are specifically excluded from participation in the Plan.

Contributions:

Participants may make voluntary pre-tax or Roth contributions to the Plan up to 80% of their eligible compensation, as defined, with the exception of bonuses. Participants may make voluntary pre-tax or Roth contributions to the Plan of up to 100% of their bonuses, as defined. Participants who are fifty years and older may make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Plan includes an auto-enrollment provision whereby all newly eligible employees, other than those covered by the collective bargaining agreement (CBA) with the International Union, United Automobile Aerospace and Agricultural Implement Workers of America Local No. 743 (UAW), are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a target-date fund until changed by the participant.

With the exception of certain UAW participants, the Company makes matching contributions equal to 100% of the first 3% of the participant's eligible compensation, as defined by the Plan, and 50% of the next 2% of eligible compensation. For all UAW participants, non-elective contributions are made by the Company based upon a formula included in the CBA.

401(k) TAX ADVANTAGED INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Contributions (continued):

The Company may also make additional matching and/or discretionary non-matching contributions at the end of each Plan year. Participants must be employed by the Company on the last day of the Plan year to receive discretionary non-matching contributions. The Company did not make any such contributions for the years ended December 31, 2023 or 2022.

All matching contributions are funded each pay period and are subject to a year-end true-up. This true-up is performed in order to ensure that employer contributions based on total annual eligible compensation are consistent with the sum of employer contributions made on a bi-weekly basis throughout the year for each participant. Total matching contributions amounted to \$2,645,259 and \$1,949,147 for the years ended December 31, 2023 and 2022, respectively. Non-elective contributions for UAW participants are funded on a quarterly basis and amounted to \$29,332 and \$23,347 for the years ended December 31, 2023 and 2022, respectively.

Contributions are subject to certain limitations of the Internal Revenue Code (the Code). Participants direct the investment of contributions into various investment options offered by the Plan.

Participant accounts:

Each participant's account is credited with the participant's contributions, Company contributions, an allocation of Plan earnings, reduced for benefits paid, and charged directly for loan origination, benefit processing and other recordkeeping fees, if applicable. Allocations of Plan earnings are based on the investments held by the participant. The benefit to which a participant is entitled is limited to that which can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions, Company contributions, and actual earnings thereon.

Forfeitures:

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$4,766 and \$10,335, respectively. Forfeitures of nonvested Company contributions are used to pay administrative expenses of the Plan or to reduce the Company's contributions. Forfeitures of \$11,683 and \$551 were used to pay administrative expenses in 2023 and 2022, respectively. No forfeitures were used to reduce the Company's contributions in either year.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Payment of benefits:

On termination of employment with the Company, death, disability, or retirement, a participant or a participant's beneficiary, in the event of a distribution upon the participant's death, may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments. Distributions are also permitted in the event of financial hardship, as defined by the Plan, and for participants who have attained age 59½.

Notes receivable from participants:

Participants may borrow from their account a minimum of \$1,000 up to a maximum loan equal to the lesser of \$50,000, reduced by the participant's highest outstanding loan balance in the prior twelve-month period, or 50% of their vested account. A participant may not have more than one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator. Loans must be repaid in at least monthly installments over a maximum term of 5 years for personal loans and 10 years for the purchase of a participant's primary residence. Principal and interest are paid ratably through payroll deductions.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants, benefit processing, and other recordkeeping services are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements have been prepared using the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan's Investment & Administration Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

ALLIENT INCORPORATED
401(k) TAX ADVANTAGED INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Benefits:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 3. Information Certified by the Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company (FMTC), the trustee of the Plan. The Plan Administrator has obtained certifications from FMTC that information provided to the Plan Administrator by FMTC related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	2023	2022
Investments, at fair value		
Mutual funds	\$ 100,472,849	\$ 83,349,982

Note 3. Information Certified by the Plan's Trustee (Continued)

FMTC has also certified to the completeness and accuracy of the following financial information for the years ended December 31, 2023 and 2022:

	2023	2022
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	\$ 13,815,282	\$ (18,367,418)
Interest and dividends	2,187,482	4,746,981
	<u>\$ 16,002,764</u>	<u>\$ (13,620,437)</u>
Interest income on notes receivable from participants	<u>\$ 72,083</u>	<u>\$ 46,011</u>

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Note 4. Fair Value Measurements (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is primarily based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2023 and 2022.

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 100,472,849</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 100,472,849</u>
Collective trust fund measured at NAV ^(a)				<u>4,047,298</u>
				<u>\$ 104,520,147</u>
	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 83,349,982</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 83,349,982</u>
Collective trust fund measured at NAV ^(a)				<u>5,313,573</u>
				<u>\$ 88,663,555</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (Continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair value at December 31, 2023	Fair value at December 31, 2022	Redemption Frequency	Redemption Notice Period
Collective trust fund	\$ 4,047,298	\$ 5,313,573	Daily	12 months

There were no unfunded commitments related to the collective trust fund at December 31, 2023 and 2022.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 6. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by FMR, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) as to the prototype plan's qualified status dated June 30, 2020. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code, with the exception of the operational errors discussed below.

The Plan Administrator has identified certain operational errors related to the operations of the Plan, including delinquent participant contributions and errors in the operations of the qualified plans that merged in to the Plan during the years ended December 31, 2023 and 2022 (Note 9), and is determining the extent of these errors and the appropriate methods of correction. These corrections are not anticipated to be significant to the financial statements. The Company is determining corrective action with respect to the late deposits and operational defects identified. Other than the operational errors that are being corrected in accordance with the IRS Employee Plans Compliance Resolution System, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

ALLIENT INCORPORATED
401(k) TAX ADVANTAGED INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 6. Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 7. Party-In-Interest Transactions

A party-in-interest is defined under the DOL's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

Certain Plan investments are shares of mutual funds and a collective trust fund managed by Fidelity Investments Institutional Operations Company, Inc. (FIIOC), an affiliate of FMTC. FMTC is the trustee as defined by the Plan and, therefore, transactions within these investment funds qualify as party-in-interest transactions. Fees were paid by the Plan to FIIOC for loan origination, benefit processing and other recordkeeping services. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment from the Plan.

Global Retirement Partners, LLC provides investment advisory services to the Plan. Transactions with Global Retirement Partners, LLC qualify as party-in-interest transactions and are included in administrative expenses.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Transfers from Other Qualified Plans

In connection with acquisitions of other companies made by the Company, employees of the acquired companies are offered participation in the Plan and, generally, the defined contribution plans of the acquired companies are merged into the Plan. Upon merging into the Plan, all participants transferred in are subject to the provisions of the Plan, unless otherwise amended.

Note 11. Subsequent Events

Subsequent events have been evaluated through October 10, 2024, which is the date the financial statements were available to be issued.

Effective July 1, 2024, all of the assets and liabilities of the SNC Manufacturing Co., Inc. Salary Savings Plan and the SNC Manufacturing Co., Inc. 401(k) Retirement Savings Plan (the SNC Plans) were merged into the Plan, following the acquisition of SNC Manufacturing Co., Inc. (SNC) by the Company in 2024. The account balances of all participants of the SNC Plans, totaling \$6,607,965, were transferred to the Plan. In conjunction with this transaction, the Plan was amended to allow employees of SNC to participate in the Plan.

Additionally, on September 30, 2024, the Plan was amended to provide for the merger of the Sierramotion Inc. 401(K) Plan following the acquisition of Sierramotion Inc. by the Company in 2023. The merger is planned to be effective December 1, 2024, at which point all assets and liabilities of the Sierramotion Inc. 401(K) Plan are expected to be transferred to the Plan.
